# Radon & Rentals: Iowa City First in State to Require Radon Testing & Mitigation in Rental Homes

Written by Liz Orton

Delayed a year by the COVID-19 pandemic, Iowa City is ready to enact its new [radon testing and mitigation policy](#) for single-family detached and duplex rental properties beginning July 1, 2021. This policy is the first of its kind in Iowa. Stan Laverman, Senior Housing Inspector with the City of Iowa City, hopes that other cities will follow suit.

## How did this policy come to be?

According to Laverman, the need for this new radon policy became evident in June 2017. That was when former-Governor Brandstad signed an [amendment](#) that restricted cities from limiting rental occupancy in single-family detached and duplex rental homes based on familial or non-familial relationships. For example, a rental house that used to house three college students could now house up to eight. Laverman was concerned that more tenants would be living in basement bedrooms, increasing their exposure to cancer-causing radon gas. (More on the science of radon in a moment.)

Laverman believes this policy takes steps towards both cancer prevention and health equity. "Our goal is to provide safe, affordable housing to everyone," Laverman said.

"When an owner-occupied house is bought and sold in Iowa, the new buyer would insist on a radon test. But we didn't see that in the rental market," Laverman said. "The market wasn't taking care of the issue."

"We saw that rental properties weren't being tested for radon and weren't being mitigated," Laverman explained. "In a neighborhood, you would see that owner-occupied houses had radon mitigation systems installed, whereas rental properties in that same neighborhood didn't. You could see the disparities."

Stan Laverman, Sr. Housing  
Inspector for the City of Iowa City

## How will the new policy work?

Laverman oversees the annual inspection of Iowa City's 20,000 rental units. Single-family detached houses and duplexes comprise 3,600 of those. These inspections will now require the property owner to show that they've tested for radon. Furthermore, mitigation must be conducted if the radon levels are 4 picocuries per liter (pCi/L) or higher. Testing and mitigation must be performed by third-party specialists.

Originally slated to take effect July of 2020, COVID-19 postponed the implementation by a year. "We feel this is an appropriate time to move forward," said Laverman. It will take two years to complete this cycle of inspections. In the meantime, any *new* single-family detached rental homes and duplexes must comply immediately.

## What is radon?

Radon is the leading cause of lung cancer among non-smokers, according to the United States Environmental Protection Agency (EPA). It is an invisible, tasteless, odorless, radioactive gas that is naturally produced by radium in the soil. Radon becomes harmful when it becomes trapped and concentrated in the air. For example, when it leaks into a basement through a crack in the foundation or a space around a pipe.

Although radon testing is recommended in Iowa, it is not required in the Iowa Housing Code.

## Why does radon matter in Iowa?

Lung cancer caused by radon exposure results in 21,000 deaths per year, including 400 deaths annually in Iowa alone.

Iowa has the highest radon levels of any state. 71.6% of homes measure at or above the EPA's action level of 4 pCi/L. In fact, the average radon level in Iowa homes is 8.5 pCi/L. Compare that with an overall United States average of 1.3 pCi/L.

## What can I do about radon?

I'm so glad you asked! Although the idea of a radioactive gas that you can't see, smell, or taste may sound overwhelming, there is a lot we can do about it.

## Home Owners

You can [purchase a low-cost radon test kit from the American Lung Association](#) (or call [800-383-5992](tel:800-383-5992)). Test kits are also widely available at hardware stores.

If your levels are at or above 4 pCi/L, contact a Radon Mitigation Specialist certified by the State of Iowa. The Iowa Department of Public Health regulates this certification and has an updated list of certified Radon Mitigation Specialists [here](#).

## Renters

If you rent outside of Iowa City or your Iowa City rental does not qualify as a single-family home or duplex, the EPA has published "[A Radon Guide for Tenants](#)" that you may find helpful.

## Real Estate Agents

Realtors and real estate agents can also play an important role in radon awareness in Iowa. Learn more from the EPA on their [Radon and Real Estate Resources](#) page.

## School Administrators

Radon testing and mitigation is important for the health of students and staff. It can even identify opportunities for energy efficiency and cost savings. For example, [Energy Association of Iowa Schools](#) provides a [School Radon Training & Support System](#) for Iowa schools. (Learn more about this program and how it has adapted during COVID-19 [here](#).)

## Healthcare Providers

Simply asking patients if they have tested for radon in their homes is a huge step towards preventing radon-caused lung cancer. The Iowa Cancer Consortium's Radon Workgroup has compiled many resources for providers on our [Breathing Easier](#) webpage, including a guide from the Conference of Radiation Control Program Directors (CRCPD), Inc., the EPA, and Dr. Bill Field (Professor in the University of Iowa's College of Public Health).

45

00:03:34.140 --> 00:03:50.040

T'Shailyn Harrington: That you have five minutes to do so in also remind fellow Commissioners, they are not to engage with the public on any items that are spoke on so, if any, members of the public wishes to raise their hand.

46

00:03:51.690 --> 00:03:53.100

And we will continue.

47

00:03:57.780 --> 00:03:58.950

T'Shailyn Harrington: Is there anyone in the public.

48

00:04:00.330 --> 00:04:01.980

T'Shailyn Harrington: That was to make a comment.

49

00:04:05.640 --> 00:04:08.040

T'Shailyn Harrington: No okay well.

50

00:04:09.540 --> 00:04:10.530

T'Shailyn Harrington: Okay Nicholas.

51

00:04:12.750 --> 00:04:13.140

T'Shailyn Harrington: Tyson.

52

00:04:15.630 --> 00:04:21.690

Nicholas Theisen: So it's a little bit more confusing with this format, because you have to like raise your hand and, like the participants screen, so I.

53

00:04:22.290 --> 00:04:24.660

Nicholas Theisen: Apologies I didn't mean to delay that.

54

00:04:26.010 --> 00:04:27.030

Nicholas Theisen: Good evening everyone.

55

00:04:27.480 --> 00:04:33.720

Nicholas Theisen: And i'm actually very happy to see that the overall temperature of the cpt has been lowered.

56

00:04:34.260 --> 00:04:35.160

T'Shailyn Harrington: quite a bit from.

57

00:04:35.520 --> 00:04:37.350

T'Shailyn Harrington: Previous excursions so that seems to.

58

00:04:37.350 --> 00:04:38.580

Nicholas Theisen: be a positive development.

59

00:04:39.690 --> 00:04:52.260

Nicholas Theisen: I suppose I have a question series of questions, actually, but the first and most important one is what is the mayor doing here I mean Okay, I can read the agenda, it says.

60

00:04:52.320 --> 00:04:53.250

routing protocol.

61

00:04:54.450 --> 00:05:01.170

Nicholas Theisen: But I can also see that the question that was left lingering from the previous CRC meeting, which is you know whether to change leadership of the.

62

00:05:01.170 --> 00:05:02.460

Nicholas Theisen: Commission has been shunted.

63

00:05:02.790 --> 00:05:13.140

Nicholas Theisen: To basically the bottom of the list, so I guess i'm wondering, is the mirror huge to advise us on the routing protocol, and if he is.

64

00:05:13.590 --> 00:05:14.190

Nicholas Theisen: seems a little.

65

00:05:14.250 --> 00:05:17.970

Nicholas Theisen: silly to me, considering you know in Tuesday nights Council session.

66

00:05:19.980 --> 00:05:26.040

Nicholas Theisen: is actually the obvious violation of the protocol in the mirror didn't have anything to say about that.

67

00:05:26.790 --> 00:05:40.980

Nicholas Theisen: i'm also kind of wondering why his marks have been shown to the forefront when the, the question that actually desperately needs to be resolved, right now, which is finding a neutral dispassionate chair it's actually been moved to the back of the line.

68

00:05:42.060 --> 00:05:44.640

Nicholas Theisen: I guess i'm just confused and.

69

00:05:46.110 --> 00:05:57.060

Nicholas Theisen: wasn't bad it looks to be out of the blue, like this, you know if I even shoes i'd actually kind of worried that people would assume that i'm hearing we would provide cover for a personal friend.

70

00:05:57.810 --> 00:06:07.530

Nicholas Theisen: Are you ready, but people might think i'm using my authority, as an elected official to make sure she is not held responsible for the actions like I said earlier, i'm glad that soon, but the sort of temperature has.

71

00:06:07.950 --> 00:06:09.360

Nicholas Theisen: started off a little bit lower.

72

00:06:10.650 --> 00:06:18.360

Nicholas Theisen: But you know, like what has happened in the past couple weeks has been egregious not the least of which.

73

00:06:18.990 --> 00:06:39.750

Nicholas Theisen: Using her own power and authority is chaired the train passes totally spurious motion attacking Monday night so i'm not really sure why you'd want to be associated with telling members of the public to just get over the brutality that was perpetrated by ICP on June 3 or with bring.

74

00:06:40.800 --> 00:06:51.330

Nicholas Theisen: The children who friends into tears means to harass other Members look like I would he want to be associated to the hospital she has fostered.

75

00:06:52.320 --> 00:06:52.650

Nicholas Theisen: European.

76

00:06:52.680 --> 00:07:02.040

Nicholas Theisen: commission's are actually trying to direct your attention this have been defined here for some time, and the reason why I wanted to point out the news but it's because it's.

77

00:07:02.790 --> 00:07:12.720

Nicholas Theisen: like this will actually will perpetuate the chaos, the Commissioners themselves are sick of not sure to be coddled summarily board, and I also see the on the.

78

00:07:13.950 --> 00:07:25.380

Nicholas Theisen: On the call as well, this is directly to the bearish X adults who's political opinions just happen to differ, we shouldn't work out those differences in the way, etc.

79

00:07:26.430 --> 00:07:26.760

Nicholas Theisen: So.

80

00:07:28.530 --> 00:07:29.640

Amaar Samel: Thank you, thank you.

81

00:07:33.060 --> 00:07:37.560

T'Shailyn Harrington: Thank you Nicholas, are there any other members of the public that wish to.

82

00:07:38.730 --> 00:07:41.070

T'Shailyn Harrington: address us before.

83

00:07:45.630 --> 00:07:46.320

T'Shailyn Harrington: One last call.

84

00:07:47.730 --> 00:07:54.450

T'Shailyn Harrington: No okay we're going to move on to the next agenda item Thank you again Nicholas for your time.

85

00:07:56.520 --> 00:08:01.530

T'Shailyn Harrington: So I would like to invite both the mayor and miracle TIM.

86

00:08:02.550 --> 00:08:07.050

T'Shailyn Harrington: To discuss meeting protocol for agenda item number four.

00:08:09.000 --> 00:08:15.510

Mayor Bruce Teague : Well Hello everybody i'm excited to be here with you tonight I don't see mayor pro tem, can you tell me.

Mayor Bruce Teague : The contributions each of you.

103

00:09:03.900 --> 00:09:04.980

Mayor Bruce Teague : Make towards this.

104

00:09:04.980 --> 00:09:07.530

Mayor Bruce Teague : Commission it's a novel Commission.

105

00:09:07.650 --> 00:09:09.900

Mayor Bruce Teague : When we think about our city.

106

00:09:10.590 --> 00:09:13.440

Mayor Bruce Teague : Having a truth and reconciliation commission I.

107

00:09:13.440 --> 00:09:15.150

Mayor Bruce Teague : think many of us know that.

108

00:09:15.150 --> 00:09:18.930

Mayor Bruce Teague : doesn't is not a popular Commission around the around the nation.

109

00:09:19.380 --> 00:09:21.630

Mayor Bruce Teague : Even though there is more and more talk about it.

110

00:09:21.630 --> 00:09:29.940

Mayor Bruce Teague : happening and so and i'm also excited that has happened, and during the time when mayor pro tem and I are in leadership.

111

00:09:30.030 --> 00:09:39.750

Mayor Bruce Teague : It really does mean a lot, you know when I think of the group of kind of this group uniqueness I you know I think of.

112

00:09:40.140 --> 00:09:41.340

T'Shailyn Harrington: All the various.

113

00:09:41.400 --> 00:09:50.190

Mayor Bruce Teague : That touch points that are being shared and and of course we want those voices to be continued to be heard, is actually is very important.

114

00:09:51.330 --> 00:09:53.370

T'Shailyn Harrington: And, as I think about.

115

00:09:53.820 --> 00:10:02.940

Mayor Bruce Teague : You know just some of the recent past process does become important, as well as well because it's kind of a vehicle to allow.

116

00:10:03.870 --> 00:10:05.160

Mayor Bruce Teague : All those involved.

117

00:10:05.190 --> 00:10:12.810

Mayor Bruce Teague : to know what to expect and and and protocols in place just gives us all something to go off of.

118

00:10:13.920 --> 00:10:16.140

Mayor Bruce Teague : Personally, I wanted to pause.

119

00:10:16.140 --> 00:10:17.160

T'Shailyn Harrington: The tlc.

120

00:10:17.460 --> 00:10:26.850

Mayor Bruce Teague : To allow a joint meeting with counselors because I saw some of the growing pains and I thought you know, maybe it might be nice for there to be.

121

00:10:27.330 --> 00:10:33.120

Mayor Bruce Teague : An interaction between us so that we can have a conversation and see how we can help you along this process.

122

00:10:33.780 --> 00:10:42.150

Mayor Bruce Teague : Tonight mayor pro tem and I we decided we just wanted to come and just you know say hello, let you know that we're really rooting for you all.

123

00:10:42.630 --> 00:10:54.540

Mayor Bruce Teague : We know this journey she and I, we were both counselors new counselors at one point, and all the protocols and and kind of how things went and learning all about.

124

00:10:55.320 --> 00:11:04.260

Mayor Bruce Teague : You know some of the things that Council have come before them it's a lot to learn and even when you think about some of the things that.

125

00:11:04.830 --> 00:11:12.540

Mayor Bruce Teague : will be coming forth before you all you're gonna have to learn quite a you know some things that you think you might have a lot of knowledge on.

126

00:11:13.020 --> 00:11:24.390

Mayor Bruce Teague : and come to find out that you don't so challenging yourself to learn other aspects of some of the things put before you I know you're up for the challenge when I thought.

127

00:11:24.870 --> 00:11:25.410

Mayor Bruce Teague : I did.

128

00:11:25.470 --> 00:11:26.100

T'Shailyn Harrington: um.

129

00:11:26.430 --> 00:11:30.480

Mayor Bruce Teague : You know I looked at black lives matter online.

130

00:11:31.260 --> 00:11:32.340

T'Shailyn Harrington: Just their mission.

131

00:11:32.730 --> 00:11:37.290

Mayor Bruce Teague : Because this this was really developed out of that black lives matter and.

132

00:11:37.710 --> 00:11:39.180

T'Shailyn Harrington: One of the things I wanted to read.

133

00:11:39.450 --> 00:11:43.830

Mayor Bruce Teague : Was black lives matter we know it was founded in 2013 and response to the.

134

00:11:43.830 --> 00:11:44.970

Mayor Bruce Teague : acquittal of trayvon.

135

00:11:44.970 --> 00:12:03.360

Mayor Bruce Teague : martin's murder this mission was to eradicate white supremacy and build local power to intervene in violence inflicted on Black communities by the state and vigilantes by combat and and counteract and acts of violence, creating space for black imagination to innovation.

136

00:12:03.900 --> 00:12:05.550

T'Shailyn Harrington: And Center in black joy.

137

00:12:06.060 --> 00:12:14.190

Mayor Bruce Teague : We are winning immediate improvements in our lives, I read that because I know that the Truth and Reconciliation as for the bike park.

138

00:12:14.190 --> 00:12:17.370

Mayor Bruce Teague : Community it really a roll this.

139

00:12:17.700 --> 00:12:25.950

Mayor Bruce Teague : Out of the black lives matter movement that started long ago but definitely George floyd ignited within our Community.

140

00:12:26.460 --> 00:12:30.030

Mayor Bruce Teague : I desire to really create some actions towards.

141

00:12:31.320 --> 00:12:41.160

Mayor Bruce Teague : The end the end of systemic racism, and so I am so privileged that each of you are serving on the truth and reconciliation and I.

142

00:12:41.970 --> 00:12:55.380

Mayor Bruce Teague : Just really am looking forward to the outputs that you that you will have, and I have great hope continued hope for this truth and reconciliation commission mayor pro to.

143

00:12:56.850 --> 00:13:03.720

00:13:33.900 --> 00:13:45.000

MAZAHIR SALIH: let's just say you don't like this character, you still have to keep that courage, because I know you will do it, and you know, let me also acknowledge that.

MAZAHIR SALIH: Yes, having a Commission legs is in iowa city that he used and bigger and also let me acknowledge that this commissions came for is from.

149

00:13:57.960 --> 00:14:10.170

150

00:14:10.770 --> 00:14:14.340

MAZAHIR SALIH: we've been waiting for this kind of Commission for years.

151

00:14:14.940 --> 00:14:29.310

MAZAHIR SALIH: And we try hard everybody be able in this Commission us we've been fighting in this Community, but let us acknowledge the fact that, because you come and you find that that's why we end up by this Commission.

00:14:30.120 --> 00:14:39.960

MAZAHIR SALIH: Really, I would like to thank you, I would like to thank everyone who said when this come commissions, we have just to acknowledge the fact that having this condition is huge.

153

00:14:40.350 --> 00:15:01.740

MAZAHIR SALIH: And let us I you know, maybe you are struggling a little bit, but i'm sure I trust you all, I trust all the nine Members that they will be lagging great job through a you know with this commissions to come up with a fact, and with the throws and make our Community even better.

154

00:15:03.450 --> 00:15:03.990

MAZAHIR SALIH: Thank you.

155

00:15:08.670 --> 00:15:10.260

T'Shailyn Harrington: Thank you mayor mayor pro tem.

156

00:15:11.580 --> 00:15:18.330

T'Shailyn Harrington: Those words are those sentiments are really encouraging for us here right and then having some growing pains.

157

00:15:19.350 --> 00:15:38.490

T'Shailyn Harrington: So to say as we've been formed, but the invitation to to truly understand like meaning protocol in in learning all the ropes I I i'm eager to to to if that's available to do so.

158

00:15:40.440 --> 00:15:45.300

T'Shailyn Harrington: To get for me, we got Mr Ali ration hold on one second.

159

00:15:45.330 --> 00:15:46.230

MAZAHIR SALIH: If you don't mind.

160

00:15:46.590 --> 00:15:48.000

MAZAHIR SALIH: I since we just.

161

00:15:48.030 --> 00:15:54.180

MAZAHIR SALIH: would like to follow up by some advice Meyer, if you can start, please, and after that we can.

162

00:15:54.210 --> 00:15:55.620

Open it to questions.

163

00:15:57.000 --> 00:15:57.840

Mayor Bruce Teague : i'm sorry so.

164

00:15:58.320 --> 00:16:03.390

MAZAHIR SALIH: Say that I said we just went to give them some advice you know for the.

165

00:16:03.660 --> 00:16:04.140

T'Shailyn Harrington: You know.

166

00:16:04.440 --> 00:16:04.980

MAZAHIR SALIH: You can.

167

00:16:05.010 --> 00:16:07.230

MAZAHIR SALIH: take it or leave it, but this is advised that.

168

00:16:07.260 --> 00:16:07.920

MAZAHIR SALIH: We are here.

169

00:16:07.950 --> 00:16:10.800

MAZAHIR SALIH: To give you we glad my.

170

00:16:11.190 --> 00:16:24.150

Mayor Bruce Teague : new faces well, certainly as, as I mentioned, I we we are well aware of some of the growing pains that's happening we've been we've been paying attention we've been in in attendance.

171

00:16:24.870 --> 00:16:32.760

Mayor Bruce Teague : What we really want to do is encourage you all, and also extend an offer an offering to any of the Commissioners, if you ever.

172

00:16:33.090 --> 00:16:42.900

Mayor Bruce Teague : want to reach out to your counselors many of you may not have ever interacted with us, we are available we'd like to meet with you, if that's what you choose to do.

173

00:16:44.160 --> 00:16:52.770

Mayor Bruce Teague : individually or if you decide to do that, as a group that's your choice again if that's something that you want to reach out to the Council about, but I.

174

00:16:53.430 --> 00:17:10.920

Mayor Bruce Teague : i'm really excited about this Commission, it is as the mayor pro tem said i'm very unique in our Community needed in our Community and, of course, who would do it, but iowa city and the state of iowa, and so we are.

175

00:17:11.490 --> 00:17:20.310

Mayor Bruce Teague : trailblazers and you all are in the in the seats leading this mission, so thank you so much, yes.

176

00:17:20.340 --> 00:17:30.000

MAZAHIR SALIH: And I want to add a little bit here to you know I, I can only one meeting and I have been there, the last meeting I have been the only for 15 minutes.

177

00:17:30.690 --> 00:17:36.240

MAZAHIR SALIH: I just comparing last meeting with this meeting, I think you already in track.

178

00:17:36.750 --> 00:17:50.490

MAZAHIR SALIH: This is this is great today, the way that you start the meeting, thank you, Vice chair I guess urine the meeting is Mosley and

you have this meeting also go to the end it's mostly by following your agenda and everything.

179

00:17:50.970 --> 00:18:00.660

MAZAHIR SALIH: Giving cans to the public, because we need to hear the public the public are very important, we need to hear from them, but you know just think of our.

180

00:18:01.230 --> 00:18:14.490

MAZAHIR SALIH: To have like a by know i'm political for your for your room meeting will be great and the Commissioners themselves, they can call a come up with those bylaws and use it, so you can control your meeting.

181

00:18:15.630 --> 00:18:21.060

MAZAHIR SALIH: is so you can do the job that you need because sometimes if you're being distracted.

182

00:18:21.660 --> 00:18:31.380

MAZAHIR SALIH: You know, and not following like every single thing that you've been and like hearing that interacting with the public and the same time, this is with tape from your time.

183

00:18:31.710 --> 00:18:44.880

MAZAHIR SALIH: And you are not going to do a lot of same to do that badly convenience is really important, it could be doing public comment for something that is not on the agenda and same way that you're doing it right now.

184

00:18:45.480 --> 00:18:55.710

MAZAHIR SALIH: But if you end up with during discussion of setting item on the agenda also have been public common before you, Commissioner, discuss it.

185

00:18:56.010 --> 00:19:05.370

MAZAHIR SALIH: So you give the public cons to talk about the issue, and after that come to a Commissioner discussion so you can discuss the issue.

186

00:19:05.670 --> 00:19:13.680

MAZAHIR SALIH: Because many times, I will come to, for example, to the Council meeting with an idea two votes they're going away in an issue.

187

00:19:14.070 --> 00:19:25.230

MAZAHIR SALIH: But when I hear from the public dealing the public hearing or public comment I wouldn't care my mind many time but licking my mind that's why you need to hear from the public.

188

00:19:25.620 --> 00:19:37.320

MAZAHIR SALIH: Those some yes advice when for here just to give you some of our experience and some of the advice and to tell you that we are behind you, we support you, as the mayor said.

189

00:19:38.040 --> 00:19:58.110

MAZAHIR SALIH: anytime you need to read you know read shower don't hesitate to reach out and we will support you, I never went to a Commission before and i'm not going to come to your commission's but I will support you, you know I because I trust you you're going to do the right thing.

190

00:19:59.130 --> 00:19:59.640

MAZAHIR SALIH: Thank you.

191

00:20:01.890 --> 00:20:02.790

MAZAHIR SALIH: Any question.

192

00:20:05.820 --> 00:20:12.570

T'Shailyn Harrington: Thank you, thank you, I believe i'm Commissioner, a male at her hands free.

193

00:20:13.320 --> 00:20:17.520

Commissioner Ali (she/her/hers): yeah I had my hand raised, but actually when they were giving their advice.

194

00:20:17.580 --> 00:20:20.700

Commissioner Ali (she/her/hers): And said to reach out to them, I that was.

195

00:20:20.880 --> 00:20:24.420

Commissioner Ali (she/her/hers): I was going to say they all have their phone numbers are online so.

196

00:20:24.750 --> 00:20:25.770

T'Shailyn Harrington: i'm sure most.

197

00:20:25.860 --> 00:20:28.170

Commissioner Ali (she/her/hers): of them are extremely pleasant.

198

00:20:28.170 --> 00:20:29.370

Commissioner Ali (she/her/hers): People and i've had.

199

00:20:30.720 --> 00:20:31.050

T'Shailyn Harrington: To.

200

00:20:31.140 --> 00:20:44.580

Commissioner Ali (she/her/hers): pick brains with them on multiple occasions so yeah, thank you for opening that door to us and just you know letting us know that you guys are always there because I think Eric variances important.

201

00:20:46.140 --> 00:20:46.830

MAZAHIR SALIH: Yes.

202

00:20:46.860 --> 00:21:02.220

MAZAHIR SALIH: yeah anytime and also, I want to just tell you that you guys are making history don't forget that that's why I work as much as you can to King everything that we don't like and iowa city, so you can do that, I trust you all.

203

00:21:06.060 --> 00:21:16.470

T'Shailyn Harrington: Thank you mayor mayor pro tem we really appreciate your encouraging words and the advice that you have given us on how to move forward.

204

00:21:18.510 --> 00:21:22.800

T'Shailyn Harrington: So I will be moving on to the next agenda item and.

205

00:21:24.420 --> 00:21:34.260

T'Shailyn Harrington: Thank you stephanie, and that is agenda item number five request to city council for vision of budget submission Jesse.

206

00:21:35.580 --> 00:21:40.260

T'Shailyn Harrington: facilitator Jessie J, would you like to speak on this.

207

00:21:42.120 --> 00:21:45.300

Jesse Case: um well, I speak on this.

208

00:21:45.390 --> 00:21:46.530

T'Shailyn Harrington: Specifically, I just like to.

209

00:21:46.530 --> 00:21:47.760

Jesse Case: thank everybody for.

210

00:21:49.350 --> 00:21:53.400

Jesse Case: Being here and thank the city council for your Nana spoke to.

211

00:21:55.170 --> 00:21:56.280

T'Shailyn Harrington: me as a facilitator.

212

00:21:56.670 --> 00:22:02.340

Jesse Case: I know that there are some questions about the order of the agenda, and I know ultimately it's up to.

213

00:22:02.340 --> 00:22:04.020

Jesse Case: The Commission.

214

00:22:04.350 --> 00:22:06.300

I had made a couple recommendations.

215

00:22:08.610 --> 00:22:08.880

Jesse Case: You.

216

00:22:09.300 --> 00:22:09.870

Jesse Case: So that.

217

00:22:10.470 --> 00:22:11.580

Jesse Case: I think what we're, seeing as.

218

00:22:11.580 --> 00:22:15.900

Jesse Case: They some business items at the beginning of the agenda because.

219

00:22:17.520 --> 00:22:27.090

Jesse Case: There needs to be worked on between meetings like city itself does a lot of work and staff there's a lot of work between meetings, not just at the Council meetings.

220

00:22:27.630 --> 00:22:40.980

Jesse Case: Real work happens between meetings and i've talked to ml and i've talked to Holland Tony and some other Commissioners i'm going to hopefully be reaching out to everybody in the next couple of days to get input on how you want.

221

00:22:42.000 --> 00:22:47.340

Jesse Case: You know how just to evolve my role as a facilitator, but the.

222

00:22:47.640 --> 00:22:54.210

Jesse Case: One thing is clear is that you know with there's a lot of work to be done in the coming months and.

223

00:22:54.960 --> 00:23:09.480

Jesse Case: We, we have to start now to get organized in order to move these things forward whether it's the police review reviewing the police report or the budget itself which we've already missed a deadline we missed missed the first benchmark.

224

00:23:10.530 --> 00:23:20.820

Jesse Case: Of the resolution which I don't have magical be a problem, asking for an extension, but we have missed that first benchmark of of the resolution, so we just need to get some work done.

225

00:23:21.300 --> 00:23:30.870

Jesse Case: And I think it's at the end, the agenda because they're explosive things at the end of the agenda and if the meeting blows up, we still have to end the meeting and get work done between meetings.

226

00:23:31.770 --> 00:23:40.560

Jesse Case: Because if we start with the controversial things and then, if the meeting blows up and we don't get any work done then we're going to go another two weeks without getting any more work done.

227

00:23:41.130 --> 00:23:50.340

Jesse Case: And we're we're here without a Budget Committee asking, probably to postpone a timeline and I really appreciate the Commissioners.

228

00:23:50.940 --> 00:23:58.680

Jesse Case: interest and work he's put on on this budget, but we got we got, we have to move things forward and he worked on, so I would like you know.

229

00:23:59.040 --> 00:24:07.890

Jesse Case: love to see would recommend different committees forming in order to meet offline between meetings and get some work done it and it will also.

230

00:24:08.850 --> 00:24:17.760

Jesse Case: lend itself to getting public input those committees can reach out to different people in the public and get input for budgets or or review on on certain items.

231

00:24:18.360 --> 00:24:31.530

Jesse Case: The committee needs to recognize and identify areas of expertise or areas that they wanted this Commission to work on, there should maybe be a Commission or a subcommittee working with that, but then reports at the next.

232

00:24:31.530 --> 00:24:32.310

Zachary Smith: meeting you know.

233

00:24:33.120 --> 00:24:39.510

Jesse Case: Well, how it gets a couple people that really dig into the budget and talk I don't know what how you're going to do it tonight, but.

234

00:24:40.410 --> 00:24:56.340

Jesse Case: For example, you know there just needs to be people meeting offline to look into these topics and then reporting back to the Commission with their work for larger discussion, because if we put everything if we started zero for every discussion in front of the large group.

235

00:24:57.570 --> 00:25:01.230

Jesse Case: it's very hard to get things done and and by consensus and.

236

00:25:01.860 --> 00:25:08.100

Jesse Case: Through the democratic process, so if you know we can move a lot of things quickly and we have to be able to do more than one thing at once.

237

00:25:08.490 --> 00:25:13.890

Jesse Case: So that's why I think you know what i'm hoping is we leave tonight, regardless of what happens.

238

00:25:14.850 --> 00:25:27.750

Jesse Case: Politically, or or what with leadership or anything else we just have to leave with some assignments between meetings that we can move the agenda forward, we have to identify there's very specific items in the resolution.

239

00:25:29.070 --> 00:25:31.770

Jesse Case: That that we're tasked with and.

240

00:25:32.850 --> 00:25:35.640

Jesse Case: You know, stimulate different difficult conversations.

241

00:25:36.720 --> 00:25:47.940

Jesse Case: You know we're certainly checking that, but there are other things like you know really researching and and recording the history of systemic racism, there are some big.

242

00:25:48.990 --> 00:26:02.550

Jesse Case: tasks that you've all been assigned with and i'm concerned that, if we don't get some business done during the meeting and in between the meetings that that it's going to not we're going to run out of time on every issue so that's that's all I like to say I.

243

00:26:03.750 --> 00:26:12.990

Jesse Case: would just recommend that that we we have people working together offline between meetings on the budget on whatever other items you all.

244

00:26:14.940 --> 00:26:27.660

Jesse Case: identifying them, so we have reports and that way at every meeting, there are also reports of something that's happened in between meetings and that's that's generally how it's done is the real work doesn't come.

245

00:26:28.950 --> 00:26:29.820

Jesse Case: meeting itself.

246

00:26:30.210 --> 00:26:32.310

Jesse Case: Our work comes through small group.

247

00:26:32.700 --> 00:26:45.180

Jesse Case: really just elbow grease between the meetings, so I would just hopefully see that between this meeting and the next week, the next meeting, there are committees meeting on issues to move the agenda items forward.

248

00:26:46.650 --> 00:26:47.880

Jesse Case: let's i'll turn it back over to you.

249

00:26:50.640 --> 00:26:58.560

T'Shailyn Harrington: No, thank you Jessie for those words, I think it is you articulated it pretty well that it's important for us to.

250

00:26:59.670 --> 00:27:15.000

T'Shailyn Harrington: Do the grunt work in between meetings and then simply report back on we find in have those discussions types of discussions and not have to have their butt heads on information that we're trying to find out.

251

00:27:17.040 --> 00:27:19.710

T'Shailyn Harrington: I do want to let.

252

00:27:21.330 --> 00:27:23.820

T'Shailyn Harrington: Mohammed speak on his budget.

253

00:27:25.380 --> 00:27:38.790

T'Shailyn Harrington: Like outline proposal, but before I do that, I would like to open it up to all the other Commissioners if they have any comments or concerns about extending the budget permission to the city council.

254

00:27:43.560 --> 00:27:43.740

T'Shailyn Harrington: know.

255

00:27:44.610 --> 00:27:46.980

Commissioner Ali (she/her/hers): And I just my only this is Commissioner Ali.

256

00:27:47.340 --> 00:27:48.840

Commissioner Ali (she/her/hers): i'm my only.

257

00:27:48.840 --> 00:27:50.340

T'Shailyn Harrington: question is, is it.

258

00:27:50.340 --> 00:27:51.360

T'Shailyn Harrington: just going to be like one.

259

00:27:51.360 --> 00:27:53.310

Commissioner Ali (she/her/hers): person writing it out and then.

260

00:27:53.640 --> 00:27:55.080

Commissioner Ali (she/her/hers): submitting the.

261

00:27:55.110 --> 00:27:59.190

Commissioner Ali (she/her/hers): proposal to counsel How does that process work.

262

00:27:59.580 --> 00:28:00.930

Commissioner Ali (she/her/hers): i'm asking.

263

00:28:01.830 --> 00:28:02.490

tension.

264

00:28:04.980 --> 00:28:05.850

Jesse Case: I think you could either.

265

00:28:06.660 --> 00:28:07.860

Jesse Case: Vote vote to.

266

00:28:08.880 --> 00:28:09.120

T'Shailyn Harrington: To.

267

00:28:09.330 --> 00:28:20.280

Jesse Case: extend it and then, if you and and part of that could make them part of that motion could be to have the facilitator, make a request to the Council or or one of the Commissioners itself.

268

00:28:21.240 --> 00:28:30.840

Jesse Case: But I would say just one email from one person, the facility, I think, part of the facilitators rose to make recommendations to the Council, so I think that would be appropriate, but.

269

00:28:31.350 --> 00:28:39.930

Jesse Case: I would think that if you think feel like you need more time, make emotion somebody should make emotion and then voted and then the email would go out tomorrow.

270

00:28:41.220 --> 00:28:51.690

Commissioner Ali (she/her/hers): And this is Commissioner Ali speaking Can I make a motion to have Jesse send an email to Council tomorrow regarding extension says budget.

271

00:28:53.610 --> 00:29:02.520

Commissioner Rivera (he|she|they): Is a slow motion clarification question, for this is Commissioner Rivera how long of a extension to be requesting.

272

00:29:12.960 --> 00:29:13.890

Commissioner Ali (she/her/hers): you're still muted.

273

00:29:14.970 --> 00:29:15.660

Commissioner Ali (she/her/hers): Vice chair.

274

00:29:20.430 --> 00:29:22.980

T'Shailyn Harrington: run you can go ahead, Commissioner, come on.

275

00:29:25.020 --> 00:29:27.090

Raneem Hamad: Yes, so I think a minimum of two weeks.

276

00:29:29.400 --> 00:29:32.040

Raneem Hamad: is good but i'm open to others.

277

00:29:34.350 --> 00:29:37.500

Stefanie Bowers: And let everybody know that the actual due date.

278

00:29:37.530 --> 00:29:47.520

Stefanie Bowers: From 90 days from your first meeting, which would have been December 21 actually the the current due date would be march 22 so when you're discussing this, you may want to keep that in mind.

279

00:29:50.670 --> 00:29:53.310

Jesse Case: that there may be some clarification needed on.

280

00:29:56.220 --> 00:29:59.850

Jesse Case: budget itself the month at least have a.

281

00:30:00.450 --> 00:30:01.590

Jesse Case: Question and maybe it's just.

282

00:30:01.740 --> 00:30:06.900

Jesse Case: In my mind, but resolution says funds funds needed to carry out the.

283

00:30:06.900 --> 00:30:08.490

T'Shailyn Harrington: charge of the key RC.

284

00:30:10.440 --> 00:30:17.430

Jesse Case: beyond what existing city staff programs and services, we can provide is the budgets posted this is maybe for Ellen or somebody.

285

00:30:18.060 --> 00:30:21.060

Jesse Case: Is the budget that we're putting together supposed to be.

286

00:30:22.020 --> 00:30:31.050

Jesse Case: A million dollar budget on how this Commission is going to spend a million dollars it's been recommended for to fight systemic racism and that or is it to.

287

00:30:31.560 --> 00:30:41.760

Jesse Case: put together a budget on what we need to get to that final report that then deals with the million dollars are the recommendations I use a million dollars loosely but.

288

00:30:42.270 --> 00:30:52.320

Jesse Case: So is it is it like you know we're going to bring in you know Eduardo in Dallas and to talk about CRC so we maybe he charges or maybe there's somebody that.

289

00:30:52.770 --> 00:31:09.990

Jesse Case: Expert witness that you want to bring in and they charge webinar what a training partner training budget so, is it is the budget that is referenced here specific to operations of this Commission, or the overall pot of money that been allocated by the city.

290

00:31:17.700 --> 00:31:19.080

Mohamed Traore: Oh sorry all go after you.

291

00:31:20.640 --> 00:31:22.290

Eleanor Dilkes: This is ELENA dogs, the city attorney.

292

00:31:23.490 --> 00:31:25.530

Eleanor Dilkes: The the resolution.

293

00:31:27.000 --> 00:31:37.200

Eleanor Dilkes: provides that the budget will be to execute the charges of the Commission, so I think you're thinking on that as right, I think I need to mention, too, that.

294

00:31:38.880 --> 00:31:49.110

Eleanor Dilkes: A million dollars, is not just for this Commission, if you look at the resolution that the Council initially passed and you look at.

295

00:31:49.590 --> 00:32:02.820

Eleanor Dilkes: The resolution establishing the Commission and i'll just read from it, the city council to allocate city funds have a million dollars during the present fiscal year to support resolution 20 dash.

296

00:32:04.380 --> 00:32:15.270

Eleanor Dilkes: that's the the black lives matter resolution that had a number of items on an APP that the Council passed which includes a variety of initiatives, among them the truth and reconciliation commission.

297

00:32:17.700 --> 00:32:18.090

Anthony Currin: Yes.

298

00:32:21.480 --> 00:32:22.290

Anthony Currin: I have a question.

299

00:32:28.800 --> 00:32:30.420

Anthony Currin: Thank you, this is commissioned to current.

300

00:32:31.650 --> 00:32:43.770

Anthony Currin: Would it be possible for us to request a 90 day extension that would give us actually time to go over it makes up committees and really get into the weeds of it.

301

00:32:47.130 --> 00:32:50.160

Anthony Currin: And we can come together and and do it, I mean.

302

00:32:51.330 --> 00:33:10.380

Anthony Currin: We what counselor the counselor adults has informed us there's got to be other things that we don't know also I mean we're all just learning to do this there's it's never been done before, and I was city, so we don't want to rush it.

303

00:33:11.550 --> 00:33:19.800

Anthony Currin: And we want to make a good foundation, so that you know we have a strong platform on which to stand wouldn't we couldn't we all agree to that.

304

00:33:25.530 --> 00:33:27.570

Mohamed Traore: mission attorneys are you still on.

305

00:33:28.680 --> 00:33:29.310

Anthony Currin: i'm done.

306

00:33:30.330 --> 00:33:38.580

Anthony Currin: I think that's something we could all pretty much rally around let's get a good strong, solid foundation and a firm understanding of.

307

00:33:39.660 --> 00:33:45.480

Anthony Currin: What we're what we have to work with for our starter material and really build a good strong platform.

308

00:33:48.570 --> 00:33:59.730

Mohamed Traore: So this is monetary or here I just like to say that I do think we need an extension, but I think 90 days is a bit much as, as Mr Casey said in.

309

00:34:00.060 --> 00:34:09.120

Mohamed Traore: In during his interview process and, as I said, previous times for that he believes that we will need to pay experts to come in.

310

00:34:09.450 --> 00:34:17.130

Mohamed Traore: And if we were to extend this 90 days by that point we would be to June 4 and if we extend this to June 4 and at that point we have have.

311

00:34:17.460 --> 00:34:24.840

Mohamed Traore: Just under 400 days to bring in experts and to do this entire fact funding process, so I don't think we need an entire 90 days.

312

00:34:25.170 --> 00:34:31.380

Mohamed Traore: But I think we may need about 45 days that would give us three four meetings, after this and as well if we're going to have budgets.

313

00:34:31.620 --> 00:34:36.210

Mohamed Traore: subcommittees that would also give us the week between and the days between to do these things.

314

00:34:36.540 --> 00:34:45.810

Mohamed Traore: And i'm willing to meet with members of the community at any time where i'm not at work, one days off of zoom meetings, whatever it takes to get this process completed in the 45 days.

315

00:34:46.080 --> 00:34:50.640

Mohamed Traore: So that we can begin to bring in these experts and we can begin to bring in people from the Community.

316

00:34:51.210 --> 00:35:01.200

Mohamed Traore: By way of having these experts available to us to truly you know get started on our mission, and I would like to say as well that when it comes to the current items my budget proposal.

317

00:35:01.650 --> 00:35:18.720

Mohamed Traore: I did include the fact that towards the bottom, that there would be over meaning fun pool of about \$337,500 and I talked about in there, how that money can be used to pay for experts historians facilitator stuff.

318

00:35:19.770 --> 00:35:30.000

Mohamed Traore: South payments, etc, and it's not that these things have been thought of, but rather that I didn't want to just outline that part completely because I would like to hear from the public as well.

319

00:35:30.420 --> 00:35:47.100

Mohamed Traore: But there are some things such as mural commission's that can be giving or language interpretation services victims legal Defense funds public hearings and procedures so fun fun those things are transformative justice education materials printing and mailing services.

320

00:35:47.130 --> 00:35:48.870

Mohamed Traore: language interpretation services.

321

00:35:50.370 --> 00:35:54.630

Mohamed Traore: Victim transportation fund if victims are needed to come to iowa city.

322

00:35:55.350 --> 00:36:02.910

Mohamed Traore: In case you know the whole kogan protocols get better going into the future and the process so that we can have them actually present with us.

323

00:36:03.180 --> 00:36:13.470

Mohamed Traore: So they aren't just so we can actually see them while they're speaking like right in front of us, because I believe that that that will be very key going forward as well it's harder to convey.

324

00:36:13.920 --> 00:36:27.600

Mohamed Traore: True emotion through just a screen and when it comes to the things that are included for designated money to Community programs and scholarships and of the like I do see that in our duties.

325

00:36:28.260 --> 00:36:34.110

Mohamed Traore: fact finding truth telling but also the main part is also reconciliation, so we want to have.

326

00:36:34.740 --> 00:36:41.040

Mohamed Traore: The opportunity to facilitate direct conversation and to create a replicable model.

327

00:36:41.370 --> 00:36:51.300

Mohamed Traore: And if we're going to have a record a replicable model, I do believe that we will need to fund some of these programs in the Community with this money because I truly do not believe we needed.

328

00:36:51.660 --> 00:37:02.340

Mohamed Traore: A full million dollars, just to pay for some experts and things of that nature, and there are a lot of things that the city does currently need and I, and I know as well from.

329

00:37:03.090 --> 00:37:20.370

Mohamed Traore: My past and the way I grew up that when people are insecure in terms of food or the amount of money they have in their bank account, they may have issues with being able to truly stay attentive to other things, and maybe very busy, and if we have Community programs, such as.

330

00:37:20.400 --> 00:37:23.850

Mohamed Traore: These and financial literacy programs and things like.

331

00:37:24.150 --> 00:37:31.890

Mohamed Traore: It would really help build trust in the Community for the Truth and Reconciliation commission's mission, and I think it would really help to bring.

332

00:37:32.190 --> 00:37:42.990

Mohamed Traore: People from all races and backgrounds into the fold as well if they know that this Commission is dedicated to putting forth resolutions that will truly benefit everyone going forward and.

333

00:37:43.530 --> 00:37:52.530

Mohamed Traore: The city is would be welcome to adopt some of these things into the into the permanent budget for other fiscal years as well there's this whole thing is supposed to be.

334

00:37:53.760 --> 00:38:05.580

Mohamed Traore: An entire fact funding process and to see basically like a research, study of what works, so if we don't put any funds towards these things, to see if they work and truly benefit the community.

335

00:38:05.880 --> 00:38:13.410

Mohamed Traore: In this 16 month period in time that I wouldn't feel comfortable recommending to the city hey you need to throw money at this if.

336

00:38:13.740 --> 00:38:23.850

Mohamed Traore: We haven't even tested out whether it works, because I mean people would not like their tax dollars to be wasted four years, at a time and if we're going to create a replicable model, we should.

337

00:38:24.390 --> 00:38:33.420

Mohamed Traore: Truly test whether these things are going to work and benefit the people of the city, the Community and those that come to visit and with that are you the floor, thank you.

338

00:38:38.700 --> 00:38:39.030

T'Shailyn Harrington: Thank you.

339

00:38:40.500 --> 00:38:43.290

T'Shailyn Harrington: Now, your handout with your hand was up next.

340

00:38:46.260 --> 00:38:50.940

Commissioner Ali (she/her/hers): I think it was just an order running you can go ahead, I think you've been raising your hand longer than I am.

341

00:38:51.570 --> 00:38:52.680

Raneem Hamad: Thank you mo.

342

00:38:53.190 --> 00:38:55.140

Raneem Hamad: um so I actually.

343

00:38:55.740 --> 00:39:02.160

Raneem Hamad: sent in a budget proposal with Bahamas proposal but, for I guess formatting reasons it wasn't it was an excel.

344

00:39:02.160 --> 00:39:03.870

Raneem Hamad: sheet, so it wasn't able to be.

345

00:39:03.870 --> 00:39:12.480

Raneem Hamad: included into the agenda pocket for formatting issues, but it should be for next meeting, but if I could share the screen I.

346

00:39:12.480 --> 00:39:15.120

Raneem Hamad: Would, but I just wanted to outline a couple of things.

347

00:39:15.120 --> 00:39:17.250

Raneem Hamad: From my budget proposal.

348

00:39:18.720 --> 00:39:21.060

Raneem Hamad: So just from a little bit from my.

349

00:39:21.330 --> 00:39:22.620

Raneem Hamad: Think personal thinking so.

350

00:39:22.620 --> 00:39:27.600

Raneem Hamad: Far, I would like, I was thinking that it would be best that we do use the full million.

351

00:39:27.600 --> 00:39:31.890

Raneem Hamad: dollars with allocated by the city for Racial justice work.

352

00:39:32.520 --> 00:39:36.030

Raneem Hamad: With the idea or the goal of 60 to 80%.

353

00:39:36.060 --> 00:39:36.840

of that money.

354

00:39:37.920 --> 00:39:47.430

Raneem Hamad: going to reparations following about following a fact finding mission of almost I guess like that I budgeted for \$50,000.

355

00:39:47.430 --> 00:40:00.420

Raneem Hamad: For so following this fact finding mission, we, I believe that it's really important that we use as much a majority of our funds to support reparations initiatives for whatever we find out from our fact.

356

00:40:00.450 --> 00:40:01.290

T'Shailyn Harrington: Finding Mission.

357

00:40:02.280 --> 00:40:19.200

Raneem Hamad: And then, a couple other things that I budgeted for would also be like 50,000 for mural commissions and 30,000 for multimedia recordings, in the sense that we really need to make sure that we're able to create a visual historical.

358

00:40:19.200 --> 00:40:22.860

Raneem Hamad: record of the things we find out from the fact finding mission.

359

00:40:23.100 --> 00:40:26.760

Raneem Hamad: As well as creating you know various different avenues.

360

00:40:26.970 --> 00:40:27.600

For.

361

00:40:28.860 --> 00:40:29.880

Raneem Hamad: The reconciliation.

362

00:40:29.880 --> 00:40:38.220

Raneem Hamad: process and then two other things that I was also wanted to like point out, as things that we would also need funding for would be.

363

00:40:39.240 --> 00:40:42.450

Raneem Hamad: language interpretation services like most said as.

364

00:40:42.480 --> 00:40:44.670

Raneem Hamad: Possible victims Defense fund.

365

00:40:44.730 --> 00:40:47.100

Raneem Hamad: For victims who do face retaliation from.

366

00:40:47.670 --> 00:40:51.030

Raneem Hamad: Institutions that they speak out against.

367

00:40:52.320 --> 00:41:03.900

Raneem Hamad: or and legal services funds, also for victims who don't have access to legal services and a victim transportation fund as well because folks aren't always going to be able to.

368

00:41:04.380 --> 00:41:11.910

Raneem Hamad: be able to access our meetings if their physical if they're being held physical in the future, physically in the future.

369

00:41:13.050 --> 00:41:20.370

Raneem Hamad: But yeah Those are just wanted to speak a little bit on those ideas and see what folks thing, but I will be sending full budget proposal and.

370

00:41:21.330 --> 00:41:34.140

Jesse Case: also be helpful to look at the budgets of other try to see what you know we don't necessarily have to reinvent the wheel, and we can learn a lot from other from other people who've gone through this before and I, and I would.

371

00:41:34.410 --> 00:41:37.650

Jesse Case: love to see a committee formed and works with stephanie myself.

372

00:41:38.340 --> 00:41:42.060

Jesse Case: And as a subcommittee to work with whoever's interested in being on that committee.

373

00:41:43.230 --> 00:41:48.480

Jesse Case: That brings bring back you know but census budget to release for discussion.

374

00:41:49.530 --> 00:41:51.870

Commissioner Ali (she/her/hers): That was gonna be kind of you know what I.

375

00:41:53.580 --> 00:42:00.930

Commissioner Ali (she/her/hers): Was gonna say was that I feel like we're kind of moving from the topic of what we're requesting the Council from the Council to.

376

00:42:00.960 --> 00:42:03.300

Commissioner Ali (she/her/hers): Like the next agenda item.

377

00:42:03.540 --> 00:42:07.800

Commissioner Ali (she/her/hers): um so does everyone think that 45 days is good.

378

00:42:08.280 --> 00:42:09.480

Jesse Case: listener rivera's hands.

379

00:42:10.920 --> 00:42:12.120

Raneem Hamad: Oh sorry one second.

380

00:42:12.150 --> 00:42:18.570

Raneem Hamad: i'm just gonna I think I do have, I do have the option to share the screen So if you guys are interested in me sharing the screen.

381

00:42:18.660 --> 00:42:21.480

Raneem Hamad: And let me know I can say I was.

382

00:42:22.200 --> 00:42:23.070

T'Shailyn Harrington: I would.

383

00:42:24.180 --> 00:42:34.410

T'Shailyn Harrington: like to go back to what the method, but that that's a little jumping up ahead on Mexico gender idol revealing anything and.

384

00:42:35.700 --> 00:42:36.420

T'Shailyn Harrington: Also.

385

00:42:37.890 --> 00:42:38.130

T'Shailyn Harrington: To.

386

00:42:39.630 --> 00:42:49.830

T'Shailyn Harrington: piggyback off of what Jeff you've mentioned, I think these discussions are good to be within a subcommittee about like what you're proposing bar and things like that.

387

00:42:51.690 --> 00:42:52.230

T'Shailyn Harrington: Point of order.

388

00:42:52.620 --> 00:42:55.560

Jesse Case: Commissioner rivera's had his hand up for quite a while, and then, if.

389

00:42:55.680 --> 00:42:56.610

Jesse Case: If i'm.

390

00:42:56.910 --> 00:42:57.840

Jesse Case: wishing her home on.

391

00:42:58.530 --> 00:43:05.460

Jesse Case: As long as we've already gone down that path and she's referenced showing us her screen I would I would err on the side of that.

392

00:43:05.520 --> 00:43:06.090

T'Shailyn Harrington: And then.

393

00:43:06.450 --> 00:43:08.850

Jesse Case: And then move towards ending discussion and movement.

394

00:43:08.880 --> 00:43:10.740

Jesse Case: Towards a committee process, but I.

395

00:43:12.570 --> 00:43:13.530

Jesse Case: Just my recommendation.

396

00:43:14.340 --> 00:43:16.380

T'Shailyn Harrington: I know Commissioner various his hand up.

397

00:43:16.380 --> 00:43:16.920

Jesse Case: very patient.

398

00:43:18.060 --> 00:43:20.100

T'Shailyn Harrington: yeah you would like to speak Kevin.

399

00:43:21.450 --> 00:43:24.570

Commissioner Rivera (he|she|they): he's chillin I just really appreciate mohammed's.

400

00:43:25.200 --> 00:43:26.580

Commissioner Rivera (he|she|they): reasoning behind the.

401

00:43:26.670 --> 00:43:31.980

Commissioner Rivera (he|she|they): Number of the 45 day extension and that would be in supportive that proposal, I also just.

402

00:43:33.180 --> 00:43:39.570

Commissioner Rivera (he|she|they): Really, a jazz to see the initiative that mo and rename have put into their own budget proposals I.

403

00:43:40.080 --> 00:43:48.150

Commissioner Rivera (he|she|they): I look forward to reviewing some more of the ideas that come out of any of the Commissioners, including those on that budget subcommittee you know, to invite members of the public to review.

404

00:43:48.660 --> 00:43:55.620

Commissioner Rivera (he|she|they): The what's what will be included in our agenda items, so that you can provide some comment as we, as we move forward.

405

00:43:55.920 --> 00:43:56.940

T'Shailyn Harrington: towards developing this.

406

00:43:56.940 --> 00:43:57.600

Commissioner Rivera (he|she|they): Budget as well.

407

00:43:59.550 --> 00:44:00.780

Thank you feel the floor.

408

00:44:08.220 --> 00:44:11.520

Raneem Hamad: Yes, i'm just trying to figure out the screen thing.

409

00:44:16.620 --> 00:44:18.480

Raneem Hamad: All right, can you guys see the screen.

410

00:44:19.020 --> 00:44:19.410

or.

411

00:44:23.490 --> 00:44:24.480

Raneem Hamad: Alright perfect.

412

00:44:25.020 --> 00:44:31.410

T'Shailyn Harrington: So here is the breakdown, I have so far.

413

00:44:32.550 --> 00:44:33.870

Raneem Hamad: And again.

414

00:44:34.950 --> 00:44:37.320

T'Shailyn Harrington: 50 30,000.

415

00:44:37.380 --> 00:44:45.000

Raneem Hamad: For mural commissions and multimedia recordings and then again 60 to 80% of the budget being used to reparations is that it's what is.

416

00:44:45.000 --> 00:44:46.590

Raneem Hamad: really crucial following.

417

00:44:47.370 --> 00:45:00.630

Raneem Hamad: The fact finding mission and, here are some other like education and outreach categories that I kind of wrote that we kind of broke down as well, but I really do think it's really important that we make sure that we support victims in every way we.

418

00:45:00.660 --> 00:45:03.690

Raneem Hamad: Can, as this is a very traumatic process to.

419

00:45:04.200 --> 00:45:13.830

Raneem Hamad: ask people to be involved, and we need to make sure that we're supporting them and that's why, hence the categories of victim transportation fund legal Defense and the legal services.

420

00:45:14.340 --> 00:45:27.750

Raneem Hamad: And then the interpretation services as well, but that's all I will share those again to the whole Commission, via the next agenda, but thank you.

421

00:45:29.250 --> 00:45:31.380

T'Shailyn Harrington: Thank you all right um.

422

00:45:33.660 --> 00:45:42.120

T'Shailyn Harrington: So let's make a decision on the the synagogue extension to city council.

423

00:45:43.410 --> 00:45:46.920

T'Shailyn Harrington: As well correct me if i'm wrong, did you put emotion our own portland, though.

424

00:45:47.430 --> 00:45:47.940

hey.

425

00:45:50.130 --> 00:46:00.720

Commissioner Ali (she/her/hers): put in motion out on the floor, and someone did second it, but Commissioner Rivera wanted um he wanted more specifics on it so.

426

00:46:00.990 --> 00:46:02.310

Commissioner Ali (she/her/hers): step is it Okay, if I.

427

00:46:02.340 --> 00:46:04.320

Commissioner Ali (she/her/hers): Like re say it.

428

00:46:06.540 --> 00:46:07.980

00:46:21.090 --> 00:46:22.800

Anthony Currin: Well, that and do our seconds.

433

00:46:24.360 --> 00:46:25.800

Eleanor Dilkes: You don't have to you don't.

434

00:46:25.920 --> 00:46:26.610

T'Shailyn Harrington: I think the.

435

00:46:26.700 --> 00:46:29.010

Eleanor Dilkes: What you can do here is simply with raw that.

441  
00:46:46.560 --> 00:46:48.630  
Commissioner Ali (she/her/hers): A motion to have.

443  
00:46:50.550 --> 00:46:52.560  
T'Shailyn Harrington: out to the city council.

444  
00:46:52.830 --> 00:46:55.290  
Commissioner Ali (she/her/hers): and asked for a 45 day extension.

445  
00:46:55.290 --> 00:46:57.240  
T'Shailyn Harrington: period proposal.

446  
00:46:59.940 --> 00:47:01.800  
Commissioner Rivera (he|she|they): This is Commissioner there I second that motion.

T'Shailyn Harrington: Yes.

459  
00:47:45.480 --> 00:47:48.150  
T'Shailyn Harrington: and definitely I vote yes as well.

460  
00:47:50.520 --> 00:47:50.910  
T'Shailyn Harrington: Thank you.

461  
00:47:54.900 --> 00:48:18.180  
T'Shailyn Harrington: All right, and I believe we kind of alluded to agenda item six, but before we have a formal discussion I wouldn't like eat the advice of mayor and mayor pro tem of opening the agenda item to the public, before we discussed so, are there any members of the public that wish to.

462  
00:48:19.890 --> 00:48:23.100

T'Shailyn Harrington: me make a comment on starts to shrink.

463

00:48:24.570 --> 00:48:27.480

T'Shailyn Harrington: The formation of budgets, secondly.

464

00:48:28.860 --> 00:48:32.220

T'Shailyn Harrington: If you have any please raise your hand and we will call them.

465

00:48:36.660 --> 00:48:37.680

T'Shailyn Harrington: No, no.

466

00:48:41.040 --> 00:48:41.520

T'Shailyn Harrington: Thank you.

467

00:48:42.540 --> 00:48:49.950

T'Shailyn Harrington: So in our last night's dinner party we kind of alluded to it about creating.

468

00:48:51.150 --> 00:48:52.380

T'Shailyn Harrington: A million other hand up.

469

00:48:54.510 --> 00:48:59.370

Commissioner Ali (she/her/hers): Go ahead and say what you're gonna say I have a question just oh yeah.

470

00:48:59.430 --> 00:49:02.160

Commissioner Ali (she/her/hers): Later in this Commission, I just wanted to make sure I put my hand up so.

471

00:49:02.160 --> 00:49:03.900

Commissioner Ali (she/her/hers): I remember to ask it sorry.

472

00:49:04.470 --> 00:49:06.120

T'Shailyn Harrington: Okay, no you're good you're good.

473

00:49:08.910 --> 00:49:09.360

T'Shailyn Harrington: So.

474

00:49:10.410 --> 00:49:20.250

T'Shailyn Harrington: goes back to getting like initial comments about let's get some work done in these in these subcommittees like let's let's.

475

00:49:22.170 --> 00:49:35.700

T'Shailyn Harrington: band together a small group of three four Commissioners to a committee, however, we like decide that looks and let's let's get the work done in like bring these reports back to our formal meetings.

476

00:49:37.020 --> 00:50:00.630

T'Shailyn Harrington: Outside in the news is my personal thoughts on Bobby outside of the budget subcommittee or in also the next agenda item law subcommittee to review the police department development So besides those two, I think it, it would be important to also create committees about.

477

00:50:01.860 --> 00:50:03.000

T'Shailyn Harrington: Who are the.

478

00:50:04.260 --> 00:50:19.890

T'Shailyn Harrington: Experts are the national experts, we wish to see, and things like that, but, and I think those conversations own like what other committees can be formed grows out of US spending time having.

479

00:50:21.360 --> 00:50:22.950

T'Shailyn Harrington: sessions to do some stuff.

480

00:50:24.000 --> 00:50:30.210

T'Shailyn Harrington: Some strategic planning i'm sorry about the way in which we see.

481

00:50:32.160 --> 00:50:40.530

T'Shailyn Harrington: How we how we execute the charges that the Commission has has set before us, we have, we have the three overarching.

482

00:50:41.550 --> 00:51:04.410

T'Shailyn Harrington: goal, a fact finding and witness testimony and things like that, but how do we wish to do that we, I think we need to create a infrastructure or per se on how how we have those expectations and that may be the bylaws as well, but if we do strategic planning then from that we can.

483

00:51:06.390 --> 00:51:09.870

T'Shailyn Harrington: Have subcommittees and have to discussions about.

484

00:51:11.400 --> 00:51:15.210

T'Shailyn Harrington: What what topics and things that we want to look at.

485

00:51:17.280 --> 00:51:18.030

But.

486

00:51:19.440 --> 00:51:23.160

T'Shailyn Harrington: We have no Henry I will do, Commissioner Ali and then.

487

00:51:24.210 --> 00:51:30.270

T'Shailyn Harrington: Commissioner, Hamas and then we'll discuss the formation of a budget budget subcommittee.

488

00:51:33.660 --> 00:51:34.110

Commissioner Ali (she/her/hers): I.

489

00:51:36.390 --> 00:51:37.590

Commissioner Ali (she/her/hers): Can you guys all hear me.

490

00:51:38.790 --> 00:51:56.190

Commissioner Ali (she/her/hers): I can okay so um my only thing as it pertains to the Budget Committee um i'll be honest that's not where my heart is you know i'm not good with numbers I don't like looking at excel spreadsheets do not give me joy.

491

00:51:57.090 --> 00:52:10.200

Commissioner Ali (she/her/hers): So I just hope that or i'm wondering, that if we do have like a budget subcommittee and I know they meet outside of this are the things that are important to me as far as the budget goes, you know, do you think that.

492

00:52:11.040 --> 00:52:15.240

Commissioner Ali (she/her/hers): there's still a way that we can communicate with them is that is would it be okay to.

493

00:52:15.540 --> 00:52:29.370

Commissioner Ali (she/her/hers): Once we decide who this committee is correspond with them outside of these meetings and say hey you know, like for me personally My big thing about the budget is, I just want a lot of things invested back into our Community.

494

00:52:29.760 --> 00:52:39.900

Commissioner Ali (she/her/hers): um I would really like to utilize and put money into iowa city and not try to use outside of Johnson county entities.

495

00:52:40.920 --> 00:52:48.600

Commissioner Ali (she/her/hers): But I don't really have a passion for making you know the spreadsheets and figuring out what money goes where so.

496

00:52:48.960 --> 00:53:05.340

Commissioner Ali (she/her/hers): um with committees in in this Commission is that still going to be something that you know you perceive as being able to do well, like there'd be like a leader in charge of the committee and then we kind of just kind of what a committee looks like in general.

497

00:53:05.880 --> 00:53:09.030

Jesse Case: structurally recommended chair of the committee.

498

00:53:09.090 --> 00:53:10.590

Jesse Case: Of the subcommittee so somebody.

499

00:53:11.010 --> 00:53:12.300

Jesse Case: The information flows.

500

00:53:13.620 --> 00:53:25.740

Jesse Case: Some some direction, and then I don't and this might be another question for legal but I don't unless as long as you don't have a majority of the counselors right that, then it becomes a formal meeting in a in a public.

501

00:53:26.250 --> 00:53:35.520

Jesse Case: Meeting, but I don't think there's anything that would prevent you from communication if I think the city council has conversations all the time right.

502

00:53:36.090 --> 00:53:44.460

Jesse Case: Whether it's in the hallway or an informal meeting or people have to communicate between meetings, if the only time there's communication is you know.

503

00:53:45.030 --> 00:53:58.710

Jesse Case: Three hours every couple of weeks, while we're on TV here that it's not it's not productive and is is conducive to getting things

done so unless Eleanor has a different opinion, I think that absolutely people can.

504

00:54:00.150 --> 00:54:12.840

Jesse Case: You know connect with you, or you can send them, you know thoughts or whatever even attend the meeting just caution that and people could be on more than one committee I just caution that anytime you get a majority together to formal.

505

00:54:14.340 --> 00:54:15.330

Commissioner Ali (she/her/hers): yeah it has a.

506

00:54:15.630 --> 00:54:16.380

Commissioner Ali (she/her/hers): notice meal.

507

00:54:17.520 --> 00:54:18.840

Commissioner Ali (she/her/hers): For last right.

508

00:54:20.640 --> 00:54:20.970

Eleanor Dilkes: yeah.

509

00:54:21.570 --> 00:54:34.110

Eleanor Dilkes: that's right, I mean we talked about that early on, it is if there's five of you, together a quorum, then, that has to be an official meeting, and it has to be Minutes have to be taken, etc.

510

00:54:35.850 --> 00:54:42.000

Eleanor Dilkes: But in also subcommittees of an advisory committee, the Council are not considered.

511

00:54:43.020 --> 00:54:52.290

Eleanor Dilkes: governmental bodies so that subcommittee as long as it's less than five can communicate together without a problem.

512

00:54:59.010 --> 00:54:59.640

Jesse Case: named James.

513

00:55:02.550 --> 00:55:16.320

Raneem Hamad: hi um this is running speaking I brought this up almost like think three meetings ago or two meetings ago but I really think it's important, I agree that we do need to have subcommittees.

514

00:55:17.790 --> 00:55:21.120

Raneem Hamad: For just for the purpose of structure and I don't agree with that.

515

00:55:22.410 --> 00:55:28.260

Raneem Hamad: But I think it's really important that before we even break up into subcommittees that we have a discussion.

516

00:55:28.710 --> 00:55:38.610

Raneem Hamad: Like on the you know we have a foundational discussion on just transformative justice and our visions for transformative justice and how that is going to.

517

00:55:38.910 --> 00:55:52.500

Raneem Hamad: Be through what initiatives are we going to like aim for this goal of transformative justice because I don't think that there's a common ground idea of what projects and what initiatives we even want to have as a Commission that are based.

518

00:55:52.530 --> 00:55:54.210

T'Shailyn Harrington: Around the ideas of transitional.

519

00:55:54.570 --> 00:56:05.490

Raneem Hamad: or transformative justice um I think it's really important that we have a discussion on what we envision ourselves to do as a Commission, what initiatives we actually want to.

520

00:56:05.490 --> 00:56:07.230

Raneem Hamad: pursue and then break.

521

00:56:07.290 --> 00:56:09.480

Raneem Hamad: up into subcommittees with those.

522

00:56:09.840 --> 00:56:14.550

Raneem Hamad: You know, with that structure and, like the common idea vision goal and.

523

00:56:14.970 --> 00:56:21.810

Raneem Hamad: Like already created beforehand, so that we know what committees were breaking up to understand the budget one is obviously common sense, we need a Budget Committee.

524

00:56:22.260 --> 00:56:33.870

Raneem Hamad: But before we break off into other things we need to have specific like what are the substantial like physical manifestations of transformative justice that we plan for as a Commission.

525

00:56:34.290 --> 00:56:36.210

T'Shailyn Harrington: And I see people in the public arm.

526

00:56:36.300 --> 00:56:37.290

Raneem Hamad: want to speak well.

527

00:56:38.010 --> 00:56:38.640

Jesse Case: I think that.

528

00:56:38.670 --> 00:56:41.310

Jesse Case: that's right, I think we need to do more than one thing at a time.

529

00:56:42.450 --> 00:56:44.760

Jesse Case: If we're going to have conversations on.

530

00:56:45.000 --> 00:56:45.570

Yolanda Spears: i'm seeing.

531

00:56:47.010 --> 00:56:51.240

Stefanie Bowers: And formerly have everybody muted if they're not speaking, please.

532

00:56:51.570 --> 00:56:58.020

Jesse Case: I would recommend that we get bring in an expert to lead that discussion, because unless somebody hears comfortable leaving that discussion, we.

533

00:56:58.470 --> 00:57:08.280

Jesse Case: There are people out there and then in the country that actually do this for a living as lead, those discussions, so I would like to see the committee's meeting, if the Commission decides.

534

00:57:09.030 --> 00:57:21.150

Jesse Case: To have a conversation on transformative justice we bring in somebody to workshop that for us, that would be my recommendation, and you can you can do that and also just review our mission very, very closely with.

535

00:57:22.260 --> 00:57:30.870

Jesse Case: stephanie do you have that document to remind us what our mission is it and it's and I don't mean this very quickly, but.

536

00:57:31.650 --> 00:57:46.470

Jesse Case: You know that this tells us what committees and what you know kind of the direction this is the direction from the city council that looked comprehensively into its past and bear witness the truth of racial injustice, how are we going to do that and who's going to work on that.

537

00:57:47.760 --> 00:58:01.290

Jesse Case: stimulate difficult conversations and reach and engage a full cross section community and including those in the Community, not find engaging resist are resistant to the agent who's going to work on that and somebody's got to be thinking about that between me.

538

00:58:01.350 --> 00:58:02.220

Raneem Hamad: I think.

539

00:58:02.760 --> 00:58:16.410

Raneem Hamad: yeah I agree with that, but I think we need you to be more specific, like not just look at these ideas and break things like themes into three things we really need to sit down and have discussions on what are the programs that we want to have.

540

00:58:17.040 --> 00:58:19.890

Raneem Hamad: Like what do we see happening, and I see joe's hand.

541

00:58:21.870 --> 00:58:22.710

Raneem Hamad: Joe go ahead.

542

00:58:23.610 --> 00:58:34.230

Eleanor Dilkes: Can I just interrupt here for a minute I think this is a really good example of of how you're going to choose to control your meetings, there was a decision made to ask for public comment at the beginning of the meeting.

543

00:58:34.500 --> 00:58:44.760

Eleanor Dilkes: or the beginning of the item public comment was asked for and it's now it's time for Commission discussion as i've said before, if you want to take public comment anytime.

544

00:58:45.840 --> 00:58:51.330

Eleanor Dilkes: The public wants to comment you can do that, but you as a group, need to decide what that rule is.

545

00:58:55.410 --> 00:58:57.540

Raneem Hamad: I personally would like to hear what Joe has to say.

546

00:58:58.170 --> 00:59:01.800

Commissioner Ali (she/her/hers): yeah I also would like to hear what Joe has to say.

547

00:59:02.220 --> 00:59:11.910

Mohamed Traore: same as well and going forward let's just be sure to ask for public comment before we continue on with each agenda item will first discussion.

548

00:59:12.750 --> 00:59:13.170

yeah.

549

00:59:18.000 --> 00:59:18.600

Mr Joe.

550

00:59:28.140 --> 00:59:28.710

Eric Harris: he's muted.

551

00:59:29.070 --> 00:59:30.150

Raneem Hamad: you're muted.

552

00:59:37.410 --> 00:59:40.470

Joe Coulter: I apologize for interjecting this.

553

00:59:42.210 --> 00:59:45.000

Joe Coulter: The wrong place for public comment but.

554

00:59:46.110 --> 00:59:49.290

Joe Coulter: I am part native American and.

555

00:59:50.850 --> 00:59:56.970

Joe Coulter: I have served on the ad hoc diversity committee for the city of iowa city.

556

00:59:57.570 --> 00:59:59.130

Joe Coulter: And I have served.

557

00:59:59.550 --> 01:00:06.360

Joe Coulter: Six years have been partly is chairman of the Human Rights Commission in iowa city.

558

01:00:08.040 --> 01:00:11.880

Joe Coulter: And the suggestion that I would make and i'll keep this brief.

559

01:00:13.620 --> 01:00:15.450

Joe Coulter: Is that you.

560

01:00:17.220 --> 01:00:20.100

Joe Coulter: That the ad hoc tr see.

561

01:00:22.140 --> 01:00:23.010

Joe Coulter: Think about.

562

01:00:23.430 --> 01:00:24.420

T'Shailyn Harrington: breaking up.

563

01:00:24.540 --> 01:00:26.070

Joe Coulter: into four member.

564

01:00:28.350 --> 01:00:29.010

T'Shailyn Harrington: committees.

565

01:00:30.270 --> 01:00:30.390

T'Shailyn Harrington: and

566

01:00:30.510 --> 01:00:32.190

Joe Coulter: subcommittees if you wish.

567

01:00:34.560 --> 01:00:35.790

T'Shailyn Harrington: Law enforcement.

568

01:00:36.570 --> 01:00:38.100

Joe Coulter: That deal with housing and.

569

01:00:38.100 --> 01:00:42.360

Joe Coulter: homelessness that deal with education issues.

570

01:00:43.380 --> 01:00:56.340

Joe Coulter: and deal with the budget and there may be another committee, and if you do this in such a way, where you have only four members of that.

571

01:00:57.990 --> 01:01:00.750

Joe Coulter: committee or that sub committee.

572

01:01:02.520 --> 01:01:05.730

Joe Coulter: You will be able to hold public.

573

01:01:06.960 --> 01:01:14.760

Joe Coulter: forums and and me, and without violating the law or the the rules.

574

01:01:16.530 --> 01:01:19.050

Joe Coulter: The public law rules.

575

01:01:20.190 --> 01:01:24.750

Joe Coulter: about things so i'm just suggesting that.

576

01:01:26.100 --> 01:01:31.620

Joe Coulter: You put on the agenda for next time is what kind of committees do you want.

577

01:01:32.730 --> 01:01:36.030

Joe Coulter: And limit them to four people and.

578

01:01:38.670 --> 01:01:54.000

Joe Coulter: Get recommendations at each meeting from each of those committees that the whole Commission, then, can consider and decide whether they need to be modified or to go ahead, or whatever.

579

01:01:55.230 --> 01:01:55.650

Joe Coulter: Thank you.

580

01:01:56.490 --> 01:01:57.240

Raneem Hamad: Thank you, Joe.

581

01:01:58.080 --> 01:01:59.610

Joe Coulter: I say bye mommy na.

582

01:01:59.640 --> 01:02:00.690  
T'Shailyn Harrington: gwathmey num.

583

01:02:01.590 --> 01:02:05.640  
Joe Coulter: Later, again, I will see you Indians and never say goodbye.

584

01:02:06.780 --> 01:02:07.920  
Commissioner Ali (she/her/hers): Thank you so much.

585

01:02:12.420 --> 01:02:14.310  
T'Shailyn Harrington: I think i'm.

586

01:02:16.260 --> 01:02:16.980  
T'Shailyn Harrington: In a way, that.

587

01:02:17.010 --> 01:02:21.480  
T'Shailyn Harrington: Each Commissioner has been dancing around the same understanding and the same desire.

588

01:02:24.450 --> 01:02:32.940  
T'Shailyn Harrington: Commissioner hermano wishing for to have conversations about transformative justice and what that truly means me saying.

589

01:02:33.990 --> 01:02:39.870  
T'Shailyn Harrington: There, there should be a structure in place in focusing on.

590

01:02:41.880 --> 01:02:50.670  
T'Shailyn Harrington: institution that was was the first term that I have thrown out many, many meetings ago was like focusing on different institutions and.

591

01:02:51.840 --> 01:03:06.210  
T'Shailyn Harrington: And joe's comment of like looking at low looking at housing looking at this match, I think that that goes into and it's the same across the board, that we all wish to like client focus areas.

592

01:03:07.290 --> 01:03:13.410  
T'Shailyn Harrington: To to see to cover the truth of thing and.

593

01:03:14.850 --> 01:03:20.910

T'Shailyn Harrington: And we do so, we must need to have a structure infrastructure, all in place in.

594

01:03:22.410 --> 01:03:24.420

T'Shailyn Harrington: that's great yes, Commission.

595

01:03:26.160 --> 01:03:28.920

Raneem Hamad: So, could we possibly have a discussion.

596

01:03:28.950 --> 01:03:30.480

Raneem Hamad: Of visions.

597

01:03:30.510 --> 01:03:39.390

Raneem Hamad: For transitional slash transformative justice to be added to next meetings agenda and then also like how that breakdown created like you said as well.

598

01:03:43.560 --> 01:03:44.880

Mohamed Traore: I would like to second that motion.

599

01:03:46.110 --> 01:03:46.830

Royceann Porter: I would like to say.

600

01:03:51.690 --> 01:03:52.080

Royceann Porter: Hello.

601

01:03:52.560 --> 01:03:53.730

T'Shailyn Harrington: yeah yeah.

602

01:03:54.750 --> 01:03:57.360

Royceann Porter: I actually will agree with me, because of the simple.

603

01:03:57.360 --> 01:03:57.750

Royceann Porter: fact.

604

01:03:58.470 --> 01:03:59.010

T'Shailyn Harrington: I think.

605

01:03:59.190 --> 01:04:07.710

Royceann Porter: In order to get something on the budget, we can literally request it in our meetings for it to be put on the next agenda item.

606

01:04:13.620 --> 01:04:15.060

Jesse Case: and definitely do you have those.

607

01:04:15.060 --> 01:04:16.800

T'Shailyn Harrington: Two things that are ronnie.

608

01:04:19.440 --> 01:04:20.610

Stefanie Bowers: I do thank you.

609

01:04:23.850 --> 01:04:24.930

T'Shailyn Harrington: My name is ronnie.

610

01:04:25.290 --> 01:04:26.970

Raneem Hamad: Not raw like.

611

01:04:27.360 --> 01:04:29.580

T'Shailyn Harrington: it's just running running yeah.

612

01:04:33.360 --> 01:04:33.720

T'Shailyn Harrington: Would.

613

01:04:34.560 --> 01:04:35.130

Mohamed Traore: would be hard.

614

01:04:35.280 --> 01:04:36.750

Mohamed Traore: For me, to send the roll call vote.

615

01:04:37.080 --> 01:04:37.890

Mohamed Traore: Due to the second.

616

01:04:39.030 --> 01:04:41.280

Commissioner Ali (she/her/hers): yeah I was gonna say was it wasn't very clear any.

617

01:04:42.750 --> 01:04:43.470

T'Shailyn Harrington: motion.

618

01:04:43.590 --> 01:04:45.870

Raneem Hamad: i'll make a motion to have.

619

01:04:46.170 --> 01:05:00.180

Raneem Hamad: visions of transitional transformative justice be added to the next meetings agenda and followed by a creation of like the four categories of committees.

620

01:05:02.760 --> 01:05:03.990

Mohamed Traore: Oh it's like the second that motion.

621

01:05:06.300 --> 01:05:07.680

T'Shailyn Harrington: stephanie i'll take roll call.

622

01:05:11.400 --> 01:05:12.240

Stefanie Bowers: Okay, thank you.

623

01:05:14.880 --> 01:05:16.590

T'Shailyn Harrington: hold on one second when we get those lists.

624

01:05:18.150 --> 01:05:19.230

T'Shailyn Harrington: Commissioner Ali.

625

01:05:20.730 --> 01:05:21.270

T'Shailyn Harrington: Yes.

626

01:05:23.460 --> 01:05:25.560

T'Shailyn Harrington: Commissioner current yes.

627

01:05:45.360 --> 01:05:47.490

T'Shailyn Harrington: missionary hair yes.

634

01:05:49.080 --> 01:05:51.180

T'Shailyn Harrington: Commissioner Rivera yes.

635

01:05:53.070 --> 01:05:54.120

T'Shailyn Harrington: Commissioner Troy.

636

01:05:55.740 --> 01:05:56.220

Mohamed Traore: Yes.

637

01:05:58.230 --> 01:06:00.570

T'Shailyn Harrington: Definitely helped me as a yes as well.

638

01:06:01.380 --> 01:06:02.010

T'Shailyn Harrington: Okay, thank you.

639

01:06:03.180 --> 01:06:04.230

Jesse Case: who's going to lead that.

640

01:06:05.700 --> 01:06:07.320

Jesse Case: Do we need to reach out to.

641

01:06:07.380 --> 01:06:09.360

Jesse Case: Do we need, would you like me to.

642

01:06:11.370 --> 01:06:13.440

Jesse Case: touch basis how many meetings by.

643

01:06:14.610 --> 01:06:19.200

Jesse Case: lead that discussion, I know we were contact, this is going to bring this up later by.

644

01:06:20.580 --> 01:06:28.020

Jesse Case: Eduardo Gonzales was has reached out he I think he reached out to his Commission before he's.

645

01:06:29.040 --> 01:06:33.210

Jesse Case: We want to get a couple people experts on the tlc.

646

01:06:33.960 --> 01:06:34.920

T'Shailyn Harrington: He did.

647

01:06:36.150 --> 01:06:36.390

Jesse Case: That.

648

01:06:36.510 --> 01:06:41.640

Jesse Case: to lead that discussion or do I, how do you want to proceed and what do you want me to do to facilitate that.

649

01:06:43.470 --> 01:06:52.170

Jesse Case: We want to just bring him in or do you want to get other people that then we just review their bios between meetings and hopefully somebody can make it next week or do we want.

650

01:06:52.740 --> 01:06:53.250

Raneem Hamad: I can.

651

01:06:53.640 --> 01:06:56.700

Raneem Hamad: Also, possibly have some time to I have a lot of materials on.

652

01:06:56.700 --> 01:06:58.350

Raneem Hamad: transformative justice that I can also.

653

01:06:58.350 --> 01:06:59.550

Raneem Hamad: Like prepare and send.

654

01:06:59.550 --> 01:07:00.120

Anthony Currin: out to.

655

01:07:00.510 --> 01:07:02.310

Raneem Hamad: Commissioners and videos that we can play.

656

01:07:02.310 --> 01:07:02.670

Raneem Hamad: During.

657

01:07:02.700 --> 01:07:03.870

Raneem Hamad: Commission meeting possibly as.

658

01:07:03.870 --> 01:07:08.490

Raneem Hamad: Well, so I just would just need some time to like collect all my resources together.

659

01:07:12.330 --> 01:07:14.610

Stefanie Bowers: Okay, can you see me in that to.

660

01:07:14.640 --> 01:07:16.440

Stefanie Bowers: Commissioner, of my just so I can make sure.

661

01:07:16.440 --> 01:07:17.940

Stefanie Bowers: That we have a proper setup.

662

01:07:20.100 --> 01:07:20.580

Stefanie Bowers: Thank you.

663

01:07:24.690 --> 01:07:28.050

Jesse Case: So what allows you to prepare for this discussion we're having.

664

01:07:28.080 --> 01:07:28.530

T'Shailyn Harrington: Oh yeah.

665

01:07:29.790 --> 01:07:31.650

T'Shailyn Harrington: I personally think that.

666

01:07:33.030 --> 01:07:35.760

T'Shailyn Harrington: it's best to have a.

667

01:07:37.350 --> 01:07:40.830

T'Shailyn Harrington: Think professional is the long term, but to have.

668

01:07:43.290 --> 01:07:49.560

T'Shailyn Harrington: Someone with the the the knowledge and about racial equity in.

669

01:07:50.580 --> 01:07:51.450

T'Shailyn Harrington: Any quality.

670

01:07:53.100 --> 01:07:58.230

T'Shailyn Harrington: To to pretty much guide us through the understanding of.

671

01:08:00.720 --> 01:08:02.280

T'Shailyn Harrington: The agenda items.

672

01:08:03.300 --> 01:08:05.700

T'Shailyn Harrington: And I personally think.

673

01:08:07.050 --> 01:08:09.360

T'Shailyn Harrington: Eduardo would be a great resource.

674

01:08:10.620 --> 01:08:21.600

T'Shailyn Harrington: To reach out to but also, I think there's been mentioned been mentioned in meetings prior but royston in mind, we.

675

01:08:23.100 --> 01:08:37.800

T'Shailyn Harrington: attended like an all day long webinar that was hosted by many, many, many individuals around the country and I will say around the world, there are people from Ireland and South Africa on the call.

676

01:08:38.520 --> 01:08:53.010

T'Shailyn Harrington: That had knowledge of your see in things like that, so I think it would be worth also reaching out to one or two of those names as well and asking them what they be interested but.

677

01:08:53.670 --> 01:09:06.480

T'Shailyn Harrington: Aside from finding the people who can join arm or four meetings to have the conversation it's also what questions do we want to know the answers to.

678

01:09:07.950 --> 01:09:15.720

T'Shailyn Harrington: To help to help us have a baseline and common understanding to go for forward so.

679

01:09:17.790 --> 01:09:19.740

T'Shailyn Harrington: I think yeah yeah.

680

01:09:21.150 --> 01:09:23.280

Jesse Case: Do you want to do in racing want to reach out to the.

681

01:09:23.280 --> 01:09:32.310

Jesse Case: People that sponsor the webinar to see if they can, if they're in you know just to get more information on that and people want me to reach upward Eduardo and do people want to.

682

01:09:33.900 --> 01:09:39.060

Jesse Case: How do you want to facilitate the questions that people have do you want to send them stuff me or me or.

683

01:09:39.180 --> 01:09:40.800

Raneem Hamad: I have an idea let's see.

684

01:09:42.360 --> 01:09:51.900

Raneem Hamad: i'm a commotion for this as well that we have that we basically have send an invite out invitations out to anyone.

685

01:09:53.430 --> 01:10:05.370

Raneem Hamad: To come basically and give five minute presentations on transformative justice, I know the working group with the University of iowa Center for human rights, who helped us helped me create the mandate.

686

01:10:05.370 --> 01:10:06.030

Raneem Hamad: itself would.

687

01:10:06.090 --> 01:10:06.510

Be.

688

01:10:07.560 --> 01:10:10.410

Raneem Hamad: would be willing to come and speak and do a presentation as well.

689

01:10:11.010 --> 01:10:13.350

Raneem Hamad: Under like like Eduardo could come in and give a.

690

01:10:13.350 --> 01:10:16.170

Raneem Hamad: five minute presentation and we can just share that invitation out.

691

01:10:16.470 --> 01:10:19.560

Raneem Hamad: With folks and just have presenters.

692

01:10:19.560 --> 01:10:19.980

Raneem Hamad: In.

693

01:10:20.100 --> 01:10:20.670

T'Shailyn Harrington: come in and.

694

01:10:20.790 --> 01:10:21.540

Raneem Hamad: Like give quick.

695

01:10:21.630 --> 01:10:32.220

Raneem Hamad: five minute presentations on historical examples of tr sees, whether in South Africa or Latin America and then also just like key concepts about transformative.

696

01:10:32.220 --> 01:10:32.970

justice.

697

01:10:47.040 --> 01:10:48.360

Commissioner Ali (she/her/hers): I just was gonna.

698

01:10:49.980 --> 01:10:58.470

Commissioner Ali (she/her/hers): Ask if we were still we're kind of talking about like the historical context of PRC wanted to make sure that we kind of stayed.

699

01:10:58.950 --> 01:10:59.400

Latisha McDaniel-Grife: Actually.

700

01:10:59.640 --> 01:11:01.080

Commissioner Ali (she/her/hers): We were forming a.

701

01:11:01.230 --> 01:11:01.980

Commissioner Ali (she/her/hers): Budget.

702

01:11:02.280 --> 01:11:11.640

Commissioner Ali (she/her/hers): committee or if we're kind of more towards agenda item number a which is finding national experts.

703

01:11:12.720 --> 01:11:25.380

Commissioner Ali (she/her/hers): that are on the subject matter it's just it's just kind of a little frustrating just because I had questions about the formation of the Subcommittee, but then I also do have a vested interest in the formation of the other Subcommittee, so I just.

704

01:11:25.380 --> 01:11:26.040  
wanted to know.

705

01:11:27.270 --> 01:11:32.670  
Commissioner Ali (she/her/hers): If we could get yeah where we're at  
figured out a little bit better.

706

01:11:35.760 --> 01:11:37.800  
Jesse Case: So these are connected rights as we talked.

707

01:11:38.430 --> 01:11:40.740  
Jesse Case: About subcommittees and then need experts in order.

708

01:11:40.740 --> 01:11:44.970  
Jesse Case: Good what I, I agree, I think you might want to get back, I  
think.

709

01:11:46.320 --> 01:11:54.030  
Jesse Case: Again, it goes back to doing more than one thing at a time, I  
think we can form subcommittees move forward while we're planning next  
week's agenda so we're.

710

01:11:54.120 --> 01:11:57.330  
Jesse Case: So there's some movement between meetings, while we're  
planning.

711

01:11:57.360 --> 01:11:59.520  
T'Shailyn Harrington: Education and training.

712

01:12:01.230 --> 01:12:10.800  
Jesse Case: So maybe maybe for and I apologize if i'm making people jump  
around i'm not i'm just trying to get a handle on to, but if maybe we can  
go back and form a couple committees.

713

01:12:10.860 --> 01:12:11.970  
So at least there are.

714

01:12:14.040 --> 01:12:15.240  
Jesse Case: We at least something's going to.

715

01:12:15.240 --> 01:12:16.500  
happen between meetings.

716

01:12:20.610 --> 01:12:23.820

T'Shailyn Harrington: i'm Jessie How would you suggest that we proceed with.

717

01:12:26.430 --> 01:12:26.880

T'Shailyn Harrington: This.

718

01:12:28.560 --> 01:12:36.390

T'Shailyn Harrington: agenda item with the subcommittee's should we just go ahead and form form one or yeah I would take volunteers.

719

01:12:38.250 --> 01:12:40.890

Commissioner Ali (she/her/hers): Running head Oh yes, yes.

720

01:12:42.810 --> 01:12:47.460

Commissioner Ali (she/her/hers): Nina emotion and I wanted to second it, but I just didn't know if steph got that.

721

01:12:47.490 --> 01:12:48.150

Stefanie Bowers: minute.

730

01:13:12.930 --> 01:13:15.480

753  
01:14:47.040 --> 01:14:47.280  
Jesse Case: If.

754  
01:14:47.580 --> 01:14:51.720  
Jesse Case: Muhammad or wants to share committee or somebody should volunteer the.

755  
01:14:51.720 --> 01:14:53.190

Jesse Case: chair committee that's.

756

01:14:53.640 --> 01:14:54.870

Jesse Case: has an interest in that.

757

01:14:54.930 --> 01:14:57.690

Jesse Case: And then we get a couple volunteers and then you just.

758

01:14:58.200 --> 01:14:59.430

759

01:14:59.910 --> 01:15:04.230

Jesse Case: need offline to meet tomorrow meet next week, whenever and talk about it and bring back.

760

01:15:04.260 --> 01:15:05.130

Jesse Case: Some discussion.

761

01:15:06.150 --> 01:15:06.870

Commissioner Ali (she/her/hers): and

762

01:15:06.900 --> 01:15:08.160

T'Shailyn Harrington: This is Muhammad here.

763

01:15:08.190 --> 01:15:09.330

Mohamed Traore: I would just like to ask if.

764

01:15:09.330 --> 01:15:11.160

Mohamed Traore: we're going to be a suggestion.

765

01:15:11.190 --> 01:15:12.060

T'Shailyn Harrington: chairs for committees.

766

01:15:12.300 --> 01:15:14.760

Mohamed Traore: Would this be something we'd motion and then vote on or we.

767

01:15:14.880 --> 01:15:16.020

Mohamed Traore: Just be picking that.

768

01:15:20.640 --> 01:15:21.840

Jesse Case: Thank you, I think you.

769

01:15:22.500 --> 01:15:23.700

Jesse Case: know you can volunteer.

770

01:15:24.210 --> 01:15:24.480

Commissioner Ali (she/her/hers): yeah.

771

01:15:24.750 --> 01:15:26.310

Jesse Case: No one wants to chair.

772

01:15:26.370 --> 01:15:28.200

Jesse Case: You can work it out informally or.

773

01:15:28.290 --> 01:15:29.580

Jesse Case: If it goes to a vote it goes.

774

01:15:30.060 --> 01:15:31.530

T'Shailyn Harrington: But I mean.

775

01:15:31.680 --> 01:15:35.130

Jesse Case: Unless somebody else wants to share the Budget Committee.

776

01:15:35.910 --> 01:15:36.960

Eric Harris: Know he'd done all the work.

777

01:15:37.710 --> 01:15:44.910

Mohamed Traore: it's time actually at this time, I would like to say that I would like to have a commissioner macho the Budget Committee.

778

01:15:49.380 --> 01:15:49.740

Commissioner.

779

01:15:50.970 --> 01:15:53.670

Raneem Hamad: Sure, I don't mind sharing the Budget Committee.

780

01:15:54.090 --> 01:16:03.210

Raneem Hamad: But is that in the police and committee so i'm not really sure can I have some time to think about the position I guess.

781

01:16:04.410 --> 01:16:06.870

Jesse Case: Why don't you form a committee and then you can decide who chairs are.

782

01:16:06.900 --> 01:16:07.380

yeah.

783

01:16:08.400 --> 01:16:09.360

Raneem Hamad: I don't mind being.

784

01:16:09.480 --> 01:16:10.920

Raneem Hamad: And I don't mind being in that yeah.

785

01:16:11.400 --> 01:16:13.290

Jesse Case: just get three or four people who are.

786

01:16:13.470 --> 01:16:13.950

Commissioner Ali (she/her/hers): willing to.

787

01:16:14.460 --> 01:16:20.640

Jesse Case: Talk about it in the next couple weeks and flesh out some ideas and you can maybe you don't need a chair, maybe it's just a group.

788

01:16:20.790 --> 01:16:27.150

Raneem Hamad: yeah honestly I prefer non hierarchical leadership, so I don't I prefer not to be a chair, but yes.

789

01:16:27.330 --> 01:16:31.320

Jesse Case: Some somebody just needs to be a point person for stephanie and me so.

790

01:16:32.400 --> 01:16:34.080

Commissioner Ali (she/her/hers): How would you like to do that.

791

01:16:34.740 --> 01:16:36.060

Mohamed Traore: i'll do that, then, in that case.

792

01:16:36.780 --> 01:16:43.260

Commissioner Ali (she/her/hers): Who else wants to be on the committee for the budget is anyone.

793

01:16:49.620 --> 01:16:50.430

Commissioner Ali (she/her/hers): Beyond on it.

794

01:16:51.000 --> 01:17:07.110

Commissioner Ali (she/her/hers): um I just don't want to be in charge of it my interest realizing the police department, so I would be happy to give my input and help facilitate conversations um but yeah I don't want to be in charge of it by any means.

795

01:17:11.760 --> 01:17:14.580

Mohamed Traore: I wanted, we end up I don't want to be in the budget.

796

01:17:15.570 --> 01:17:17.850

Mohamed Traore: If we end up with fewer members, then for.

797

01:17:17.940 --> 01:17:23.400

Mohamed Traore: On a Budget Committee as well, this could be a situation where we could really look tab public comment and.

798

01:17:23.640 --> 01:17:28.650

Mohamed Traore: People from the public participating in that and also trying to bring in like Community business leaders.

799

01:17:29.130 --> 01:17:33.570

Mohamed Traore: And people in the school district as well in these conversations and meetings.

800

01:17:34.830 --> 01:17:41.280

Jesse Case: and extending the budget if the Council approves extending the timeline 45 days it gives you some time to look at other budgets and.

801

01:17:42.720 --> 01:17:44.550

Jesse Case: So I think we're not under the.

802

01:17:45.210 --> 01:17:46.440

Jesse Case: pressures we were.

803

01:17:48.420 --> 01:17:49.020

Jesse Case: Going into this.

804

01:17:49.920 --> 01:17:50.340

Commissioner Ali (she/her/hers): yeah.

805

01:17:50.430 --> 01:17:51.690

Commissioner Ali (she/her/hers): And Mohammed and.

806

01:17:51.720 --> 01:17:53.460

Commissioner Ali (she/her/hers): I know i'm.

807

01:17:53.700 --> 01:18:01.620

Commissioner Ali (she/her/hers): Some contacts and the Human Rights Commission that have done a lot of work with grants and working with budgets and stuff like that, so I can help get those.

808

01:18:01.770 --> 01:18:04.260

Commissioner Ali (she/her/hers): conversation started and maybe we can have.

809

01:18:04.260 --> 01:18:08.190

Commissioner Ali (she/her/hers): something substantial to come up with by the next meeting.

810

01:18:10.050 --> 01:18:13.200

Jesse Case: I know i'm speaking a lot this meeting I hope not too.

811

01:18:14.370 --> 01:18:24.450

Jesse Case: much information from other committees, whatever you can form one committee, you can form three committees, you could go slow as long as some things are moving forward only.

812

01:18:27.510 --> 01:18:28.080

Commissioner Ali (she/her/hers): had his hand.

813

01:18:28.890 --> 01:18:29.760

Commissioner Rivera (he|she|they): yeah this is.

814

01:18:30.960 --> 01:18:34.440

Commissioner Rivera (he|she|they): absent other interested Commissioners also train the Budget Committee.

815

01:18:39.420 --> 01:18:50.670

T'Shailyn Harrington: So just to review we have Commissioner MOD Commissioner tree or a Commissioner hourly and Commissioner Rivera for the budget Commission committee subcommittee.

816

01:18:51.630 --> 01:18:53.160

T'Shailyn Harrington: that's correct okay sounds good.

817

01:18:55.530 --> 01:18:59.910

T'Shailyn Harrington: Are there any other comments from Commissioners on this agenda item.

818

01:19:02.910 --> 01:19:03.090

Now.

819

01:19:05.460 --> 01:19:06.600

T'Shailyn Harrington: We will be moving.

820

01:19:08.790 --> 01:19:09.840

T'Shailyn Harrington: What about the police.

821

01:19:12.930 --> 01:19:13.440

Eric Harris: Left next.

822

01:19:15.450 --> 01:19:16.260

T'Shailyn Harrington: that's the next one.

823

01:19:19.140 --> 01:19:36.840

T'Shailyn Harrington: So, the next item on the agenda is the creation of a subcommittee to review the preliminary plan to restructure the iowa city police department, I would like to open this up to the public, is there any members of the public that wish to comment on this agenda item.

824

01:19:41.700 --> 01:19:42.870

Commissioner Rivera (he|she|they): I see Mr coulter's hand.

825

01:19:55.320 --> 01:19:57.660

Commissioner Rivera (he|she|they): Mr coulter i'd like to invite you to speak for there you go.

826

01:19:58.110 --> 01:20:01.830

Joe Coulter: i'm sorry i'm a little slow and i'm muting myself.

827

01:20:02.970 --> 01:20:08.190

Joe Coulter: Yes, I think what you're doing is very good you've got a Budget Committee now.

828

01:20:08.670 --> 01:20:09.720

T'Shailyn Harrington: And you.

829

01:20:09.930 --> 01:20:17.250

Joe Coulter: need to keep the membership below five people it's got to be for people okay.

830

01:20:18.960 --> 01:20:27.060

Joe Coulter: That allows you to go out and meet together and collect public input and all kinds of things.

831

01:20:28.230 --> 01:20:32.370

Joe Coulter: Which if you got five you're going to be in trouble so.

832

01:20:33.300 --> 01:20:34.350

T'Shailyn Harrington: Make it for.

833

01:20:37.110 --> 01:20:38.820

Joe Coulter: People can serve on multiple.

834

01:20:38.820 --> 01:20:40.410

Joe Coulter: committees and.

835

01:20:41.310 --> 01:20:44.490

Joe Coulter: I think you all, are doing good so Keep it up.

836

01:20:45.840 --> 01:20:46.740

Commissioner Ali (she/her/hers): Thank you, Joe.

837

01:20:47.130 --> 01:20:47.520

Eric Harris: Thank you.

838

01:20:48.630 --> 01:20:50.310

T'Shailyn Harrington: Thank you Nicholas.

839

01:20:59.940 --> 01:21:01.470

Commissioner Ali (she/her/hers): you're still muted Nicholas.

840

01:21:07.020 --> 01:21:09.420

Nicholas Theisen: Sorry, I wasn't able to unmute myself.

841

01:21:11.850 --> 01:21:16.680

Nicholas Theisen: So, specifically with regard to a committee around on.

842

01:21:17.490 --> 01:21:29.250

Nicholas Theisen: city managers plan, I just want to strongly suggest to whoever I have no objection to it, I think it's a good idea, but I do want to strongly suggest to whoever does end up on that committee.

843

01:21:29.820 --> 01:21:38.190

Nicholas Theisen: But one of the major problems with the entire like feedback system so far for the city managers plan is that.

844

01:21:38.730 --> 01:21:49.230

Nicholas Theisen: It kind of hasn't been responsive to Community feedback really at all, I mean the So if you look at the document that the city manager produced it's it contains.

845

01:21:50.190 --> 01:21:56.820

Nicholas Theisen: Both a sort of summary and then also an actual like typescript of all the comments that people gave at the listening sessions.

846

01:21:57.300 --> 01:22:02.640

Nicholas Theisen: And the picture that that paints versus the picture that the report itself paints.

847

01:22:03.300 --> 01:22:10.290

Nicholas Theisen: Like they're completely different things, and so I think it's really important when you're getting public feedback.

848

01:22:10.740 --> 01:22:22.470

Nicholas Theisen: To find a way to actually get that into the proposal because there seems to be a real disconnect there that's my only suggestion like I said, the committee itself seems like a very good idea, so thank you.

849

01:22:25.440 --> 01:22:26.520

Commissioner Ali (she/her/hers): Thanks Nicholas.

850

01:22:27.930 --> 01:22:28.230

Commissioner Ali (she/her/hers): and

851

01:22:28.260 --> 01:22:31.980

Commissioner Ali (she/her/hers): It looks like Emilia Roberts Can you see that to shaolin.

852

01:22:38.280 --> 01:22:39.090

Commissioner Ali (she/her/hers): amelia.

853

01:22:41.700 --> 01:22:42.570

Emilia Roberts: hi sorry.

854

01:22:43.470 --> 01:22:45.810

Emilia Roberts: I would just like to second everything that Nicholas.

855

01:22:45.900 --> 01:22:49.590

Emilia Roberts: On just said, I still would like to give Joe a huge thank you because I think.

856

01:22:49.650 --> 01:22:51.300

T'Shailyn Harrington: These are really good ideas, especially.

857

01:22:51.720 --> 01:23:04.440

Emilia Roberts: surrounding like the housing issues and policing be I really just want a second i'm with Nicholas second kind of add on to how flawed the firm plan even is to begin with.

858

01:23:05.130 --> 01:23:10.470

Emilia Roberts: I think that's something that really needs to be looked at, especially regarding the public feedback, because we know.

859

01:23:10.950 --> 01:23:13.470

Emilia Roberts: We very much know look feedback was not.

860

01:23:13.560 --> 01:23:22.050

Emilia Roberts: included at all in this making the budget and I also I, this will probably happen anyways but also really like to see her name on that.

861

01:23:23.100 --> 01:23:30.060

Emilia Roberts: In that kind of group just somebody that is an ifr REP that I think is really important to me to have on there, so thank you.

862

01:23:38.160 --> 01:23:38.520

T'Shailyn Harrington: and

863

01:23:40.200 --> 01:23:40.590

T'Shailyn Harrington: Lena.

864

01:23:42.030 --> 01:23:42.690

Commissioner Ali (she/her/hers): angie.

865

01:23:50.790 --> 01:23:52.110

Angelina Rae Jordan: Okay, can you guys hear me.

866

01:23:52.710 --> 01:23:53.610

T'Shailyn Harrington: yeah yeah.

867

01:23:54.300 --> 01:23:55.290

T'Shailyn Harrington: Okay um.

868

01:23:55.680 --> 01:23:59.370

Angelina Rae Jordan: i'm not 100% sure, but I just wanted to bring it into tier sees.

869

01:23:59.370 --> 01:24:00.780

Angelina Rae Jordan: A kind of radar.

870

01:24:00.810 --> 01:24:08.160

Angelina Rae Jordan: I believe the City Council is working with nonprofits you know the organizations to do contracted.

871

01:24:08.190 --> 01:24:09.450

T'Shailyn Harrington: out outreach.

872

01:24:10.200 --> 01:24:11.400

Angelina Rae Jordan: On this topic.

873

01:24:11.880 --> 01:24:24.120

Angelina Rae Jordan: So just just putting that into your awareness again i'm not 100% sure what that looks like or where they're at but they might already have contracted or spoken with you know folks at dream city or neighborhood centers that can have.

874

01:24:24.150 --> 01:24:25.110

T'Shailyn Harrington: A direct pulse.

875

01:24:25.440 --> 01:24:27.390

Angelina Rae Jordan: On folks in gaining.

876

01:24:27.810 --> 01:24:30.120

T'Shailyn Harrington: Information so just find that out, I think you.

877

01:24:32.490 --> 01:24:33.390

Commissioner Ali (she/her/hers): Thanks angie.

878

01:24:34.500 --> 01:24:35.340

T'Shailyn Harrington: Thank you angie.

879

01:24:38.250 --> 01:24:43.170

T'Shailyn Harrington: Alright i'm Nicholas you have your hand up again, did you want to comment again.

880

01:24:47.460 --> 01:24:48.090

Commissioner Ali (she/her/hers): Then same with the.

881

01:24:52.170 --> 01:24:53.160

T'Shailyn Harrington: Commissioner ali's.

882

01:24:55.980 --> 01:24:56.910

Commissioner Ali (she/her/hers): Can you guys hear me.

883

01:24:58.590 --> 01:25:01.260

Commissioner Ali (she/her/hers): hmm um so.

884

01:25:02.700 --> 01:25:22.080

Commissioner Ali (she/her/hers): The, this is about the preliminary plan to restructure the police department, and I would like to ask to either like be in charge of this committee or also work with running to lead this committee i've already like outside of this condition i've already started doing the work.

885

01:25:22.110 --> 01:25:23.550

T'Shailyn Harrington: and engaging with.

886

01:25:24.900 --> 01:25:30.360

Commissioner Ali (she/her/hers): Male black males that are my age that grew up in this Community.

887

01:25:31.080 --> 01:25:32.880

Commissioner Ali (she/her/hers): As well as Mohammed was also involved.

888

01:25:32.880 --> 01:25:34.320

Commissioner Ali (she/her/hers): In that conversation.

889

01:25:34.650 --> 01:25:36.750

T'Shailyn Harrington: I facilitated conversations.

890

01:25:36.840 --> 01:25:38.370

Commissioner Ali (she/her/hers): Between like the Council REP.

891

01:25:39.420 --> 01:25:41.040

T'Shailyn Harrington: Who has also worked with.

892

01:25:41.040 --> 01:25:41.430

Commissioner Ali (she/her/hers): The.

893

01:25:41.460 --> 01:25:44.580

Commissioner Ali (she/her/hers): Johnson county emergency communications.

894

01:25:46.470 --> 01:25:47.100

Commissioner Ali (she/her/hers): area.

895

01:25:47.160 --> 01:25:49.410

Commissioner Ali (she/her/hers): And i've reached out to.

896

01:25:50.250 --> 01:25:52.470

T'Shailyn Harrington: A few people within the.

897

01:25:54.420 --> 01:25:57.090

Commissioner Ali (she/her/hers): I was city like public defender's office.

898

01:25:57.150 --> 01:25:58.290

Commissioner Ali (she/her/hers): i've been working on this.

899

01:25:58.290 --> 01:26:05.640

Commissioner Ali (she/her/hers): extensively outside of the tlc and really passionate about it, and I think that.

900

01:26:06.720 --> 01:26:07.770

Commissioner Ali (she/her/hers): We really.

901  
01:26:07.800 --> 01:26:08.790  
need to get.

902  
01:26:09.870 --> 01:26:11.850  
Commissioner Ali (she/her/hers): A statement made regarding these.

903  
01:26:11.850 --> 01:26:25.110  
Commissioner Ali (she/her/hers): Not only the preliminary plan to restructure the police department, because that's not the only vein there also is an ocr report from the things that happened on June third that they haven't even really began discussing.

904  
01:26:26.880 --> 01:26:27.330  
Commissioner Ali (she/her/hers): and

905  
01:26:27.360 --> 01:26:28.290  
T'Shailyn Harrington: So I just I.

906  
01:26:28.320 --> 01:26:31.560  
Commissioner Ali (she/her/hers): think that these are all extremely important things I would love to be.

907  
01:26:31.560 --> 01:26:37.110  
Commissioner Ali (she/her/hers): On this committee, because this is other than the Community school district.

908  
01:26:37.140 --> 01:26:38.100  
Commissioner Ali (she/her/hers): This is your.

909  
01:26:38.550 --> 01:26:44.220  
Commissioner Ali (she/her/hers): heart is at as far as helping make positive change in iowa city and.

910  
01:26:44.430 --> 01:26:48.000  
T'Shailyn Harrington: You know, I do have a direct line to the new.

911  
01:26:49.860 --> 01:26:51.180  
Commissioner Ali (she/her/hers): police chief and we have a good.

912  
01:26:51.480 --> 01:26:54.030  
Commissioner Ali (she/her/hers): honest relationship where I can.

913

01:26:54.030 --> 01:26:55.530

Commissioner Ali (she/her/hers): say things and.

914

01:26:57.000 --> 01:27:07.860

Commissioner Ali (she/her/hers): None of us, neither of us would get take offense to it, and we can have that very open dialect, which I appreciate with him and I think that that's important so i'm going to yield to the floor with that.

915

01:27:11.190 --> 01:27:11.550

T'Shailyn Harrington: Thank you.

916

01:27:13.020 --> 01:27:13.470

T'Shailyn Harrington: Eric.

917

01:27:15.360 --> 01:27:17.400

Eric Harris: yeah I want to be on the.

918

01:27:18.270 --> 01:27:20.100

Eric Harris: restructure one as well um.

919

01:27:20.880 --> 01:27:21.870

Eric Harris: I don't just have.

920

01:27:22.560 --> 01:27:23.130

Eric Harris: Our respect.

921

01:27:23.250 --> 01:27:31.020

Eric Harris: You know that was a bad thing that happened on June 3, but I have 20 plus years as a person was spans watching a broken law enforcement system.

922

01:27:31.950 --> 01:27:42.030

Eric Harris: And that affected me personally that still affects me to this day on i've spent time you know get my life cleaned up from the cause and effect of.

923

01:27:42.060 --> 01:27:43.890

Eric Harris: going through a broken law enforcement system.

924

01:27:45.390 --> 01:27:55.290

Eric Harris: Especially especially you know is bad now, but in the 90s, it was religious incarcerating people for no apparent reason and still today things happen um.

925

01:27:55.980 --> 01:27:57.330

T'Shailyn Harrington: so good.

926

01:27:57.690 --> 01:27:58.500

Eric Harris: With that are you to flip.

927

01:28:06.750 --> 01:28:11.820

Raneem Hamad: This is renamed speaking i'm first of all i'd like to make a motion to change the name of this.

928

01:28:11.850 --> 01:28:14.730

Raneem Hamad: committee of the subcommittee to be policing committee.

929

01:28:14.790 --> 01:28:15.750

And not just.

930

01:28:17.730 --> 01:28:27.210

Raneem Hamad: The whatever the name is right now, but she needs to the so yeah I want to make it much, much easier to policing committee and also would like to be in this.

931

01:28:27.600 --> 01:28:29.370

T'Shailyn Harrington: committee and then also again recommend.

932

01:28:29.370 --> 01:28:31.680

Raneem Hamad: That we don't have a chair and we just have.

933

01:28:31.710 --> 01:28:33.060

Raneem Hamad: collective action, and we all.

934

01:28:33.060 --> 01:28:35.070

Raneem Hamad: work as a group, and we don't.

935

01:28:35.100 --> 01:28:39.930

Raneem Hamad: Have hierarchical leadership within the Chair with the within the subcommittee I mean.

936

01:28:41.850 --> 01:28:42.240

T'Shailyn Harrington: I agree, I.

937

01:28:42.420 --> 01:28:46.830

Commissioner Ali (she/her/hers): definitely agree and I would like to second that motion if we can change that name and want us.

938

01:28:47.370 --> 01:28:48.060

to shop.

939

01:28:51.330 --> 01:28:56.220

T'Shailyn Harrington: I was gonna say there's no name associated with this commit.

940

01:28:58.950 --> 01:29:02.970

T'Shailyn Harrington: To a subcommittee to review, so I mean.

941

01:29:04.470 --> 01:29:07.320

Raneem Hamad: I take that that motion and make a motion to name.

942

01:29:07.440 --> 01:29:08.340

To make a policing.

943

01:29:12.210 --> 01:29:13.620

T'Shailyn Harrington: Also, is the part that is not.

944

01:29:14.010 --> 01:29:18.630

Eric Harris: That is not a leader of it just everybody okay yeah.

945

01:29:20.820 --> 01:29:21.570

Mohamed Traore: i'd like a second.

946

01:29:24.450 --> 01:29:25.620

T'Shailyn Harrington: I think mill second.

947

01:29:27.990 --> 01:29:28.770

that's what I have.

948

01:29:31.440 --> 01:29:32.610

Commissioner Ali (she/her/hers): Sorry.

949

01:29:34.620 --> 01:29:38.220

T'Shailyn Harrington: All right, um before before we go to vote.

950

01:29:39.240 --> 01:29:40.740

T'Shailyn Harrington: I do see a couple hands up.

951

01:29:41.790 --> 01:29:43.470

T'Shailyn Harrington: chair porter Mohammed.

952

01:29:45.150 --> 01:29:45.720

T'Shailyn Harrington: and

953

01:29:49.230 --> 01:29:49.590

reporter.

954

01:29:50.700 --> 01:29:51.780

T'Shailyn Harrington: Yes, I also would.

955

01:29:51.780 --> 01:29:54.210

Royceann Porter: like to add another committee, which will be housing.

956

01:29:54.570 --> 01:30:13.200

Royceann Porter: I think there should be a housing Committee, as well as education committee with the school district, so I would suggest that we add the housing committee Commission Subcommittee, as well as the school district, with the education piece, and they don't just have to be.

957

01:30:13.410 --> 01:30:14.910

T'Shailyn Harrington: The city Community school district can.

958

01:30:14.940 --> 01:30:19.350

Royceann Porter: also be the University of iowa and kirkwood so just to education piece.

959

01:30:20.400 --> 01:30:20.700

T'Shailyn Harrington: Okay.

960

01:30:22.800 --> 01:30:23.280

T'Shailyn Harrington: mama.

961

01:30:25.200 --> 01:30:31.680

Mohamed Traore: mama trailer here, I would like to echo the words of share porter and also.

962

01:30:31.980 --> 01:30:35.970

Commissioner Ali (she/her/hers): emotion i'm sorry to interrupt was that did share Puerto Rican making.

963

01:30:35.970 --> 01:30:37.740

Royceann Porter: emotion, yes.

964

01:30:38.220 --> 01:30:39.900

Commissioner Ali (she/her/hers): Okay, and I second that motion.

965

01:30:39.990 --> 01:30:41.280

Jesse Case: or we'd have already met.

966

01:30:42.330 --> 01:30:42.660

Mohamed Traore: With.

967

01:30:42.720 --> 01:30:43.080

After.

968

01:30:45.180 --> 01:30:48.000

Jesse Case: I think I think we have two motions on the floor one.

969

01:30:48.000 --> 01:30:49.170

Mohamed Traore: Is a with speaking.

970

01:30:49.170 --> 01:30:49.590

After.

971

01:30:50.730 --> 01:30:52.980

Jesse Case: You create a police commit policing Commission.

972

01:30:53.760 --> 01:30:54.240

T'Shailyn Harrington: And then.

973

01:30:54.360 --> 01:30:55.470

Jesse Case: emotion, to create.

974

01:30:56.010 --> 01:30:59.220

Jesse Case: Really three motion maybe a housing Commission and in education.

975

01:30:59.220 --> 01:31:00.480

Commissioner Ali (she/her/hers): Commission yeah.

976

01:31:00.780 --> 01:31:05.370

Jesse Case: Budget, please, housing and education, now, these can all change to you can.

977

01:31:05.370 --> 01:31:07.500

Jesse Case: abolish a Commission in a week, you can add another.

978

01:31:07.500 --> 01:31:07.800

Jesse Case: one.

979

01:31:07.830 --> 01:31:08.730

Commissioner Ali (she/her/hers): This is yeah.

980

01:31:08.970 --> 01:31:15.450

Jesse Case: we're just getting started so it's all fluid it's all you know could solve changeable it's all you know we might bring.

981

01:31:15.600 --> 01:31:16.560

Jesse Case: In experts in real.

982

01:31:17.370 --> 01:31:18.240

Jesse Case: On the wrong path.

983

01:31:18.270 --> 01:31:20.250

Jesse Case: and have to regroup so I.

984

01:31:20.520 --> 01:31:20.820

Jesse Case: Think.

985

01:31:21.120 --> 01:31:24.360

Jesse Case: And I don't want you to share a job or a sans job either so i'm just.

986

01:31:24.930 --> 01:31:25.740

T'Shailyn Harrington: Putting in here to.

987

01:31:25.770 --> 01:31:29.940

Jesse Case: Tell me to shut up anytime you want, but I think there's a bunch of motion on the floor.

988

01:31:30.420 --> 01:31:31.860

T'Shailyn Harrington: In a second for.

989

01:31:31.920 --> 01:31:32.940

to form a police.

990

01:31:35.730 --> 01:31:37.230

T'Shailyn Harrington: Committee subcommittee.

991

01:31:38.040 --> 01:31:38.670

Jesse Case: And then.

992

01:31:38.820 --> 01:31:40.590

Jesse Case: And then, a housing subcommittee.

993

01:31:42.240 --> 01:31:44.670

T'Shailyn Harrington: Education education yeah.

994

01:31:45.720 --> 01:31:49.440

T'Shailyn Harrington: We will will vote on all three of those motions.

995

01:31:50.850 --> 01:31:53.280

T'Shailyn Harrington: But prior but just before we do that.

996

01:31:54.360 --> 01:31:56.790

T'Shailyn Harrington: Care porter do you have anything else to say and then Muhammad.

997

01:31:57.450 --> 01:31:58.200

T'Shailyn Harrington: No i'm doing.

998

01:32:00.180 --> 01:32:01.230

T'Shailyn Harrington: chemo your hand, please.

999

01:32:06.030 --> 01:32:06.660

T'Shailyn Harrington: Mohammed.

1000

01:32:07.980 --> 01:32:15.420

Mohamed Traore: Muhammad trailer here, I just want to say that after i'm done speaking out and also like to give all of the island and amelia Roberts opportunity to speak before we go.

1001

01:32:16.020 --> 01:32:30.450

Mohamed Traore: Just in case they have anything that may be very helpful for us to hear on this agenda item but a one also say that I do agree with the thoughts of share porter Commissioner MOD and also Commissioner Harris.

1002

01:32:30.900 --> 01:32:33.690

Mohamed Traore: Especially identify with what Commissioner said.

1003

01:32:34.200 --> 01:32:44.790

Mohamed Traore: In relation to the effects that law enforcement can have on people and that when it comes to this aspect of policing and I just want to state that I would also really like to.

1004

01:32:45.570 --> 01:32:51.690

Mohamed Traore: serve on that policing Commission, but if it ends up being four people are more than I would be okay with education but.

1005

01:32:52.140 --> 01:32:59.760

Mohamed Traore: I would just like to offer my thoughts on that one because I was someone that was born in brooklyn New York and when he talks about a things in the 90s, yet.

1006

01:33:00.180 --> 01:33:06.060

Mohamed Traore: The main reason my family moved to iowa city was because of how the 90s work in New York and.

1007

01:33:06.900 --> 01:33:12.570

Mohamed Traore: I just want to offer like so my perspectives on some of the things I do remember from that and how.

1008

01:33:13.350 --> 01:33:20.460

Mohamed Traore: Our situations like that may affect the kids throughout their lives there's other trauma from it is very lasting.

1009

01:33:21.090 --> 01:33:33.270

Mohamed Traore: To this day, i'm someone that feels so much more comfortable when there's only a wall behind me, and nothing else, and when i'm in a smaller room because that's just what I really remember from when I lived in New York.

1010

01:33:34.410 --> 01:33:41.580

Mohamed Traore: Everything and just just having so much anxiety like in being bigger groups of people from not really understanding what's around me.

1011

01:33:42.210 --> 01:33:50.730

Mohamed Traore: And yeah I would just like to thank Commissioners for bringing that up because it's just very important and I would like to also say that I think it's also important that we.

1012

01:33:51.120 --> 01:33:59.460

Mohamed Traore: talk to people within the current Johnson county jail and see and hear their thoughts on how the system works and hear from people that have.

1013

01:34:00.180 --> 01:34:14.070

Mohamed Traore: gotten out of the system and clean their lives up and see how exactly they did it and talk to people that are also in prison, have been often the fort dodge area and hear about how they think that that is affecting them and.

1014

01:34:14.940 --> 01:34:16.290

T'Shailyn Harrington: Maybe some of the grievances as.

1015

01:34:16.290 --> 01:34:18.570

Mohamed Traore: Well, to see if we can recommend some things to change.

1016

01:34:19.020 --> 01:34:19.650

Mohamed Traore: And with that I.

1017

01:34:20.970 --> 01:34:24.510

Eric Harris: think you would be the fourth person if that's the thing you want to be so.

1018

01:34:25.020 --> 01:34:30.300

Commissioner Ali (she/her/hers): yeah you would yeah you'd be the fourth it's Ali rename Harris and true story.

1019

01:34:36.360 --> 01:34:37.770

T'Shailyn Harrington: i'd like to get a.

1020

01:34:38.100 --> 01:34:39.300

Mohamed Traore: chance to speak, followed by.

1021

01:34:39.570 --> 01:34:40.050

amelia.

1022

01:34:50.970 --> 01:34:51.450

Oliver Weilein: Hello.

1023

01:34:52.530 --> 01:34:54.870

Oliver Weilein: My name is Oliver wireline I was a resident.

1024

01:34:56.400 --> 01:35:06.600

Oliver Weilein: board member of the iowa city tenants Union, I would just like to say that I am excited about there being a housing subcommittee and I would just like to say that.

1025

01:35:07.620 --> 01:35:11.460

Oliver Weilein: Personally, I think that it's not a secret that.

1026

01:35:12.990 --> 01:35:15.690

Oliver Weilein: tenants in iowa city have it really rough.

1027

01:35:16.950 --> 01:35:21.810

Oliver Weilein: People who are experiencing homelessness had a really rough, so I would really like.

1028

01:35:23.820 --> 01:35:30.240

Oliver Weilein: To offer the subcommittee to participate, the iowa city tenants Union to collaborate.

1029

01:35:31.380 --> 01:35:32.490

Oliver Weilein: into make it a space.

1030

01:35:33.960 --> 01:35:35.250

Oliver Weilein: That is free from.

1031

01:35:37.680 --> 01:35:46.440

Oliver Weilein: landlords in the people who are at the other end or at the top of the power dynamic here and I was city and everywhere else you know city has enough.

1032

01:35:48.180 --> 01:35:56.610

Oliver Weilein: To see has enough areas for landlords to come and talk in the city panders to landlords, so I would really like a place for.

1033

01:35:59.460 --> 01:36:07.230

Oliver Weilein: I really have a place for the people who are actually suffering under the landlords to have you know their voices heard so with that.

1034

01:36:09.420 --> 01:36:13.020

Raneem Hamad: Thank you Oliver I agree with all the sentence T shirt for sure.

1035

01:36:17.790 --> 01:36:18.390

T'Shailyn Harrington: amelia.

1036

01:36:25.110 --> 01:36:29.790

Emilia Roberts: hi I would just really like to second with all of our side from good to great idea.

1037

01:36:29.940 --> 01:36:30.930

T'Shailyn Harrington: When I was pretending.

1038

01:36:30.960 --> 01:36:31.950

T'Shailyn Harrington: To run into things.

1039

01:36:32.310 --> 01:36:46.620

Emilia Roberts: And everything I just kind of want to make a suggestion i'm not sure how many like committees are going to be doing, but I think it would be a really good idea to have it like sustainability committee or kind of like a committee centered around how.

1040

01:36:47.700 --> 01:36:52.920

Emilia Roberts: climate justice and because we truly can't have climate justice without racial justice at all.

1041

01:36:53.580 --> 01:37:06.900

Emilia Roberts: that's not an option, so I think that's um I think to an effect climate justice is a huge thing that a lot of people care about here, and I have a city, so I think that would be a good idea, but yeah Thank you.

1042

01:37:15.090 --> 01:37:17.010

Raneem Hamad: Joe did you want to speak.

1043

01:37:32.310 --> 01:37:32.790

Joe Coulter: Yes.

1044

01:37:34.230 --> 01:37:47.400

Joe Coulter: I think you may need or would be wise to take a look at the Community police review Board and the recommendations that they have been making.

1045

01:37:48.750 --> 01:37:54.090

Joe Coulter: that's a that's something maybe another little subcommittee and.

1046

01:37:56.430 --> 01:37:57.270

T'Shailyn Harrington: Secondly.

1047

01:37:57.690 --> 01:37:58.260

I think.

1048

01:38:00.300 --> 01:38:15.600

Joe Coulter: To have a small group that would become knowledgeable about the guide to link Center that the county has established here in iowa city to look after people who.

1049

01:38:17.580 --> 01:38:22.470

Joe Coulter: Really don't need to be arrested and don't need to be sent to the emergency room.

1050

01:38:22.920 --> 01:38:24.360

Joe Coulter: But have significant.

1051

01:38:24.960 --> 01:38:26.190

Joe Coulter: health issues.

1052

01:38:27.240 --> 01:38:27.600

Joe Coulter: and

1053

01:38:29.040 --> 01:38:29.880

Joe Coulter: I think.

1054

01:38:31.110 --> 01:38:36.540

Joe Coulter: Some guidance from the T RC would be invaluable.

1055

01:38:38.940 --> 01:38:40.110

Joe Coulter: Thank you so much.

1056

01:38:41.310 --> 01:38:42.240

T'Shailyn Harrington: Thank you, thank you.

1057

01:38:44.850 --> 01:38:54.000

T'Shailyn Harrington: Mohammed and Ahmad will have you guys speak and then after that I would like to do roll call, please um.

1058

01:38:54.120 --> 01:38:57.270

Raneem Hamad: So I just wanted this is running speaking, I just wanted to add.

1059

01:38:57.780 --> 01:39:03.540

Raneem Hamad: also proposed healthcare committee policy, possibly because there's a lot of stuff.

1060

01:39:03.540 --> 01:39:05.790

Raneem Hamad: Within the institution that is.

1061

01:39:05.850 --> 01:39:07.950

Raneem Hamad: You are a healthcare that can also possibly.

1062

01:39:07.950 --> 01:39:08.520

T'Shailyn Harrington: Be.

1063

01:39:08.790 --> 01:39:10.290

Raneem Hamad: of interest to this.

1064

01:39:10.650 --> 01:39:13.380

Raneem Hamad: Commission, so we don't do that today, but I just wanted to put that idea.

1065

01:39:13.380 --> 01:39:14.220

Out there as well.

1066

01:39:19.440 --> 01:39:20.070

T'Shailyn Harrington: Just.

1067

01:39:20.130 --> 01:39:21.570

Mohamed Traore: like to say that I do think.

1068

01:39:21.990 --> 01:39:25.710

Mohamed Traore: We should also look at the sustainability committee is i'm.

1069

01:39:26.190 --> 01:39:30.240

Mohamed Traore: i'm someone where I actually worked at the University of iowa water plant for.

1070

01:39:30.450 --> 01:39:33.810

Mohamed Traore: Almost five years, and in my time there I.

1071

01:39:33.900 --> 01:39:35.820

T'Shailyn Harrington: saw a year after year as.

1072

01:39:35.910 --> 01:39:40.800

Mohamed Traore: I tested the water quality there, how it consistently degraded and also watched.

1073

01:39:42.000 --> 01:39:50.970

Mohamed Traore: As when the last President got an office as an EPA website literally changed and was completely different and all the information taken off of there.

1074

01:39:51.360 --> 01:40:03.180

Mohamed Traore: And during the time of administration as well how the Governor of this state repeatedly stifled efforts to improve water regulations and other environments regulations, such as the situation where.

1075

01:40:03.180 --> 01:40:03.960

Mohamed Traore: The wind.

1076

01:40:04.950 --> 01:40:16.920

Mohamed Traore: The wind waterworks was working to sue counties above them for a runoff issues, and it was costing them so much money and forcing them to charge citizens more for water and I don't think.

1077

01:40:17.460 --> 01:40:26.490

Mohamed Traore: So many citizens realize how profitable the water industry can be and how they can be taken advantage of.

1078

01:40:26.490 --> 01:40:26.700

T'Shailyn Harrington: In.

1079

01:40:26.790 --> 01:40:27.600

T'Shailyn Harrington: The future if.

1080

01:40:27.780 --> 01:40:34.800

Mohamed Traore: Water the water quality continues to be great and I just think if the sustainability is something we just have we need to focus on.

1081

01:40:34.830 --> 01:40:36.090

T'Shailyn Harrington: Because it is not talked.

1082

01:40:36.090 --> 01:40:40.890

Mohamed Traore: About nearly enough and there's so much building going on in the city in areas that are.

1083

01:40:41.100 --> 01:40:43.950

Mohamed Traore: floodplains and known to be floodplains.

1084

01:40:44.400 --> 01:40:48.810

Mohamed Traore: And people are just not aware of these things and it's just really sad to see.

1085

01:40:49.920 --> 01:41:06.360

Mohamed Traore: I remember one of my professors Frank Wiere talking about how he repeatedly went into Council meetings to talk about things such as this and Congress got shot down sometimes and, finally, he was hard on some of these issues, but yeah I would I would really agree with.

1086

01:41:07.260 --> 01:41:08.670

T'Shailyn Harrington: Some people in the public eye set on.

1087

01:41:08.670 --> 01:41:12.450

Mohamed Traore: That, and I think we should talk about it, the next meeting was that are you before.

1088

01:41:15.180 --> 01:41:24.870

1159

01:46:45.150 --> 01:46:47.070

1160

01:46:47.130 --> 01:46:48.570

Commissioner Ali (she/her/hers): Education is something that we do.

Commissioner Ali (she/her/hers): We might want to have her present on some of the research that she is doing, because some of the research is very, very like it would probably be hard.

01:47:10.740 --> 01:47:11.820

T'Shailyn Harrington: To like.

1165

01:47:12.270 --> 01:47:13.080

1167

01:47:24.960 --> 01:47:25.500

Commissioner Ali (she/her/hers): So.

1168

01:47:25.530 --> 01:47:27.420

Commissioner Ali (she/her/hers): i'll probably bring that up in an email, but I think.

1169

01:47:27.420 --> 01:47:36.840

Commissioner Ali (she/her/hers): it's good that we hear from people who are already doing that research for our Community and use the stuff that they've already gotten and done in the.

1170

01:47:36.840 --> 01:47:37.860

T'Shailyn Harrington: Work that they've done.

1237

01:52:21.480 --> 01:52:22.290

Jesse Case: That needs to be done.

1238

01:52:22.560 --> 01:52:33.780

Jesse Case: it's not all going to move, you know, at the same speed it's not all by the time we have the next meeting, there might there may be some reports from some committees or maybe some committees that haven't.

1239

01:52:34.590 --> 01:52:49.260

Jesse Case: met, yet there may be different levels of whatever but, but the the what I see a lot is is you know if you know momentum if if people feel like committees have lost momentum it's okay.

1240

01:52:49.950 --> 01:52:57.420

Jesse Case: Sometimes you're going to have momentum and sometimes your committees, not because you're waiting on information or people are busy and don't have time to me so just.

1241

01:52:57.960 --> 01:53:10.710

Jesse Case: You know just realize that not everything is going to move at the same speed and some things will be dormant until we come alive again so just it can be very frustrating process so just know that mine.

1242

01:53:14.370 --> 01:53:14.850

T'Shailyn Harrington: alright.

1243

01:53:15.900 --> 01:53:16.680

i've been Joe has.

1244

01:53:20.250 --> 01:53:20.550

T'Shailyn Harrington: yeah.

1245

01:53:22.440 --> 01:53:22.920

he's muted.

1246

01:53:24.030 --> 01:53:24.600

T'Shailyn Harrington: you're muted.

1247

01:53:32.670 --> 01:53:33.150

There you go.

1248

01:53:35.610 --> 01:53:37.680

Joe Coulter: We have two other areas.

1249

01:53:38.160 --> 01:53:39.390

Joe Coulter: That you could cover.

1250

01:53:40.470 --> 01:53:43.230

Joe Coulter: In your in your review.

1251

01:53:43.530 --> 01:53:44.700

Joe Coulter: That, I think are important.

1252

01:53:45.540 --> 01:53:46.290

T'Shailyn Harrington: How about.

1253

01:53:46.320 --> 01:53:47.160

A committee.

1254

01:53:48.870 --> 01:53:58.080

Joe Coulter: needs only 343 or four people on no more than four of the Community police review board.

1255

01:54:00.240 --> 01:54:01.320

that's important.

1256

01:54:03.360 --> 01:54:07.740

Joe Coulter: what's going on at the guide the link Center.

1257

01:54:10.290 --> 01:54:13.710

Joe Coulter: Those are important issues in our Community.

1258

01:54:14.430 --> 01:54:19.200

Joe Coulter: And I think the PRC should be involved in these.

1259

01:54:21.480 --> 01:54:23.100

Joe Coulter: I think there's a lot of times like.

1260

01:54:23.700 --> 01:54:38.400

Jesse Case: We gotta walk before we crawl there, I would say after these committees, you might add 10 more committees, as some of these wind down or wind up I don't know, so I think just because you haven't talked about it tonight doesn't mean you're not necessarily going to.

1261

01:54:38.400 --> 01:54:40.290

T'Shailyn Harrington: address it later it's just.

1262

01:54:40.320 --> 01:54:57.750

Commissioner Ali (she/her/hers): yeah I kind of wanted to um he Joe had mentioned a couple of times reaching out to these other committees and I had spoken earlier about the outside work that I had been doing in regards to the restructuring of the police department.

1263

01:54:58.950 --> 01:55:14.730

Commissioner Ali (she/her/hers): Just just so I can be more give Joe a little bit more clarification I actually have had discussions with people in the cpr be along with Council members like going through and discussing.

1264

01:55:14.790 --> 01:55:17.160

T'Shailyn Harrington: Every single point.

1265

01:55:17.430 --> 01:55:19.200

Commissioner Ali (she/her/hers): and using the Council member, not as.

1266

01:55:19.200 --> 01:55:22.500

Commissioner Ali (she/her/hers): Someone as a Council member, but just someone that can like.

1267

01:55:22.950 --> 01:55:31.680

Commissioner Ali (she/her/hers): Explain more of what each actual point meetings, and I do plan on having more of those conversations.

1268

01:55:31.920 --> 01:55:35.400

Commissioner Ali (she/her/hers): And I do plan to look at this cpr bees.

1269

01:55:36.360 --> 01:55:47.220

Commissioner Ali (she/her/hers): Proposals or recommendations to the City Council I was just told that there are certain recommendations by law that they cannot.

1270

01:55:48.060 --> 01:55:57.480

Commissioner Ali (she/her/hers): Act on and there's certain recommendations that the city would be able to act on and so i'm just waiting for the city to kind of either the cpr be or the city give.

1271

01:55:57.510 --> 01:55:59.820

Commissioner Ali (she/her/hers): me Okay, on which of those.

1272

01:56:00.060 --> 01:56:02.370

Commissioner Ali (she/her/hers): laws or recommendations that they're going.

1273

01:56:02.370 --> 01:56:08.640

Commissioner Ali (she/her/hers): To go forward with it's not that we aren't communicating with them it's just there's a lot of different.

1274

01:56:09.420 --> 01:56:10.860

T'Shailyn Harrington: Processes of their.

1275

01:56:11.160 --> 01:56:14.430

Commissioner Ali (she/her/hers): of how they go about their recommendations and what we're allowed.

1276

01:56:15.060 --> 01:56:16.470

T'Shailyn Harrington: In as far as that goes.

1277

01:56:16.680 --> 01:56:22.680

Commissioner Ali (she/her/hers): So I hope that was just a little bit of an explanation or clarification for that aspect of things.

1278

01:56:24.840 --> 01:56:31.290

T'Shailyn Harrington: Thank you everyone for your comments on the agenda item we will be moving down to agenda item number nine.

1279

01:56:32.340 --> 01:56:38.700

T'Shailyn Harrington: This is discussion of creation of bylaws and a process for mission members to follow during meetings.

1280

01:56:40.110 --> 01:56:52.500

T'Shailyn Harrington: Before Commission members district and Jesse bleed this conversation I would like to open it to the public and also try to get into the habit of.

1281

01:56:54.150 --> 01:57:01.170

T'Shailyn Harrington: Having the public comment prior to us having a discussion if that would please work.

1282

01:57:02.490 --> 01:57:06.120

T'Shailyn Harrington: So, if anyone in the public interested in.

1283

01:57:07.290 --> 01:57:08.490

T'Shailyn Harrington: commenting on this.

1284

01:57:10.740 --> 01:57:11.370

T'Shailyn Harrington: agenda item.

1285

01:57:14.220 --> 01:57:15.300

T'Shailyn Harrington: I see no hands raised.

1286

01:57:16.980 --> 01:57:17.400

T'Shailyn Harrington: All right.

1287

01:57:18.450 --> 01:57:20.790

T'Shailyn Harrington: Jesse, I would like to pass it along to you.

1288

01:57:24.930 --> 01:57:25.290

Jesse Case: Sorry.

1289

01:57:25.590 --> 01:57:25.980

Joe.

1290

01:57:28.320 --> 01:57:29.790

T'Shailyn Harrington: If you would unmute yourself.

1291

01:57:45.420 --> 01:57:46.800

T'Shailyn Harrington: Go you can unmute yourself.

1292

01:57:48.600 --> 01:57:50.160

Joe Coulter: yeah it's kind of a complicated.

1293

01:57:50.160 --> 01:57:54.240

Joe Coulter: process, I wanted to compliment the Commission.

1294

01:57:55.110 --> 01:57:57.300

Joe Coulter: for their work and.

1295

01:57:58.470 --> 01:58:02.760

Joe Coulter: and say that I think they are moving forward now.

1296

01:58:04.800 --> 01:58:08.550

Joe Coulter: Making progress, I think you're having.

1297

01:58:09.660 --> 01:58:16.890

Joe Coulter: The smaller groups who can go out and work with the Community and and.

1298

01:58:17.040 --> 01:58:17.370

Joe Coulter: and

1299

01:58:18.240 --> 01:58:24.120

Joe Coulter: collect information are important what's the whole Commission really can't do.

1300

01:58:26.670 --> 01:58:27.150

Joe Coulter: and

1301

01:58:27.390 --> 01:58:29.310

Joe Coulter: getting more community.

1302

01:58:29.310 --> 01:58:29.880

Joe Coulter: input.

1303

01:58:30.270 --> 01:58:31.170

Joe Coulter: is important.

1304

01:58:31.620 --> 01:58:32.730

Very important.

1305

01:58:33.930 --> 01:58:34.620

Joe Coulter: And I.

1306

01:58:35.790 --> 01:58:37.170

Joe Coulter: congratulate.

1307

01:58:37.770 --> 01:58:38.280

T'Shailyn Harrington: The.

1308

01:58:38.880 --> 01:58:40.050

T'Shailyn Harrington: The teen RC.

1309

01:58:40.710 --> 01:58:41.130

Joe Coulter: For the.

1310

01:58:41.160 --> 01:58:42.660

Joe Coulter: Work that you're doing.

1311

01:58:43.050 --> 01:58:49.410

Joe Coulter: And now it looks like you are really moving forward.

1312

01:58:52.350 --> 01:58:52.830

Joe Coulter: Thank you.

1313

01:58:56.670 --> 01:58:57.690

T'Shailyn Harrington: Miss angie Jordan.

1314

01:59:05.340 --> 01:59:06.270

T'Shailyn Harrington: Can you guys hear me.

1315

01:59:07.440 --> 01:59:07.890

We can.

1316

01:59:09.120 --> 01:59:09.510

Angelina Rae Jordan: Okay.

1317

01:59:09.540 --> 01:59:10.860

Angelina Rae Jordan: Just determine.

1318

01:59:11.700 --> 01:59:20.880

Angelina Rae Jordan: That piece on i'm number nine, the creation of bylaws and a process for Commission members to follow during meetings, I just want to put it out there.

1319

01:59:21.930 --> 01:59:39.930

Angelina Rae Jordan: From Commission work on a city to parent teacher organizations, I get very confused and I have to relearn things and practice and practice, and I just want to just just share with you guys that again from like the small grassroots level two organizations, it is really helpful to have.

1320

01:59:39.960 --> 01:59:42.000

Angelina Rae Jordan: These in place, and also to know.

1321

01:59:42.000 --> 01:59:52.530

Angelina Rae Jordan: That you can make changes to them, so I just I just want to put that out there, and second, what Joe said y'all are doing awesome Keep it up man all around women and everybody okay.

1322

01:59:58.050 --> 02:00:02.100

T'Shailyn Harrington: Are there Thank you angie oh em.

1323

02:00:03.510 --> 02:00:06.480

T'Shailyn Harrington: You have your hand raised also and you put your hand down.

1324

02:00:11.880 --> 02:00:12.840

Em Domingues: hi everybody can you hear me.

1325

02:00:13.980 --> 02:00:15.270

T'Shailyn Harrington: Yes, perfect.

1326

02:00:15.300 --> 02:00:15.720

T'Shailyn Harrington: Thank you.

1327

02:00:16.140 --> 02:00:24.450

Em Domingues: um so just chiming in on the topic of bylaws my name is m domingos I work at the university i'm actually coincidentally, the chair of the bylaws committee for staff Council.

1328

02:00:25.650 --> 02:00:28.020

Em Domingues: I just wanted to share very briefly that.

1329

02:00:28.320 --> 02:00:32.160

Em Domingues: bylaws are very, very useful, but my piece of advice from working.

1330

02:00:32.160 --> 02:00:35.400

Em Domingues: With them closely, is that I would suggest not.

1331

02:00:35.430 --> 02:00:38.910

Em Domingues: being overly prescriptive, because these.

1332

02:00:38.970 --> 02:00:40.140

Em Domingues: Are the.

1333

02:00:40.680 --> 02:00:48.930

Em Domingues: Really rules and regulations that guide how you operate, you want to give yourself sufficient flexibility so that you're not hemmed in by a decision you made early.

1334

02:00:49.560 --> 02:00:51.810

Em Domingues: Lest you end up having to later revised.

1335

02:00:51.840 --> 02:00:53.790

Em Domingues: Your major bite loss so that's all thank you.

1336

02:00:54.240 --> 02:00:55.110

Thank you.

1337

02:00:57.630 --> 02:00:57.960

Thank you.

1338

02:01:00.630 --> 02:01:12.600

T'Shailyn Harrington: Are there any other members of the public who wish to comment on this agenda item prior to the Commission mission urs discussing it.

1339

02:01:16.230 --> 02:01:16.740

T'Shailyn Harrington: enhance.

1340

02:01:18.660 --> 02:01:18.900

T'Shailyn Harrington: know.

1341

02:01:20.730 --> 02:01:25.320

T'Shailyn Harrington: Jesse, I would like to have the conversation over here just.

1342

02:01:25.590 --> 02:01:37.530

Jesse Case: Briefly, and then back to the listeners is, I think this can ended up on the agenda by accident, because stephanie thought we'd referenced it last week and maybe we did, but then.

1343

02:01:38.310 --> 02:01:45.480

Jesse Case: If people ever heard a lot of people say we need violence, and I think sorry I think it's good it's on here, because we need some rules.

1344

02:01:46.950 --> 02:02:03.480

Jesse Case: And I think it is you know it becomes less important, the more respectful we are, because if we're if we're doing business and respecting each other's space and and that we have a little more time to do it right, you know you can go slower and do it right, but I think some of us here.

1345

02:02:03.510 --> 02:02:04.770

T'Shailyn Harrington: worked on by law, Commission.

1346

02:02:04.770 --> 02:02:05.790

Jesse Case: committees together and.

1347

02:02:05.790 --> 02:02:05.970

T'Shailyn Harrington: I.

1348

02:02:06.270 --> 02:02:07.290

Jesse Case: I saw Charlie.

1349

02:02:07.320 --> 02:02:09.060

Jesse Case: use the money earlier, I think he was on.

1350

02:02:09.630 --> 02:02:11.160

T'Shailyn Harrington: The bylaws committee with Center for.

1351

02:02:11.280 --> 02:02:15.180

Jesse Case: Justice years ago with me and maybe mozzi here and some other people.

1352

02:02:16.110 --> 02:02:18.150

Jesse Case: We some of us have put together bylaws for.

1353

02:02:18.150 --> 02:02:19.620

Jesse Case: Several organizations, some of you.

1354

02:02:19.620 --> 02:02:20.310

T'Shailyn Harrington: have also.

1355

02:02:20.700 --> 02:02:21.780

Jesse Case: But I just.

1356

02:02:21.990 --> 02:02:31.980

Jesse Case: Did maybe expedite the process wondering if you'd like me to bring back sample bylaws from different organizations that we could review and then have a discussion.

1357

02:02:35.550 --> 02:02:40.620

Jesse Case: On you know, put it on the agenda of a future meeting and and really kind of dig in on.

1358

02:02:40.710 --> 02:02:43.860

Jesse Case: On what's in bylaws and review what's in bylaws and if what.

1359

02:02:43.860 --> 02:02:51.690

Jesse Case: If you wanted me to bring you three or four samples, or if anyone else has samples, you could send them and I could get them up to every all the Commissioners.

1360

02:02:53.670 --> 02:02:56.220

Jesse Case: But however you want to proceed is it's just a suggestion.

1361

02:02:58.680 --> 02:02:59.280

Jesse Case: Because if we had a.

1362

02:03:00.210 --> 02:03:01.560

Jesse Case: conversation now that could.

1363

02:03:01.560 --> 02:03:05.040

Jesse Case: be a four hour conversation just fine too.

1364

02:03:06.480 --> 02:03:07.740

Eric Harris: yeah I agree, I.

1365

02:03:08.580 --> 02:03:10.620

T'Shailyn Harrington: I personally think that having.

1366

02:03:11.970 --> 02:03:26.790

T'Shailyn Harrington: Examples are like templates to work off of what help us understand how we want to operate how we want to what structure we want for our for ourselves, so thank you for that suggestion Jesse cheer quarter.

1367

02:03:39.600 --> 02:03:40.110

T'Shailyn Harrington: No.

1368

02:03:41.280 --> 02:03:41.850

T'Shailyn Harrington: yeah.

1369

02:03:42.540 --> 02:03:43.290

i'm.

1370

02:03:45.660 --> 02:03:46.680

T'Shailyn Harrington: going to say.

1371

02:03:47.100 --> 02:03:55.140

Commissioner Ali (she/her/hers): If jesse's going to be kind of doing like the research on some bias beforehand and then sending them to us Is this something that you.

1372

02:03:55.140 --> 02:03:57.120

T'Shailyn Harrington: would be able to send to us before next week's.

1373

02:03:57.120 --> 02:04:03.540

Commissioner Ali (she/her/hers): Meeting, so we can possibly like you know just get like a little bit of a head start and be able to read them and kind of.

1374

02:04:05.550 --> 02:04:11.130

Commissioner Ali (she/her/hers): discuss among ourselves and just read them and figure out what it is, is that kind of what you mean.

1375

02:04:12.480 --> 02:04:25.560

Jesse Case: I think that's it I would need an opinion, out of the city, to see if i'm allowed to even to mail out or email out materials between meetings I assume I am, but I also don't want to violate any states that you yeah.

1376

02:04:25.740 --> 02:04:26.880

Commissioner Ali (she/her/hers): And if you find out that.

1377

02:04:26.880 --> 02:04:27.390

Commissioner Ali (she/her/hers): You can.

1378

02:04:27.420 --> 02:04:30.600

Commissioner Ali (she/her/hers): I would appreciate that going forward just.

1379

02:04:30.630 --> 02:04:33.060

Commissioner Ali (she/her/hers): emailing stuff as you get it that way you know.

1380

02:04:33.570 --> 02:04:38.100

Commissioner Ali (she/her/hers): i'm at you know when we have time to look at it, we can that way it's not.

1381

02:04:38.100 --> 02:04:39.390

T'Shailyn Harrington: just looking at it for the first.

1382

02:04:39.390 --> 02:04:42.660

Commissioner Ali (she/her/hers): Time at you know the meeting to Thursdays from now.

1383

02:04:43.260 --> 02:04:45.330

Jesse Case: Somebody just brought up a good comment in the chat.

1384

02:04:45.360 --> 02:04:48.720

Jesse Case: About you're already some bylaw some commissions paid and then.

1385

02:04:49.050 --> 02:04:55.170

Jesse Case: This one's a little tricky because it's my understanding that ad hoc commissions for the city usually don't have bylaws only permanent.

1386

02:04:56.010 --> 02:05:08.070

Jesse Case: committees do, but if but it's I think bylaws are good, so we can put it in those samples, are examples I can pull from city commission's that already exists.

1387

02:05:10.050 --> 02:05:10.290

T'Shailyn Harrington: yeah.

1388

02:05:10.830 --> 02:05:15.930

Eleanor Dilkes: i'm Jesse in response to your question about sending out you certainly can send out material to the group.

1389

02:05:16.560 --> 02:05:19.230

Eleanor Dilkes: You probably want to make sure all the material is included in the.

1390

02:05:19.620 --> 02:05:19.950

Eleanor Dilkes: In the.

1391

02:05:19.980 --> 02:05:21.330

Eleanor Dilkes: packet that goes out.

1392

02:05:21.570 --> 02:05:23.370

Eleanor Dilkes: To the public when you're going to talk about the.

1393

02:05:23.370 --> 02:05:29.850

Eleanor Dilkes: Item and then just you know the caution idea at the first meeting about being.

1394

02:05:29.910 --> 02:05:32.760

Eleanor Dilkes: careful not to engage in discussion over those emails.

1395

02:05:33.360 --> 02:05:35.400

Eleanor Dilkes: and create a potential.

1396

02:05:35.460 --> 02:05:36.930

open meetings violation.

1397

02:05:38.100 --> 02:05:38.520

Jesse Case: So.

1398

02:05:38.760 --> 02:05:50.400

Jesse Case: Try to be I don't reply all i'll send them out to something and then and then this is a little off topic, and this may just show my age, but I, you know I have this binder because everything's online.

1399

02:05:50.460 --> 02:05:51.660

Jesse Case: Right, but sometimes it's just.

1400

02:05:51.690 --> 02:05:53.760

T'Shailyn Harrington: easier if you're looking for examples to.

1401

02:05:54.450 --> 02:06:04.560

Jesse Case: buy start emailing you things, or if I start like the police report, which is 245 pages so some people prefer it online some people would rather have.

1402

02:06:06.210 --> 02:06:07.800

T'Shailyn Harrington: You know paper copies to.

1403

02:06:08.220 --> 02:06:09.960

Jesse Case: highlight and things like that so just.

1404

02:06:11.100 --> 02:06:13.860

Jesse Case: Just know that this you know, by the time we get to have.

1405

02:06:13.890 --> 02:06:14.280

T'Shailyn Harrington: A lot of.

1406

02:06:14.640 --> 02:06:15.660

Jesse Case: A lot of paper and a lot of.

1407

02:06:15.690 --> 02:06:16.200

emails.

1408

02:06:17.400 --> 02:06:28.710

Eleanor Dilkes: Jesse you might want to you might want to funnel that information fruit through stephanie so that we know we've got one person who knows what all the documentation as that's gone out, etc.

1409

02:06:29.310 --> 02:06:30.090

Jesse Case: I love that idea.

1410

02:06:34.890 --> 02:06:41.670

T'Shailyn Harrington: You all right, why I think this is, I think that's a great plan Jesse collecting.

1411

02:06:42.870 --> 02:06:51.540

T'Shailyn Harrington: The examples for us and then us revealing outside of the next meeting so, but this.

1412

02:06:52.020 --> 02:06:53.340

Commissioner Ali (she/her/hers): agenda item on the next.

1413

02:06:53.340 --> 02:06:55.320

Commissioner Ali (she/her/hers): Meeting, so that we can discuss it.

1414

02:06:56.190 --> 02:06:57.840

T'Shailyn Harrington: Okay, yes, yes.

1415

02:06:59.040 --> 02:07:05.220

T'Shailyn Harrington: um, are there any other questions or comments from Commissioners on this agenda topic.

1416

02:07:08.940 --> 02:07:14.850

T'Shailyn Harrington: Now okay sounds good um, the next item on the agenda is.

1417

02:07:15.990 --> 02:07:18.810

T'Shailyn Harrington: A consideration of nope have a no confidence.

1418

02:07:20.070 --> 02:07:21.000

T'Shailyn Harrington: In new leadership.

1419

02:07:22.680 --> 02:07:23.250

T'Shailyn Harrington: And this was.

1420

02:07:24.660 --> 02:07:28.950

T'Shailyn Harrington: emotion made at our Monday special meeting.

1421

02:07:30.660 --> 02:07:33.360

T'Shailyn Harrington: And prior to.

1422

02:07:35.580 --> 02:07:49.350

T'Shailyn Harrington: conversations between the Commission about it, I would like to open the floor to members of the public, and I want to remind Commissioners that they're not to engage.

1423

02:07:50.730 --> 02:08:00.030

T'Shailyn Harrington: With the public in their comments and also would like to remind members of the public to keep their comments.

1424

02:08:01.290 --> 02:08:02.520

T'Shailyn Harrington: Five minutes or less.

1425

02:08:04.020 --> 02:08:04.980

T'Shailyn Harrington: do I have any hands.

1426

02:08:11.520 --> 02:08:12.360

T'Shailyn Harrington: from the public.

1427

02:08:13.770 --> 02:08:17.880

Royceann Porter: No cuz literally I think before the public can respond, they need to know.

1428

02:08:17.880 --> 02:08:19.200

Royceann Porter: What they responding to.

1429

02:08:25.140 --> 02:08:25.590

Commissioner Ali (she/her/hers): Go.

1430

02:08:26.370 --> 02:08:28.140

Commissioner Ali (she/her/hers): Is that Okay, that we do that.

1431

02:08:28.140 --> 02:08:30.780

Commissioner Ali (she/her/hers): And then maybe asked for the public's response.

1432

02:08:31.140 --> 02:08:34.260

Commissioner Ali (she/her/hers): After we've kind of discussed what.

1433

02:08:35.490 --> 02:08:36.420

Jesse Case: The reason our.

1434

02:08:36.570 --> 02:08:37.770

Commissioner Ali (she/her/hers): Agenda is, I think.

1435

02:08:39.030 --> 02:08:57.240

Jesse Case: Just doesn't it, this will be maybe the only thing I say on this is this question got off to a very rocky start and there, there are a lot of people who feel very disrespected and I think i'm really glad to see work going I you know just meeting could have gone a couple.

1436

02:08:57.270 --> 02:08:58.920

Eric Harris: couple different ways tonight and I.

1437

02:08:59.130 --> 02:09:13.140

Jesse Case: Really appreciative of professionalism people brought we're going to have disagreements we're going to have fights we're going to have arguments we're going to but, at the end of the day, we have a responsibility to move the mission of this Commission forward so I so.

1438

02:09:14.220 --> 02:09:24.060

Jesse Case: And then I, you know that just has to be space for everybody, we have to remain respectful, even if we don't you do what you want, but I recommend it to be more functional.

1439

02:09:24.510 --> 02:09:38.640

Jesse Case: If everyone remains respectful and not and then also just keep in mind that this should be a beginning and not you know not we're not, we need to move forward and we're doing a good job and the term reconciliation is in.

1440

02:09:39.000 --> 02:09:40.320

T'Shailyn Harrington: The name of the Commission.

1441

02:09:40.560 --> 02:09:41.640

T'Shailyn Harrington: So if.

1442

02:09:42.810 --> 02:09:53.160

Jesse Case: So I would just ask people to keep it in mind if this is going to be a new day people have to decide if this is going to be a new day with this Commission and move forward or or not.

1443

02:09:53.250 --> 02:09:53.670

T'Shailyn Harrington: and

1444

02:09:53.880 --> 02:09:55.110

Jesse Case: I think this is a very good.

1445

02:09:56.820 --> 02:09:57.090

T'Shailyn Harrington: and

1446

02:09:58.140 --> 02:10:05.640

Jesse Case: I would just like to say that word reconciliation is literally in the name of this Commission.

1447

02:10:08.790 --> 02:10:11.070

Mohamed Traore: This is Commissioner trailer your.

1448

02:10:11.160 --> 02:10:13.350

T'Shailyn Harrington: mom actually Mohammed.

1449

02:10:13.380 --> 02:10:16.560

Raneem Hamad: Sorry, to cut you off, but those hands up to.

1450

02:10:16.680 --> 02:10:22.800

T'Shailyn Harrington: Unless you wanted to have him speak before, yes, I would like to have members of the public first.

1451

02:10:25.380 --> 02:10:29.730

T'Shailyn Harrington: Before we have the Commission Members speak so Joe if you want them yourself.

1452

02:10:39.480 --> 02:10:45.450

Joe Coulter: yeah so thank you all, are doing a very good job, and I know many of you.

1453

02:10:46.470 --> 02:10:54.780

Joe Coulter: And I know raleigh saying I think she's an excellent person to lead the Commission.

1454

02:10:56.580 --> 02:10:58.080

T'Shailyn Harrington: is well acquainted.

1455

02:10:58.290 --> 02:11:13.680

Joe Coulter: With robert's rules of order if you wish, and all of the protocol that goes along with keeping a meeting moving and doing their work.

1456

02:11:14.700 --> 02:11:21.120

Joe Coulter: And, which I think in your case is extremely important, and I think.

1457

02:11:22.350 --> 02:11:23.610

Joe Coulter: After this meeting.

1458

02:11:25.350 --> 02:11:30.450

Joe Coulter: I would say you're doing darn good so Keep it up.

1459

02:11:33.000 --> 02:11:33.390

Joe Coulter: Thank you.

1460

02:11:34.770 --> 02:11:35.370

Joe Coulter: Thank you, Joe.

1461

02:11:36.000 --> 02:11:40.500

T'Shailyn Harrington: I think I saw another member of the public's hand go up but I.

1462

02:11:45.390 --> 02:11:45.930

T'Shailyn Harrington: leticia.

1463

02:11:49.560 --> 02:12:00.150

Latisha McDaniel-Grife: hi good evening i'm just going to take a few minutes because I work third shift so so it's a privilege for anyone of me working second and third shift actually attend this meeting, which is.

1464

02:12:00.390 --> 02:12:01.740

T'Shailyn Harrington: Also, a problem which we can.

1465

02:12:02.130 --> 02:12:03.420

Latisha McDaniel-Grife: Totally get into in another.

1466

02:12:03.510 --> 02:12:16.920

Latisha McDaniel-Grife: session but i'm part of the part of me, being a third shift worker is knowing that all my roles of leadership and, as a person of the Community, doing the leadership doing the activism that I used to do.

1467

02:12:17.520 --> 02:12:19.110

T'Shailyn Harrington: I can, I can no longer do it.

1468

02:12:20.010 --> 02:12:24.000

Latisha McDaniel-Grife: So I had to grapple with the fact that you know.

1469

02:12:25.140 --> 02:12:28.980

Latisha McDaniel-Grife: What I was doing as a leader, I have to now depend on other people.

1470

02:12:29.400 --> 02:12:31.740

T'Shailyn Harrington: That we have to read it redistribute power.

1471

02:12:32.160 --> 02:12:50.370

Latisha McDaniel-Grife: And that I can't be everywhere, for everything and so and and I go by the model now it's like i'm just because I can doesn't mean I should, and so, with this Commission we've gotten off to a rocky start with actually two incidents where there were where it's people doing.

1472

02:12:50.550 --> 02:12:51.810

T'Shailyn Harrington: Something because they can.

1473

02:12:52.260 --> 02:12:53.520

Latisha McDaniel-Grife: But not because they should.

1474

02:12:54.210 --> 02:12:56.610

Latisha McDaniel-Grife: Like example as far as with.

1475

02:12:56.910 --> 02:13:07.650

Latisha McDaniel-Grife: Mr case being the facilitator i'm he's doing a great job I think and he's totally qualified to do this position, but there should have been a thought in his mind about.

1476

02:13:08.760 --> 02:13:13.140

Latisha McDaniel-Grife: Just because I can doesn't doesn't mean I should you know, should this job you going.

1477

02:13:13.140 --> 02:13:14.010

Latisha McDaniel-Grife: Someone who.

1478

02:13:14.040 --> 02:13:15.360

Latisha McDaniel-Grife: Is you know.

1479

02:13:15.720 --> 02:13:24.150

Latisha McDaniel-Grife: You know more from marginalized population someone who you know, this is a stout, this is a salary job is one of the first salary jobs for Commission.

1480

02:13:24.480 --> 02:13:31.410

Latisha McDaniel-Grife: just go to someone who comes from a marginalized population, and that should have been a thought in his mind when when he thought about applying.

1481

02:13:32.160 --> 02:13:39.240

Latisha McDaniel-Grife: So, and that was the first incident and so, and now the second incident is with the leadership of race, and who is.

1482

02:13:40.230 --> 02:13:46.380

Latisha McDaniel-Grife: amazing person does has been in this Community for over 30 years has been doing the work for over 30 years.

1483

02:13:46.980 --> 02:13:51.570

Latisha McDaniel-Grife: You know she has been doing the work a lot longer than most of the people who are you know protesting now.

1484

02:13:52.170 --> 02:14:02.190

Latisha McDaniel-Grife: But the thing is, is that, just because she can be a leader doesn't mean that that leadership should not be redistributed to other people to do or people to fresher ideas to fresher people.

1485

02:14:02.760 --> 02:14:10.770

Latisha McDaniel-Grife: You know just be like I said just because you can doesn't mean you should, and so I think when the Commission came up with nominating her for chair.

1486

02:14:11.430 --> 02:14:18.600

Latisha McDaniel-Grife: If I was very sad, I would have thought you know what i'm already evolved, a lot of things i'm already on the you know board of supervisors.

1487

02:14:18.870 --> 02:14:31.890

Latisha McDaniel-Grife: i'm already a really vocal person in the Community, and I should you know that you know step back from this position, and maybe just redistribute the power to people who are not very well known in the Community, people who don't have leadership.

1488

02:14:34.080 --> 02:14:39.960

Latisha McDaniel-Grife: roles already so I mean so that's my kind of comment and just.

1489

02:14:41.160 --> 02:14:55.620

Latisha McDaniel-Grife: Opinions on what's going on with the Commission now and just something to think about, for you know everyone, and especially for people who you know who have been in leadership roles for many, many years you know when should we step up and when, should we step back and so thank you.

1490

02:14:57.750 --> 02:14:58.230

Thank you.

1491

02:14:59.790 --> 02:15:00.360

T'Shailyn Harrington: accountant.

1492

02:15:21.780 --> 02:15:22.830

T'Shailyn Harrington: Oh, you guys are muted.

1493

02:15:23.490 --> 02:15:24.060  
T'Shailyn Harrington: I know you.

1494  
02:15:24.150 --> 02:15:24.540  
don't take.

1495  
02:15:26.760 --> 02:15:27.450  
T'Shailyn Harrington: yourself again.

1496  
02:15:37.050 --> 02:15:38.490  
Billie and Orville Townsend: Okay yeah okay.

1497  
02:15:38.820 --> 02:15:42.090  
Billie and Orville Townsend: yeah, I just wanted to say in terms of.

1498  
02:15:42.390 --> 02:15:51.000  
Billie and Orville Townsend: feel very strongly that if a public input has any value, then I think it, it should have the option of speaking.

1499  
02:15:51.690 --> 02:16:04.950  
Billie and Orville Townsend: Before after but you know you arbitrarily saying it public input will be asked, will be before and actually if it has the value, then it should, I think she should be after.

1500  
02:16:05.490 --> 02:16:15.510  
Billie and Orville Townsend: All the facts and everything had been presented, then, basically, you know if you have a feeling so bad about it, that would be a time to present.

1501  
02:16:21.720 --> 02:16:22.260  
T'Shailyn Harrington: Thank you.

1502  
02:16:25.350 --> 02:16:25.920  
T'Shailyn Harrington: amelia.

1503  
02:16:30.240 --> 02:16:31.230  
T'Shailyn Harrington: I see your hand is raised.

1504  
02:16:39.630 --> 02:16:41.910  
Emilia Roberts: Sorry, I would like to just.

1505  
02:16:41.910 --> 02:16:46.410

Emilia Roberts: wholeheartedly just really, really second what leticia just said.

1506

02:16:47.310 --> 02:16:48.960

T'Shailyn Harrington: I think that just gave myself.

1507

02:16:49.020 --> 02:16:50.100

Emilia Roberts: A lot of insight and.

1508

02:16:50.490 --> 02:16:52.290

Emilia Roberts: kind of just took the words right out of my mouth.

1509

02:16:53.850 --> 02:16:57.360

Emilia Roberts: yeah I would just really like to second what she has to say and I also think that.

1510

02:16:57.390 --> 02:16:58.350

Emilia Roberts: there's to be comment.

1511

02:16:58.380 --> 02:17:03.930

Emilia Roberts: Probably before and after just kind of give everybody a fair shot and whenever they want to talk.

1512

02:17:05.610 --> 02:17:11.010

Emilia Roberts: But yeah I really, really agree with kind of passing on United mean.

1513

02:17:11.040 --> 02:17:12.540

T'Shailyn Harrington: kind of taking a step back for.

1514

02:17:13.530 --> 02:17:26.160

Emilia Roberts: younger people in the Community to kind of step up so not only that they can learn and get opportunities in these leadership positions so that can further the process of everything yeah that's all I have to say.

1515

02:17:30.990 --> 02:17:35.400

T'Shailyn Harrington: Thank you, and one more member of the public, I see him.

1516

02:17:36.360 --> 02:17:37.830

lujayn h: yeah I was just wondering.

1517

02:17:37.860 --> 02:17:39.690

lujayn h: Are we, being limited to only.

1518

02:17:39.720 --> 02:17:42.000

lujayn h: Speaking before like we can't speak after.

1519

02:17:43.380 --> 02:17:44.670

lujayn h: I just wanted clarification.

1520

02:17:47.430 --> 02:17:49.350

Commissioner Ali (she/her/hers): I think we could vote on it can't be.

1521

02:17:49.890 --> 02:17:53.400

lujayn h: Nice to you, I mean I feel like that would be a good idea, just because.

1522

02:17:53.400 --> 02:17:56.880

lujayn h: Several members of the public have mentioned that they would like to add.

1523

02:17:57.360 --> 02:17:59.580

T'Shailyn Harrington: comments or speak after.

1524

02:17:59.760 --> 02:18:00.690

lujayn h: or during or whatever.

1525

02:18:01.980 --> 02:18:17.940

Mohamed Traore: um what I remember from what miss Bowers told us in the last few meetings, created the situation was that anyone from the Commission can request public comment to be open back up after we speak on the topic So yes, we can have a public speaker and after we discuss.

1526

02:18:19.830 --> 02:18:22.890

Commissioner Ali (she/her/hers): You yeah we're planning to do that for the towns and.

1527

02:18:22.890 --> 02:18:24.510

Stefanie Bowers: So I think.

1528

02:18:24.570 --> 02:18:33.840

Stefanie Bowers: Just to clarify I think what i've said in the past that majority of Commissioners agree to do that, so I just want to clarify that so okay Okay, thank you.

1529

02:18:34.890 --> 02:18:35.430

Stefanie Bowers: Thanks john.

1530

02:18:36.540 --> 02:18:36.870

Thank you.

1531

02:18:38.850 --> 02:18:42.330

T'Shailyn Harrington: Are there any other members of the public that wish to comment at this time.

1532

02:18:47.130 --> 02:18:47.460

T'Shailyn Harrington: Not.

1533

02:18:50.670 --> 02:18:56.430

T'Shailyn Harrington: Mohammed I do want to mention that resend had her hand raised before I opened it up to the public.

1534

02:18:58.260 --> 02:19:03.870

T'Shailyn Harrington: Are you okay with allowing her to go first or would you like to speak first or sandy have a preference no.

1535

02:19:04.530 --> 02:19:07.500

Royceann Porter: I didn't know my hand was still up i'ma removing I needed to no.

1536

02:19:08.700 --> 02:19:10.830

T'Shailyn Harrington: No, no, your hands, not out but I.

1537

02:19:14.550 --> 02:19:20.250

T'Shailyn Harrington: Would you like to talk, or would you like Muhammad no I want it, I want to listen to the Commission tell me what it is that I did.

1538

02:19:20.250 --> 02:19:24.630

Royceann Porter: For that I don't even know what i'm being accused, so I need to hear from the Commission.

1539

02:19:26.730 --> 02:19:27.300

T'Shailyn Harrington: Mohammed, please.

1540

02:19:28.740 --> 02:19:30.930

T'Shailyn Harrington: Okay, so or ronnie yeah.

1541

02:19:32.220 --> 02:19:33.690

T'Shailyn Harrington: This is mama trail here so.

1542

02:19:34.020 --> 02:19:40.830

Mohamed Traore: bear with me everyone, but a few things I need to address prior to bringing up the allegations against you sure porter.

1543

02:19:41.490 --> 02:19:49.050

Mohamed Traore: But first and foremost I just like to say that they're having meetings in the past, where this Commission has been in a bit of disarray.

1544

02:19:49.470 --> 02:19:59.010

Mohamed Traore: And I once again like to apologize to the public for that, and I would just like to note again how much how much more civil This meeting has been.

1545

02:19:59.460 --> 02:20:13.860

Mohamed Traore: and point out just the difference in that our actual chair has not really been chairing the meeting and that just kind of seems a little odd of the first time that that happened that this meeting has run so much more smoothly.

1546

02:20:14.160 --> 02:20:16.170

Mohamed Traore: And I just also want to say as well.

1547

02:20:16.500 --> 02:20:24.600

Mohamed Traore: That a few meetings ago when there was a bit of a back and forth between the members of the Commission, specifically the Chair being involved in that.

1548

02:20:25.230 --> 02:20:33.900

Mohamed Traore: It seemed that I mean myself is etiquette chair and speaking about how we were all supposed to be respected, each other talked about how.

1549

02:20:34.590 --> 02:20:43.200

Mohamed Traore: The temperature needed to come down, and I was yelled over by the Chair and basically silenced, and that was very upsetting and I feel like that set a bad precedent.

1550

02:20:44.340 --> 02:20:45.840

Mohamed Traore: There, it also been a situation.

1551

02:20:46.260 --> 02:20:57.270

Mohamed Traore: I had heard of in a city council meeting earlier in that week where the current chair at Braden or remember the public for something he had said and made him feel very uncomfortable.

1552

02:20:57.690 --> 02:21:02.340

Mohamed Traore: And just someone sitting here and knowing that this supposed to be truth and reconciliation commission.

1553

02:21:02.790 --> 02:21:09.240

Mohamed Traore: And from the history that I know it'd be original Truth and Reconciliation Commission I just don't think it's a proper environment.

1554

02:21:09.690 --> 02:21:18.990

Mohamed Traore: To have something to have things like that just go and check and I just want to bring up as well that the Chair in a meeting.

1555

02:21:19.860 --> 02:21:25.350

Mohamed Traore: felt the need to basically silence public towards the end of a meeting and I asked to hear from the public.

1556

02:21:25.620 --> 02:21:33.750

Mohamed Traore: And there was a bit of a backlash at that and people on the Commission scoffing and use that was very upsetting as well, because I just don't think that.

1557

02:21:34.410 --> 02:21:41.610

Mohamed Traore: is the right thing to be doing, we need to be welcoming the public in any way, shape or form if they don't like what we're doing fine they can say so.

1558

02:21:41.880 --> 02:21:47.880

Mohamed Traore: If they do like what we're doing fine they can say so, at the end of the day, what they say what they think matters.

1559

02:21:48.480 --> 02:21:58.230

Mohamed Traore: So then that's going to help us get closer to the best solutions for the most amount of people there may be nine of us in this Commission, but there are over 80,000 people that live in a city alone.

1560

02:21:59.610 --> 02:22:07.200

Mohamed Traore: So if we're going to be making these decisions that affect all of these people need to make sure we actually listen to them and we don't just sit here and think.

1561

02:22:07.530 --> 02:22:17.490

Mohamed Traore: That just because we are on this Commission everything that we say ghosts and in, and then there was also some members of the public in our meeting on Monday.

1562

02:22:18.570 --> 02:22:26.400

Mohamed Traore: That it seemed like they're basically threatening some of us with some kind of information dumps or something like that and.

1563

02:22:28.170 --> 02:22:30.630

Mohamed Traore: I will just be very general about this to be careful, but.

1564

02:22:32.340 --> 02:22:42.840

Mohamed Traore: I don't scare easily so if there's anything that you would like to bring against myself or anyone else on this condition, but especially against me go ahead on i'm ready for it.

1565

02:22:43.800 --> 02:22:55.050

Mohamed Traore: I I really have no fear, when it comes to that and i'm not joking when I say that, if you would like to threaten me you you best bring everything you've gotten better and for the edges.

1566

02:22:55.380 --> 02:22:56.460

i'm not going down.

1567

02:22:57.930 --> 02:23:07.350

Mohamed Traore: And when and thank you, whoever left there but i'm dead serious um and I would also like to say that that was a very upsetting as well to hear that.

1568

02:23:07.650 --> 02:23:16.170

Mohamed Traore: From people that are elders in this Community, because there were also speaking about respecting people that are older than you and that i've been there and done that well.

1569

02:23:16.620 --> 02:23:19.380

Mohamed Traore: At one time have I disrespected any of you.

1570

02:23:20.160 --> 02:23:32.430

Mohamed Traore: In fact, threatening me was very, very disrespectful, I would like to say, and if you're all the ones that we should be learning from, I would like to ask why did it take a youth led movement to get this Commission started.

1571

02:23:33.030 --> 02:23:41.520

Mohamed Traore: Why is it that you many of you are alive for a lot of the civil rights movements and things going on in the past year we're still dealing with a lot of these problems and worse.

1572

02:23:41.850 --> 02:23:50.550

Mohamed Traore: Why is it that when I get on social media sites such as Facebook I watch people's parents and grandparents fighting back and forth and yelling at each other and.

1573

02:23:50.910 --> 02:23:58.770

Mohamed Traore: In unfriended each other, and it is just seems absolutely ridiculous to me because we are one people in one country.

1574

02:23:59.640 --> 02:24:05.970

Mohamed Traore: And if we are going to come together, we need to continue speaking to one another, and we need to continue trusting one another.

1575

02:24:06.810 --> 02:24:15.390

Mohamed Traore: And it is, it is not okay to act as if someone's voice doesn't matter just because they vote a certain way, or just because they believe in a certain thing or just because they.

1576

02:24:16.200 --> 02:24:22.830

Mohamed Traore: Vote for a certain party in this is these things have been upsetting me for years I have been.

1577

02:24:23.310 --> 02:24:32.160

Mohamed Traore: A registered independent since 2015 I was 20 years old, at the time, and as someone that's not supposed to know better, how is it that I was able to see that far back.

1578

02:24:32.550 --> 02:24:42.660

Mohamed Traore: That we're at a time in this country, where we had become so divided that people would start to hate each other, just because they vote for a democrat, or just because they vote for republican.

1579

02:24:43.110 --> 02:24:50.370

Mohamed Traore: And I also just want to bring up the fact that, if we want to keep talking about how wise elders are, why is it that we have the oldest Congress in history.

1580

02:24:50.700 --> 02:25:02.040

Mohamed Traore: Where the average age of a house someone in the House of Representatives and 58 the average age of a senator is 63 our President is 78 a last President was 73 is that normal.

1581

02:25:02.460 --> 02:25:12.630

Mohamed Traore: And why is it that we have so many of these issues still to this day, we are told to step aside because we're so young, and we don't understand we are told that oh you.

1582

02:25:13.050 --> 02:25:26.760

Mohamed Traore: think you care and you think you know which you don't really know what you're going to do, are you sure, because you haven't given us the opportunity to truly show you continue to tell us to step aside and let you show us the way when is it our turn.

1583

02:25:28.800 --> 02:25:37.410

Mohamed Traore: Are you, is it going to take till the day that the current that the older generations dire retire, finally, that we finally get our chances.

1584

02:25:37.890 --> 02:25:47.760

Mohamed Traore: The average age of a CEO right now is 5620 years ago, the average age of the CEO was 36 what does that mean that the same generation had all the same positions.

1585

02:25:48.690 --> 02:26:09.030

Mohamed Traore: Why why, why are we not getting our opportunity when we are leading these movements and why is it that people are told to get over things that was also something upsetting to me when it came to the car situation downtown because my sister was also in that protest.

1586

02:26:10.590 --> 02:26:11.910

Mohamed Traore: When it comes to my family.

1587

02:26:13.740 --> 02:26:26.280

Mohamed Traore: I don't take things like that lightly don't don't say just get over that that's been my sister that have been hidden affected, I would have just blown up in this meeting, to be honest, if I were to purchase get over it.

1588

02:26:27.780 --> 02:26:32.100

Royceann Porter: What you're what you're talking about when you say get over it, what are you talking about please tell me.

1589

02:26:32.670 --> 02:26:45.000

Mohamed Traore: um there was a was a meeting, I believe it was the second or third meeting when we talked about the situation where the individual that I run his car through the protesters and it seemed as if i'm.

1590

02:26:46.080 --> 02:26:55.830

Mohamed Traore: yourself as long as some other older members of this Commission were basically trying to get us past the point of you know, the if our conversation and.

1591

02:26:56.310 --> 02:27:09.120

Mohamed Traore: The ire held for ifr I mean while you may not agree with them once again this condition exists because of the work they did, and I mean i'm a person, where I will call out a proxy or whatever it is.

1592

02:27:09.510 --> 02:27:10.470

Mohamed Traore: Wherever I see it.

1593

02:27:10.500 --> 02:27:23.280

Royceann Porter: You should and you should, but my point is I keep hearing get over it, where where is it that when the car ran through the the guy ran through the car literally where did you get I said get over it.

1594

02:27:23.820 --> 02:27:30.090

Mohamed Traore: You might not have said it in this exact words but I mean we can flip back to the meeting minutes mean at some point if you'd like to I know.

1595

02:27:31.320 --> 02:27:35.820

Raneem Hamad: I can clarify this was said during a city council during public comment.

1596

02:27:36.780 --> 02:27:39.450

Royceann Porter: And what did I say I said it to.

1597

02:27:39.510 --> 02:27:45.090

Raneem Hamad: Yes, you make comments that you can go back to the City Council meeting Minutes that state that.

1598

02:27:46.530 --> 02:27:50.610

Raneem Hamad: Nicholson just put a comment in the chat saying I can speak on it, so I will.

1599

02:27:50.850 --> 02:27:51.240

wow.

1600

02:27:52.410 --> 02:27:54.600

Raneem Hamad: invite him to speak so you can speak on it.

1601

02:27:54.720 --> 02:28:03.810

Mohamed Traore: off for now have up the floor to, and if the rest of the Commissioners would, if anyone else would like to speak before Mr Tyson does go ahead, but.

1602

02:28:04.170 --> 02:28:04.470

We can.

1603

02:28:05.730 --> 02:28:06.300

Commissioner Ali (she/her/hers): speak.

1604

02:28:12.900 --> 02:28:15.900

Mohamed Traore: All right, sorry Thank you Nicholas and.

1605

02:28:17.610 --> 02:28:24.390

Mohamed Traore: and leisure, but I would also just like to finish with when it comes to these allegations, the person that.

1606

02:28:24.900 --> 02:28:32.190

Mohamed Traore: made the specific allegations against you, is in this meeting tonight Okay, he is prepared to say what he has to say if needed.

1607

02:28:32.700 --> 02:28:39.090

Mohamed Traore: And personally, I would like to have it not come to that, and I would have liked to have just come to you directly.

1608

02:28:39.540 --> 02:28:47.010

Mohamed Traore: But when we talk about things such as robert's rules, I did read through them extensively and I took good notes on them, and I do know that when it comes to.

1609

02:28:47.280 --> 02:28:55.050

Mohamed Traore: Private and personal information such as this, the individual and question has to clear that information being released prior to it being discussed.

1610

02:28:55.290 --> 02:29:06.690

Mohamed Traore: And I would have been under legal scrutiny, had I just spoken to you about it just out of the blue, because you were the one being accused in this situation, but if you would like to know what it centers around it is once again.

1611

02:29:07.860 --> 02:29:15.270

Mohamed Traore: An environment of basically bullying people that would like to speak up and speak their mind, and I mean you can scoff again if you'd like but.

1612

02:29:15.330 --> 02:29:16.560

Royceann Porter: yeah because I need to.

1613

02:29:16.560 --> 02:29:18.510

Mohamed Traore: Like he doesn't have the phone record of it.

1614

02:29:18.720 --> 02:29:20.970

Mohamed Traore: And it's not like he didn't immediately talk about it.

1615

02:29:21.270 --> 02:29:22.500

Mohamed Traore: Okay, with that.

1616

02:29:22.770 --> 02:29:32.640

Royceann Porter: We need to hear it, because if i'm going to be accused us after I got every right baby to sit here and tell you I know me, and I know I know me and I haven't really I haven't believed anybody.

1617

02:29:34.770 --> 02:29:38.400

Mohamed Traore: Okay, with that oh you're the floor and allowing.

1618

02:29:39.900 --> 02:29:40.740

Mohamed Traore: Your chair.

1619

02:29:42.300 --> 02:29:46.920

Mohamed Traore: i'm you know Commissioner Ali or a modest speaker if they would like to have a public go ahead, we can have.

1620

02:29:47.070 --> 02:29:50.370

Raneem Hamad: Yes, can we have Nicholas please Nicholas do you can you share.

1621

02:29:53.310 --> 02:29:53.670

Raneem Hamad: Once I.

1622

02:29:59.550 --> 02:30:00.000

Nicholas Theisen: can remember.

1623

02:30:02.430 --> 02:30:03.540

Royceann Porter: You can have staticky.

1624

02:30:04.050 --> 02:30:05.520

Nicholas Theisen: Oh i'm really sorry i'm sorry.

1625

02:30:07.530 --> 02:30:12.720

Nicholas Theisen: Well, if I mean I mean I can submit the I can submit in your writing if you prefer.

1626

02:30:13.470 --> 02:30:20.100

Nicholas Theisen: I mean I don't really have to characterize much I mean it's in the Minutes from not the most recent City Council meeting, but from the previous one.

1627

02:30:20.940 --> 02:30:24.390

Nicholas Theisen: Just to characterize it as quickly as possible because I don't want to take up too much time.

1628

02:30:25.320 --> 02:30:31.740

Nicholas Theisen: Basically I and several other people had addressed so you can't say again, not the most recent one, the previous one.

1629

02:30:32.430 --> 02:30:39.300

Nicholas Theisen: So we cancelled during public comment time and I believe I had mentioned something to the effect of city council members being cowards.

1630

02:30:40.260 --> 02:30:49.830

Nicholas Theisen: And I, I have a feeling, this must have actually said i've chair porter because you specifically referenced it surely after I spoke with you and Mr Harris spoke.

1631

02:30:50.430 --> 02:30:59.040

Nicholas Theisen: And in the context of that not only did you lavish praise on each individual City Council member and also the city manager, as well as the city attorney.

1632

02:30:59.940 --> 02:31:13.080

Nicholas Theisen: You explicitly said that people have got to get over June 3 it's literally in minutes and I will forward the Minutes to the caution if people want to see it so even if you don't remember it doesn't you can shake your head on, you want it's literally transcribed.

1633

02:31:13.500 --> 02:31:18.300

Nicholas Theisen: So i'm sorry but it's there you did say it and we said it publicly so that's all I have to say.

1634

02:31:18.810 --> 02:31:41.730

Royceann Porter: Okay, and you know what i'll come back and say i'm literally listening to that city council meeting I spoke after Eric esteem and one of the things that I sit there and watch you do was you, you spoke of the O R O our report and you literally was calling and city council.

1635

02:31:43.260 --> 02:31:57.840

Royceann Porter: powers, so I spoke up because when I raised my hand I live in really spoke up to listening to I somebody from ifr a white guy literally talking about.

1636

02:31:58.770 --> 02:32:19.080

Royceann Porter: disrespecting the black leadership of city council and that's what I said to you, that is what I said you literally said, and my thought here you are a coward to if you let this happen so that's what I was, like you, are using your White privilege to disrespect our black leadership.

1637

02:32:20.220 --> 02:32:32.850

Royceann Porter: So for me to sit here and tell you how to get over Jim third that's a damn lie because i've never once told john to get over June 3 on June 3 when June 3 happen, let me tell you where I was.

1638

02:32:33.330 --> 02:32:50.370

Royceann Porter: me my side here and a mayor Bruce was downtown when it happened when it happened, the next morning, I called the Sheriff department, I came back to my job here at Johnson county to find out who made that call.

1639

02:32:51.390 --> 02:32:55.020

Mohamed Traore: get new leadership and.

1747

02:39:32.160 --> 02:39:34.710

Mohamed Traore: It seems to me that the former.

1748

02:39:35.070 --> 02:39:36.540

T'Shailyn Harrington: Now, former chair, because she has.

1749

Commissioner Ali (she/her/hers): For this I just I just want.

1758

02:39:59.760 --> 02:40:03.750

Commissioner Ali (she/her/hers): Is there something you want to say, Commissioner, Harris, I feel like i'm upsetting you.

1759

02:40:04.740 --> 02:40:16.530

Eric Harris: Know i'm Cuban X to finish what he has to say he was talking, just like the vice chair sit let him present his evidence, because i've seen it and heard about it.

1760

02:40:17.760 --> 02:40:20.640

Eric Harris: And this is what the kindle confidence voters about it's not about.

1761

02:40:22.170 --> 02:40:22.860

Eric Harris: The other thing.

1762

02:40:23.400 --> 02:40:23.730

About.

1763

02:40:26.370 --> 02:40:26.700

T'Shailyn Harrington: here's a.

1764

02:40:28.770 --> 02:40:30.000

Jesse Case: here's a genuine somebody.

1765

02:40:30.180 --> 02:40:32.370

Jesse Case: very wise put something in the comments about.

1766

02:40:32.940 --> 02:40:38.160

Jesse Case: You know the conflict serve no purpose, but some of this should be worked out behind closed doors, because there's a certain element.

1767

02:40:38.160 --> 02:40:39.090

Jesse Case: of character says.

1768

02:40:39.750 --> 02:40:39.960

A.

1769

02:40:41.400 --> 02:40:43.290

Raneem Hamad: lot about character assassination and i'm literally.

1770

02:40:43.290 --> 02:40:45.630

Raneem Hamad: Trying to speak it up had been trying to speak to the past.

1771

02:40:45.930 --> 02:40:50.100

Raneem Hamad: As well help us move forward, but no one wants to.

1772

02:40:51.990 --> 02:40:52.260

T'Shailyn Harrington: Get.

1773

02:40:52.590 --> 02:40:53.220

T'Shailyn Harrington: The one thing.

1774

02:40:53.310 --> 02:40:54.840

Raneem Hamad: Two things I wanted to clarify from what chip.

1775

02:40:54.870 --> 02:40:56.400

Raneem Hamad: porter has spoken about earlier.

1776

02:40:56.550 --> 02:41:00.960

Raneem Hamad: One she was not President, when we got to your gas, I was there tear gas happened.

1777

02:41:01.200 --> 02:41:02.940

Raneem Hamad: I way after 11pm.

1778

02:41:03.420 --> 02:41:05.160

T'Shailyn Harrington: She was not present to.

1779

02:41:05.550 --> 02:41:07.260

Raneem Hamad: meet the discussions.

1780

02:41:07.290 --> 02:41:11.010

Raneem Hamad: of her saying that she did not say what she said during the City Council meeting.

1781

02:41:11.430 --> 02:41:15.360

T'Shailyn Harrington: there's multiple people who have confirmed this in the chat that instead of it's in the meeting.

1782

02:41:15.360 --> 02:41:20.640

Raneem Hamad: minutes, so those are the two things I want to first clarify second of all the when the person who.

1783

02:41:20.670 --> 02:41:25.980

Raneem Hamad: Was with regards to the issues of what happened there, what are the allegations the elegant and the reason.

1784

02:41:26.040 --> 02:41:27.840

Raneem Hamad: Why we didn't want to bring the witness into this.

1785

02:41:27.840 --> 02:41:29.190

Raneem Hamad: conversation is because.

1786

02:41:29.310 --> 02:41:30.930

Raneem Hamad: This person was literally harassed.

1787

02:41:30.990 --> 02:41:41.280

Raneem Hamad: by our former chair and we did not want to subject them to further harassment by forcing him to be in a space that is not safe, that is not following its mandate of making sure that the public is put.

1788

02:41:41.670 --> 02:41:50.580

Raneem Hamad: Put at the Center of every color every discussion so Why would it be and it's in their best interest to put them in this position, where he would they would have to talk about their.

1789

02:41:51.000 --> 02:41:53.310

Raneem Hamad: trauma to their harasser and force.

1790

02:41:53.310 --> 02:41:53.520

T'Shailyn Harrington: them.

1791

02:41:53.610 --> 02:41:54.990

Raneem Hamad: To be subject to further harm.

1792

02:41:55.140 --> 02:41:56.670

Raneem Hamad: But something that we were not interested to.

1793

02:41:56.850 --> 02:42:00.570

Raneem Hamad: The evidence of the allegations was presented to everyone and then within the.

1794

02:42:00.570 --> 02:42:03.600

Raneem Hamad: Commission and I sent an email that was President.

1795

02:42:03.900 --> 02:42:08.220

Raneem Hamad: Gender that informed everyone all the Commissioners of the evidence that I had had.

1796

02:42:08.490 --> 02:42:09.780

T'Shailyn Harrington: In fact Eric.

1797

02:42:09.840 --> 02:42:12.450

Raneem Hamad: reached out to me personally so and that's how he.

1798

02:42:12.480 --> 02:42:14.430

T'Shailyn Harrington: got the evidence of the.

1799

02:42:14.610 --> 02:42:16.170

Raneem Hamad: Allegations able to listen.

1800

02:42:16.980 --> 02:42:18.210

Jesse Case: She just resign.

1801

02:42:18.270 --> 02:42:21.150

Jesse Case: Why is it necessary to continue down this.

1802

02:42:21.180 --> 02:42:22.350

Raneem Hamad: path we need.

1803

02:42:23.940 --> 02:42:24.360

T'Shailyn Harrington: Is.

1804

02:42:25.110 --> 02:42:28.020

Raneem Hamad: necessary because the public needs to know, and second, of all, I.

1805

02:42:29.790 --> 02:42:37.170

Raneem Hamad: would like to speak and I would like them again to Center what their wants are, and I would like to victim, the victim of this harassment.

1806

02:42:37.200 --> 02:42:37.800

T'Shailyn Harrington: To speak.

1807

02:42:38.040 --> 02:42:40.320

Raneem Hamad: So jalen if you're willing to speak and you feel comfortable.

1808

02:42:40.320 --> 02:42:42.600

Raneem Hamad: Speaking and sharing your story I would love to.

1809

02:42:43.050 --> 02:42:43.890

T'Shailyn Harrington: hear your thoughts.

1810

02:42:48.150 --> 02:42:53.610

T'Shailyn Harrington: On if you would be and I do want to mention that this is what i've been wanting to happen.

1811

02:42:56.640 --> 02:43:00.450

T'Shailyn Harrington: Okay day one, if you want, you can you hear me.

1812

02:43:01.770 --> 02:43:02.040

T'Shailyn Harrington: feel.

1813

02:43:03.090 --> 02:43:03.450

Jaylen Cavil: yeah.

1814

02:43:03.990 --> 02:43:04.950

Jaylen Cavil: yeah I don't want to be like.

1815

02:43:05.010 --> 02:43:05.880

T'Shailyn Harrington: You know, to Jimmy.

1816

02:43:06.030 --> 02:43:10.590

Jaylen Cavil: I feel like things are a little bit too dramatic right now i'm honestly but.

1817

02:43:11.310 --> 02:43:23.610

Jaylen Cavil: I will speak on what happened um you know, so it folks remember I spoke at a meeting, two weeks ago, I think that was a yeah February 18 so i've been attending some of these meetings.

1818

02:43:24.330 --> 02:43:29.790

Jaylen Cavil: And I did speak up last time just letting folks know that I do live in des moines i'm you know i'm.

1819

02:43:30.360 --> 02:43:39.210

Jaylen Cavil: an activist and organizer who is yeah just interested in all types of ways that racial justice can be advanced and I was interested in this PRC, which is why i've been tuning into it.

1820

02:43:39.870 --> 02:43:47.910

Jaylen Cavil: Since it began, for the most part um yeah just trying to see how how y'all are doing it and seeing if it can be like replicated in you know, possibly the morning.

1821

02:43:48.210 --> 02:43:59.970

Jaylen Cavil: So yeah I just spoke up at a meeting, two weeks ago February 18 i'm just kind of expressing like what I just said why I was watching the meeting and kind of expressing my disappointment for the.

1822

02:44:00.690 --> 02:44:13.230

Jaylen Cavil: Just just how messy it was honestly, like everyone knows who's been watching like it's been a mess, for the most part and and I just expressed that when I spoke up i'm not router one out.

1823

02:44:14.880 --> 02:44:15.840

T'Shailyn Harrington: That I was disappointed.

1824

02:44:16.080 --> 02:44:22.650

Jaylen Cavil: And I see folks together and I the yeah work towards the things that you're supposed to be working on.

1825

02:44:23.340 --> 02:44:27.210

Jaylen Cavil: So that's that's all I said, really, for the most part, I do want to say, the reason I did speak up.

1826

02:44:27.810 --> 02:44:33.750

Jaylen Cavil: was just and I think that the meetings were so dysfunctional for the most part, was probably because we're saying was the chair.

1827

02:44:34.290 --> 02:44:42.870

Jaylen Cavil: But I didn't say that when I spoke up I didn't single single anyone out and then you know the next day I got a call from Maurice and i'm to my cell phone.

1828

02:44:43.470 --> 02:44:52.230

Jaylen Cavil: i'm good I entered it, you know hello, how are you doing or saying politely she immediately was very hostile told me, I heard that you have a problem with me and we need to talk.

1829

02:44:53.250 --> 02:45:02.970

Jaylen Cavil: And I was like I have no problem with you, I don't know what you're referring to, and she began to you know tell me how I don't know anything you know I don't know anything and i'm.

1830

02:45:03.270 --> 02:45:06.750

Jaylen Cavil: So young people don't know anything, and it was very much like.

1831

02:45:06.900 --> 02:45:17.070

Jaylen Cavil: Like literally me and questioning my intelligence she kept saying over and over again that I was an ifr and me, and all the ifr people don't know anything I kept telling her i'm not an ifr.

1832

02:45:17.700 --> 02:45:23.010

Jaylen Cavil: You know I know people and if i'm friends with folks and I have far, but I am not a member, by far, I live in the morning.

1833

02:45:23.790 --> 02:45:27.420

Jaylen Cavil: And you know she kept saying I was an ifr I was like i'm not an ifr she kept saying you know.

1834

02:45:27.720 --> 02:45:34.020

Jaylen Cavil: Basically, questioning why intelligence saying I don't really know what's going on, telling me I don't know what's going on at the state House at the legislature, you know.

1835

02:45:34.260 --> 02:45:46.020

Jaylen Cavil: Well, a bunch of other things, it was a 20 minute conversation of us going back and forth of me, you know, trying to be as respectful as possible, because I do have respect for worse than I do, where is the importer and you know her accomplishments in the work she's done.

1836

02:45:47.910 --> 02:45:48.420

Jaylen Cavil: and

1837

02:45:50.160 --> 02:46:00.120

Jaylen Cavil: Fishing for about 20 minutes, I express I felt like she was being disrespectful to me and I didn't know why she was being disrespectful to me because I felt like I had always been respectful to her um.

1838

02:46:00.870 --> 02:46:06.690

Jaylen Cavil: And you know she kind of use any of the conversation I was just very, very hostile conversation and.

1839

02:46:07.200 --> 02:46:12.720

Jaylen Cavil: It just made me feel uncomfortable I don't want to say I was like traumatized by it, or anything like that, like it was I can handle the.

1840

02:46:13.140 --> 02:46:27.480

Jaylen Cavil: Intense conversation or someone coming at me i'm i'm very used to people being hostile towards me, you know it's it comes with you know the things that I do right, I like to speak out so i'm used to people speaking back at me, but I just felt uncomfortable I guess being as her.

1841

02:46:27.690 --> 02:46:29.490

Jaylen Cavil: Being the Chair of the Commission and me.

1842

02:46:30.270 --> 02:46:36.780

Jaylen Cavil: I felt like she had called me because I gave a public comment that at the meeting the day before, so you know it makes me think like, though.

1843

02:46:37.650 --> 02:46:44.520

Jaylen Cavil: Are Am I should I keep getting can I give a public comment, without having to worry about like hearing from the Chair, you know my cell phone or.

1844

02:46:44.880 --> 02:46:55.020

Jaylen Cavil: or other people who are given public comments that are you know criticizing the Commission also receiving phone calls from the Chair or other people in the Commission that are that are hostile um so yeah I just.

1845

02:46:55.650 --> 02:47:05.370

Jaylen Cavil: Let other folks who I know who are on the Commission or folks who are you know acquaintances or colleagues with people on the Commission know about this interaction, I had with tori saying and.

1846

02:47:06.510 --> 02:47:19.410

Jaylen Cavil: I guess it was shared with other folks on the Commission and is now i'm being used as a reason for rentable makes honestly um you know you cannot say I was traumatized feel like.

1847

02:47:20.520 --> 02:47:20.880

Jaylen Cavil: Saying.

1848

02:47:22.860 --> 02:47:29.940

Jaylen Cavil: I don't know I again I have respect by this conversation or action with her hope that you know.

1849

02:47:31.110 --> 02:47:35.340

Jaylen Cavil: does not feel as if i'm like trying to assassinate your character like I know Jesse said.

1850

02:47:35.340 --> 02:47:35.970

T'Shailyn Harrington: Earlier, whether.

1851

02:47:36.210 --> 02:47:37.410

Jaylen Cavil: This is a personal attack him.

1852

02:47:37.410 --> 02:47:42.240

Jaylen Cavil: Sir i'm just explaining what happened because I think that it sounds like everyone was interested in hearing it.

1853

02:47:42.900 --> 02:47:51.030

Jaylen Cavil: Also, say, I guess, while i'm just talking um what's the point of even having a chair when Jesse cases really acting like the chair and kind of running the whole meaning, so I just.

1854

02:47:51.330 --> 02:47:58.920

Jaylen Cavil: feel like there's too much involvement from this white man in the CRC but that's just my own personal opinion on the matter um I guess that's all say.

1855

02:47:59.670 --> 02:48:00.180

Royceann Porter: yay land.

1856

02:48:02.430 --> 02:48:04.050

Royceann Porter: Can you can you tell the.

1857

02:48:05.070 --> 02:48:08.430

Royceann Porter: People on this call, how we ended the conversation.

1858

02:48:10.380 --> 02:48:10.740

Jaylen Cavil: um.

1859

02:48:11.040 --> 02:48:13.140

Jaylen Cavil: How did you don't have to speak, if you don't feel.

1860

02:48:13.140 --> 02:48:14.760

Royceann Porter: comfortable when you.

1861

02:48:16.050 --> 02:48:20.040

Jaylen Cavil: How do you how do you how do you recall that we ended the conversation or saying.

1862

02:48:20.280 --> 02:48:23.460

Royceann Porter: I want to, I want to tell it from start to finish.

1863

02:48:24.150 --> 02:48:26.430

Jaylen Cavil: I mean you refute the things that I said.

1864

02:48:26.790 --> 02:48:31.440

Raneem Hamad: Absolutely, and if you don't feel comfortable with this conversation you don't have to continue this conversation.

1865

02:48:31.470 --> 02:48:41.430

Jaylen Cavil: Okay i'll just say that everything that I said was truthful I was not exaggerating I could have you been I could have went in more about some of the things that she said, and I did not, I didn't mention was.

1866

02:48:42.840 --> 02:48:43.410

Royceann Porter: Gaining.

1867

02:48:43.860 --> 02:48:46.650

Jaylen Cavil: Because i'm passwords, but I just you know I didn't.

1868

02:48:46.710 --> 02:48:48.750

Royceann Porter: mean it How did we end the conversation.

1869

02:48:48.750 --> 02:49:00.330

Royceann Porter: Because me and you literally had a whole conversation what you're telling these people on this phone is totally different yes, I called you and, at the very beginning of our conversation jalen.

1870

02:49:00.600 --> 02:49:04.110

Royceann Porter: I know you personally, I called you up and I ax two.

1871

02:49:04.380 --> 02:49:07.020

Royceann Porter: jalen what the Fuck is your problem with.

1872

02:49:07.020 --> 02:49:09.660

Royceann Porter: me, those who are my words to you.

1873

02:49:10.380 --> 02:49:10.740

Jaylen Cavil: And I.

1874

02:49:11.010 --> 02:49:11.790

Jaylen Cavil: told you, I don't have a.

1875

02:49:12.150 --> 02:49:17.370

Royceann Porter: Bad your turn I want to be able, you can come back, but I want to be able to tell my side of the story okay.

1876

02:49:18.510 --> 02:49:22.770

Royceann Porter: Because you've told yours and when when when when I spoke to you that.

1877

02:49:22.770 --> 02:49:32.160

Royceann Porter: was the first thing I said and you said, Miss Royce and I don't have a problem with you, I said what is going on, the first thing you said to me, was.

1878

02:49:32.670 --> 02:49:49.410

Royceann Porter: I wish you would sit down with ifr he said, I wish you can sit down with ifr that's what you said to me and I told you Jane and I tried that I said I did that from day one, I literally you told me miss ya sayin.

1879

02:49:49.800 --> 02:49:53.760

Royceann Porter: i'm not with the ifr you tell me you with with the black.

1880

02:49:54.870 --> 02:49:55.380

Mohamed Traore: National.

1881

02:49:56.880 --> 02:49:57.630

Jaylen Cavil: movement is.

1882

02:49:57.690 --> 02:49:59.910

Mohamed Traore: yeah yeah yeahs Commissioner porter and jalen.

1883

02:50:00.300 --> 02:50:02.460

Mohamed Traore: In the interest of everyone's time in here.

1884

02:50:02.670 --> 02:50:07.020

Royceann Porter: I don't know we can't talk about nobody time if i'm being accused of.

1885

02:50:07.020 --> 02:50:07.470

Something.

1886

02:50:11.010 --> 02:50:11.970

Mohamed Traore: From what I was told.

1887

02:50:12.420 --> 02:50:19.500

Mohamed Traore: We were supposed to have the person making the accusation speak and talk about them um I don't.

1888

02:50:20.520 --> 02:50:23.880

Royceann Porter: I can't respond somebody can just somebody could just come.

1889

02:50:26.400 --> 02:50:28.440

Mohamed Traore: guys are currently having a back and forth.

1890

02:50:30.510 --> 02:50:31.050

Mohamed Traore: Monday

1891

02:50:32.940 --> 02:50:33.420

Mohamed Traore: Okay.

1892

02:50:34.650 --> 02:50:35.160

Mohamed Traore: Monday

1893

02:50:43.980 --> 02:50:44.430

Royceann Porter: fan.

1894

02:50:44.610 --> 02:50:47.670

T'Shailyn Harrington: Yes, yes, and we just.

1895

02:50:48.780 --> 02:50:54.810

T'Shailyn Harrington: Go for it but but listen after after both sides of the story is laid out.

1896

02:50:55.440 --> 02:50:56.040

Royceann Porter: i'm done.

1897

02:50:57.060 --> 02:51:00.120

Royceann Porter: i'm done, but I need to be able to tell my story.

1898

02:51:00.120 --> 02:51:01.590

T'Shailyn Harrington: Go no yeah.

1899

02:51:01.650 --> 02:51:04.740

T'Shailyn Harrington: that's one thing you know your side and.

1900

02:51:06.510 --> 02:51:08.430

T'Shailyn Harrington: done and it's up to interpretation of what.

1901

02:51:08.940 --> 02:51:09.540

T'Shailyn Harrington: From he says.

1902

02:51:10.470 --> 02:51:11.520

T'Shailyn Harrington: He say.

1903

02:51:11.970 --> 02:51:15.390

Royceann Porter: What is he say she say this say no.

1904

02:51:15.570 --> 02:51:17.670

Royceann Porter: You don't got no record they don't have.

1905

02:51:17.700 --> 02:51:29.490

Royceann Porter: Anything nobody did anything to even see if it's true it's just that he came and told us this what you did I did call him, yes I call him and he told me he was.

1906

02:51:29.490 --> 02:51:30.060

Royceann Porter: Not with.

1907

02:51:30.120 --> 02:51:30.240

us.

1908

02:51:32.250 --> 02:51:32.730

to share.

1909

02:51:34.350 --> 02:51:34.680

Commissioner Ali (she/her/hers): I don't.

1910

02:51:34.710 --> 02:51:45.090

Commissioner Ali (she/her/hers): Think I don't think that you should be saying this is a he said she said thing, because if people are going to be coming on to this platform later and telling their truths about.

1911

02:51:45.570 --> 02:51:46.410

Exactly.

1912

02:51:52.980 --> 02:52:07.800

T'Shailyn Harrington: I understand, not yeah that importance of supporting people who come and share their vulnerability, I understand how ever I do see the importance of their being that.

1913

02:52:10.770 --> 02:52:11.340

T'Shailyn Harrington: They don't yeah.

1914

02:52:12.060 --> 02:52:14.400

Commissioner Ali (she/her/hers): They don't think this is more like.

1915

02:52:15.210 --> 02:52:15.960

Commissioner Ali (she/her/hers): I don't want to make.

1916

02:52:17.490 --> 02:52:20.190

Commissioner Ali (she/her/hers): yeah I don't want to make rice and feel like she's sitting on this.

1917

02:52:21.630 --> 02:52:22.860

Commissioner Tony Currin: She stepped down.

1918

02:52:31.230 --> 02:52:31.530

T'Shailyn Harrington: well.

1919

02:52:31.770 --> 02:52:33.660

Royceann Porter: I can tell my story is just.

1920

02:52:36.150 --> 02:52:36.450

Eric Harris: Do we.

1921

02:52:37.260 --> 02:52:41.670

Commissioner Ali (she/her/hers): want to hear your story, I just want I do want to hear your story i'm just saying.

1922

02:52:41.700 --> 02:52:42.840

Mohamed Traore: Can we have our.

1923

02:52:42.840 --> 02:52:44.700

Mohamed Traore: Acting chair, Commissioner.

1924

02:52:44.820 --> 02:52:50.220

Mohamed Traore: I can just call this to order so we can continue with however we're going to do this we don't have.

1925

02:52:50.580 --> 02:52:50.790

Mohamed Traore: Like.

1926

02:52:50.850 --> 02:52:51.870

T'Shailyn Harrington: eight different people speak.

1927

02:52:53.040 --> 02:52:53.400

T'Shailyn Harrington: Yes.

1928

02:52:54.030 --> 02:53:05.250

T'Shailyn Harrington: Yes, part of that is not everybody speak it or I say finish what you're saying, and then we will be done with this agenda item, because there is no vote.

1929

02:53:06.900 --> 02:53:13.710

T'Shailyn Harrington: there's no need for a vote of no confidence because she has resigned and I am now assuming role of chair okay.

1930

02:53:14.850 --> 02:53:15.360

T'Shailyn Harrington: Yes.

1931

02:53:15.750 --> 02:53:16.590

T'Shailyn Harrington: Okay, as.

1932

02:53:17.580 --> 02:53:20.850

Royceann Porter: Long as i'm able to get my story i'm okay I don't care about nothing else.

1933

02:53:21.360 --> 02:53:30.840

Royceann Porter: To what goes on, so when he told me that he was with the group he was in he said we're going to.

1934

02:53:32.430 --> 02:53:35.280

Royceann Porter: abolish the police we're going to.

1935

02:53:36.240 --> 02:53:39.690

Royceann Porter: defund the police, and I said.

1936

02:53:39.750 --> 02:53:42.810

Royceann Porter: Jamie do you know what's on the state.

1937

02:53:42.840 --> 02:53:44.550

Royceann Porter: legislature floor.

1938

02:53:45.060 --> 02:53:46.410

Royceann Porter: Right now, in the morning.

1939

02:53:46.740 --> 02:53:59.130

Royceann Porter: And he told me I said the governor has made a statement that if anybody defund the police they're going to cut our funding so then he said we're going to.

1940

02:53:59.400 --> 02:54:00.420

Royceann Porter: Get rid of.

1941

02:54:00.840 --> 02:54:08.970

Royceann Porter: i'm systemic racism and I said oh Okay, and so I asked him I said Jamie what are you doing.

1942

02:54:09.210 --> 02:54:10.890

Royceann Porter: Positive what are you doing.

1943

02:54:10.890 --> 02:54:19.410

Royceann Porter: Positive in your Community he said well with the blistering cold last week, he said, we were able to raise money.

1944

02:54:19.650 --> 02:54:22.740

Royceann Porter: To put up 175.

1945

02:54:22.770 --> 02:54:26.850

Royceann Porter: People in a hotel and homeless people.

1946

02:54:27.090 --> 02:54:30.180

Royceann Porter: And I said Okay, I said what guess what Jamie.

1947

02:54:30.210 --> 02:54:31.140

Royceann Porter: He said yes.

1948

02:54:31.410 --> 02:54:33.300

Royceann Porter: I said, we have the guy link.

1949

02:54:33.300 --> 02:54:35.640

Royceann Porter: Center I said we got a brand new.

1950

02:54:35.670 --> 02:54:37.800

Royceann Porter: guys links in an open right now.

1951

02:54:37.980 --> 02:54:39.810

T'Shailyn Harrington: That we are hosting homeless.

1952

02:54:39.810 --> 02:54:41.970

Royceann Porter: People in I said not only.

1953

02:54:42.000 --> 02:54:42.420

T'Shailyn Harrington: That.

1954

02:54:42.720 --> 02:54:46.530

Royceann Porter: City Council has approved a.

1955

02:54:46.560 --> 02:54:48.060

T'Shailyn Harrington: Mental health person.

1956

02:54:48.240 --> 02:54:49.680

Royceann Porter: To go out with the police.

1957

02:54:49.920 --> 02:54:52.020

Royceann Porter: I said and hold on not only that.

1958

02:54:52.260 --> 02:54:53.340

Royceann Porter: I said Jamie.

1959

02:54:53.550 --> 02:54:54.510

We have.

1960

02:54:55.830 --> 02:54:56.370

Royceann Porter: A.

1961

02:54:57.450 --> 02:55:05.520

Royceann Porter: We don't have to worry about our college kids getting all w eyes and dais because they the police now can take them to the guy link Center.

1962

02:55:06.900 --> 02:55:08.100

T'Shailyn Harrington: And they can detox.

1963

02:55:08.100 --> 02:55:11.400

Royceann Porter: For 24 hours, so how inhale was I.

1964

02:55:11.400 --> 02:55:12.900

Royceann Porter: Intimidation when me and this.

1965

02:55:12.900 --> 02:55:13.140

Royceann Porter: boy.

1966

02:55:13.170 --> 02:55:13.980

T'Shailyn Harrington: was calling me.

1967

02:55:14.010 --> 02:55:15.810

Royceann Porter: this young man was going.

1968

02:55:15.840 --> 02:55:21.510

Raneem Hamad: back and forth i'm going to have to interject I will have to leave this meeting and the victim of this issue.

1969

02:55:21.780 --> 02:55:22.290

T'Shailyn Harrington: Where you need.

1970

02:55:22.650 --> 02:55:28.440

Royceann Porter: sweetie, I just wanted to tell my story, and that was the end of my story somebody come in.

1971

02:55:28.680 --> 02:55:31.380

Royceann Porter: I don't even know how this is even happening.

1972

02:55:31.650 --> 02:55:33.120

Royceann Porter: When we talk about truth and.

1973

02:55:33.120 --> 02:55:35.160

Royceann Porter: Reconciliation i'm not even.

1974

02:55:35.280 --> 02:55:36.750  
able to tell my truth.

1975

02:55:37.800 --> 02:55:42.990  
Royceann Porter: I just got to just listen to Somebody tell me, I did  
some yeah I don't even want to hear my.

1976

02:55:42.990 --> 02:55:43.530  
T'Shailyn Harrington: truth.

1977

02:55:43.740 --> 02:55:44.550  
Royceann Porter: I had a whole.

1978

02:55:45.330 --> 02:55:46.890  
Raneem Hamad: there's a difference between telling.

1979

02:55:46.890 --> 02:55:48.360  
Raneem Hamad: Your truth and also for me.

1980

02:55:49.770 --> 02:55:52.500  
Royceann Porter: Know it's not a different tiny is the truth.

1981

02:55:55.380 --> 02:55:55.740  
T'Shailyn Harrington: Oh.

1982

02:56:02.160 --> 02:56:12.390  
T'Shailyn Harrington: But I didn't want to be because of the nature of it  
being that, as I said, being chair in a vote of no confidence and.

1983

02:56:13.410 --> 02:56:30.210  
T'Shailyn Harrington: Running email saying like do the open meetings  
policy I can't I can't discuss it, you know info in this was the only  
time that anyone could could hear what was going on, up until this point,  
I did I didn't know it's clear that.

1984

02:56:31.920 --> 02:56:33.150  
T'Shailyn Harrington: Several of them we let the Pope.

1985

02:56:34.680 --> 02:56:41.700  
Commissioner Ali (she/her/hers): I I feel like I would like to speak on  
things before we let the public speak i've been waiting.

1986

02:56:41.850 --> 02:56:48.210

T'Shailyn Harrington: Okay, I okay listen I I i'm going to allow the several.

1987

02:56:49.350 --> 02:56:52.230

T'Shailyn Harrington: members of the public to make their comments.

1988

02:56:53.430 --> 02:57:01.650

T'Shailyn Harrington: But I do want to let everyone know, since at the top of this agenda item we're saying.

1989

02:57:02.940 --> 02:57:15.060

T'Shailyn Harrington: step down from from share so there's no the agenda item to there's no need to do this, like motion to to remove a vote of no confidence.

1990

02:57:17.790 --> 02:57:19.050

Raneem Hamad: leadership and not just.

1991

02:57:19.740 --> 02:57:20.550

Commissioner Ali (she/her/hers): The fight and just.

1992

02:57:21.000 --> 02:57:21.480

T'Shailyn Harrington: Two years.

1993

02:57:22.320 --> 02:57:25.080

Commissioner Ali (she/her/hers): that's what my questions for like I need.

1994

02:57:25.350 --> 02:57:26.910

Commissioner Ali (she/her/hers): I need confirmation if she.

1995

02:57:26.910 --> 02:57:30.630

Commissioner Ali (she/her/hers): steps down does that change the rules like that this is what.

1996

02:57:30.630 --> 02:57:31.620

T'Shailyn Harrington: i'm raising my hand.

1997

02:57:33.360 --> 02:57:35.430

Commissioner Tony Currin: there's a clear line of secession.

1998

02:57:35.760 --> 02:57:36.480

Commissioner Tony Currin: We already.

1999

02:57:39.450 --> 02:57:43.350

Commissioner Ali (she/her/hers): yeah no but Commissioner current there's different rules if this was robert's rules.

2000

02:57:43.350 --> 02:57:46.350

Commissioner Ali (she/her/hers): Then, yes to shale in harrington would be our new chair.

2001

02:57:46.350 --> 02:57:48.840

Commissioner Ali (she/her/hers): But since we haven't decided that we're officially going to.

2002

02:57:48.870 --> 02:57:54.510

Commissioner Ali (she/her/hers): Go by robert's rules it's actually whatever we want it to be, I believe, if.

2003

02:57:57.120 --> 02:57:57.990

T'Shailyn Harrington: attorney still on.

2004

02:57:58.050 --> 02:57:58.740

Jesse Case: The city attorney.

2005

02:57:59.700 --> 02:58:01.200

Commissioner Ali (she/her/hers): Unless i'm reading the jargon.

2006

02:58:01.200 --> 02:58:07.350

Raneem Hamad: incorrectly go and we don't have robert's rules as our bylaws we have the right to do whatever we.

2007

02:58:07.350 --> 02:58:10.440

Mohamed Traore: want and we just had the city attorney speak, please.

2008

02:58:11.160 --> 02:58:25.050

Eleanor Dilkes: Eleanor yes Eleanor elk city attorney I think it's it's not just robert's rules that would say it succeeds, to the vice vice chair it's it's common understanding.

2009

02:58:25.500 --> 02:58:37.260

Eleanor Dilkes: it's the case with every Commission that this city has, if you want it, if you want to make that not be the case, then you know how to do that.

2010

02:58:37.740 --> 02:58:53.130

Eleanor Dilkes: But if you want to make a motion have to remove the vice chair, who is now succeeded to exceed it to the Chair that's within your power to do, but I think it's not reasonable to suggest that the vice chair does not.

2011

02:58:53.460 --> 02:58:55.440

Raneem Hamad: i'm making a motion to go for new.

2012

02:58:55.440 --> 02:58:56.100

leadership.

2013

02:58:59.520 --> 02:59:00.720

T'Shailyn Harrington: Second, that motion.

2014

02:59:02.880 --> 02:59:04.680

Commissioner Ali (she/her/hers): right there isn't that the same thing.

2015

02:59:04.680 --> 02:59:07.950

Commissioner Ali (she/her/hers): isn't that what we're doing right now that's why i'm wondering.

2016

02:59:08.280 --> 02:59:10.470

Commissioner Ali (she/her/hers): Like that's why I don't understand.

2017

02:59:11.280 --> 02:59:11.700

exist.

2018

02:59:14.010 --> 02:59:28.020

T'Shailyn Harrington: And Eleanor correct me if i'm wrong is there even a need for there to be a motion for new leadership is the, the question was for me I don't know what.

2019

02:59:28.140 --> 02:59:29.940

Eleanor Dilkes: I don't know what that motions.

2020

02:59:30.060 --> 02:59:31.050

Raneem Hamad: Your notion with me.

2021

02:59:31.200 --> 02:59:32.280

Raneem Hamad: A second already.

2022

02:59:32.340 --> 02:59:33.660

Eleanor Dilkes: If I can finish, please.

2023

02:59:34.710 --> 02:59:53.250

Eleanor Dilkes: The motion for new I don't know what that means, you need to be specific, you need to say, for instance, we move to remove the vice chair and nominee, and then, if that passes, then you can vote, you can make a motion to.

2024

02:59:54.270 --> 02:59:58.710

Eleanor Dilkes: To put a new chair in place and a new Vice chair in place.

2025

02:59:59.400 --> 03:00:00.330

Eleanor Dilkes: I have Members.

2026

03:00:00.810 --> 03:00:11.610

Raneem Hamad: In with motion means so we can we can I feel like we can proceed with the motion if a majority of the Members on this Commission understand what the motion means and there's emotion to.

2027

03:00:13.230 --> 03:00:13.650

T'Shailyn Harrington: Second.

2028

03:00:14.700 --> 03:00:16.170

Commissioner Tony Currin: I don't understand what the emotion.

2029

03:00:16.170 --> 03:00:16.560

Commissioner Tony Currin: man.

2030

03:00:16.950 --> 03:00:19.470

Commissioner Ali (she/her/hers): Let me make sure you understand, with emotion means because.

2031

03:00:19.470 --> 03:00:20.220

Frankly.

2032

03:00:22.380 --> 03:00:22.980

Commissioner Ali (she/her/hers): I.

2033

03:00:23.910 --> 03:00:28.260

Raneem Hamad: is to vote for new leadership and that motion has been seconded so.

2034

03:00:28.530 --> 03:00:29.790

Commissioner Ali (she/her/hers): But new leadership.

2035

03:00:29.880 --> 03:00:32.790

Raneem Hamad: Does that vote for a new chair.

2036

03:00:33.000 --> 03:00:35.070

Commissioner Ali (she/her/hers): New chair new Vice chair.

2037

03:00:35.520 --> 03:00:35.880

Commissioner Tony Currin: of a new.

2038

03:00:36.660 --> 03:00:38.430

Commissioner Tony Currin: New revenue share.

2039

03:00:39.030 --> 03:00:40.470

that's what i'm wondering.

2040

03:00:42.540 --> 03:00:45.150

Commissioner Ali (she/her/hers): Are we, what are we voting for overall.

2041

03:00:45.180 --> 03:00:49.560

Mohamed Traore: Nobody freaking know let the originator of the motion clarify their motion.

2042

03:00:49.650 --> 03:00:53.970

Raneem Hamad: Before we continue, we are voting for a chair, that is not the current vice chair.

2043

03:00:54.390 --> 03:00:55.800

Commissioner Ali (she/her/hers): Okay, and then are rebuilding.

2044

03:00:56.820 --> 03:01:04.140

Raneem Hamad: Nice chair, because we get to choose to vote and nominate people, since there are no bylaws that we have already accepted.

2045

03:01:04.260 --> 03:01:04.440  
We.

2046  
03:01:06.780 --> 03:01:11.940  
Mohamed Traore: Just have emotion that is very clear and explicit and exactly.

2047  
03:01:14.700 --> 03:01:16.320  
Commissioner Ali (she/her/hers): we're gonna have to have a discussion about.

2048  
03:01:16.320 --> 03:01:18.270  
Commissioner Ali (she/her/hers): This Eric doesn't understand why.

2049  
03:01:18.420 --> 03:01:18.990  
Commissioner Ali (she/her/hers): And Tony.

2050  
03:01:19.050 --> 03:01:20.100  
Her and doesn't understand.

2051  
03:01:21.510 --> 03:01:22.260  
Eric Harris: understand why.

2052  
03:01:22.350 --> 03:01:27.150  
Eric Harris: that's what it seems like leave me out of you don't understand why are we, including what.

2053  
03:01:29.970 --> 03:01:31.350  
Jesse Case: The Commission that really.

2054  
03:01:31.350 --> 03:01:31.950  
T'Shailyn Harrington: Good work.

2055  
03:01:31.980 --> 03:01:36.930  
Jesse Case: And then there's been some conflict, which is part of this Commission because it's very uncomfortable everything.

2056  
03:01:37.350 --> 03:01:39.090  
Jesse Case: But now we have a new chair and I.

2057  
03:01:39.180 --> 03:01:39.810  
Jesse Case: You may want to.

2058

03:01:42.120 --> 03:01:42.480

Raneem Hamad: know.

2059

03:01:43.320 --> 03:01:45.480

Raneem Hamad: Mel This is my fault i'll clarify this.

2060

03:01:45.510 --> 03:01:48.390

Raneem Hamad: i'll clarify this, and so again, this is me rename.

2061

03:01:48.780 --> 03:01:50.370

Raneem Hamad: I am making emotion to.

2062

03:01:50.370 --> 03:01:50.970

T'Shailyn Harrington: Remove.

2063

03:01:51.000 --> 03:01:52.170

Raneem Hamad: The current vice chair.

2064

03:01:52.350 --> 03:01:54.600

Raneem Hamad: And to vote for new leadership and to be.

2065

03:01:54.630 --> 03:01:56.910

Raneem Hamad: able to nominate new leadership and vote on it.

2066

03:01:57.150 --> 03:01:57.330

Raneem Hamad: On.

2067

03:01:57.540 --> 03:01:58.950

T'Shailyn Harrington: On that new leadership tonight.

2068

03:07:41.130 --> 03:07:41.640

know.

2177

03:07:44.070 --> 03:07:45.000

Stefanie Bowers: mission Rivera.

2178

03:07:46.140 --> 03:07:46.710

Commissioner Rivera (he|she|they): Yes.

2179

03:07:48.600 --> 03:07:50.160

Stefanie Bowers: and Commissioner treorchy.

2180

03:07:51.510 --> 03:07:56.520

Stefanie Bowers: Yes, Okay, so I have that passing five to four Thank you.

2181

03:07:58.110 --> 03:08:00.720

Eleanor Dilkes: stephanie Can we just clarify what what.

2182

03:08:05.190 --> 03:08:11.700

Eleanor Dilkes: i'm not sure i've got them the numbers on the the tree or a vote was it six three or five four.

2183

03:08:14.310 --> 03:08:15.990

Stefanie Bowers: It was six three okay.

2184

03:08:17.280 --> 03:08:20.010

Stefanie Bowers: And the most recent list by four for vice chair.

2185

03:08:28.020 --> 03:08:30.060

Raneem Hamad: Could we please have the public speak know.

2186

03:08:36.780 --> 03:08:38.910

Commissioner Rivera (he|she|they): as well, maybe amelia you can start.

2187

03:08:42.180 --> 03:08:44.490

Emilia Roberts: To say congrats to chair.

2188

03:08:45.000 --> 03:08:49.590

Emilia Roberts: trailer and vice chair, I know I hate to kind of backtrack.

2189

03:08:49.590 --> 03:08:51.030

Emilia Roberts: But public Columbia was in a route.

2190

03:08:51.810 --> 03:08:57.900

Emilia Roberts: And kind of the back and forth was happening, but this doesn't need any public comment back to me, the main thing that I want to.

2191

03:08:57.900 --> 03:08:58.980

T'Shailyn Harrington: say is that.

2192

03:08:59.670 --> 03:09:01.620

Emilia Roberts: The whole point why we didn't need.

2193

03:09:01.710 --> 03:09:02.220

Emilia Roberts: Your.

2194

03:09:02.250 --> 03:09:03.390

T'Shailyn Harrington: own voice since.

2195

03:09:03.870 --> 03:09:05.520

Emilia Roberts: rebuttal That is because the.

2196

03:09:05.520 --> 03:09:06.690

Emilia Roberts: call should have never had.

2197

03:09:08.550 --> 03:09:18.870

Emilia Roberts: It should have never happened, it was a complete unprofessional breach of privacy and just unacceptable to begin with, this is something that I was not aware happened at all so i'm just not hearing about it.

2198

03:09:19.440 --> 03:09:26.400

Emilia Roberts: But that's really, the main thing I want to say it's yeah it doesn't really matter what happened after the fact, or during the call the call should never have been made.

2199

03:09:28.170 --> 03:09:36.900

Emilia Roberts: And then the other thing I was kind of going to i'll just do anyways I wasn't gonna come back and share why I didn't want while I wanted a new chair.

2200

03:09:37.560 --> 03:09:46.170

Emilia Roberts: But I think the biggest thing for me was during or that I would like to second when Nicholas said about that being true because I was President at that City Council meeting.

2201

03:09:46.560 --> 03:09:59.820

Emilia Roberts: And part of what her response was was disrespecting and response to what I had said also prior to Nicholas or after but what they had told so me is, I think it was Commissioner Harris and.

2202

03:10:01.170 --> 03:10:08.370

Emilia Roberts: Commissioner resend is they were like you know come to tlc meetings come talk come here I mean come talk with us because.

2203

03:10:09.360 --> 03:10:25.920

Emilia Roberts: Clearly you're I mean the City Council meetings weren't the right place to be kind of bringing up the tlc there which I completely agreed so then when I did come to the tier see meeting both meetings I had been present for I was completely disrespected by not only.

2204

03:10:27.090 --> 03:10:41.670

Emilia Roberts: Commissioners, but also the public and whoever let the public disrespect me, you know what I mean but that's kind of just all I wanted to say, and I would yeah like to move forward forward from this and congratulate the new chair and vice chair, once again, thank you.

2205

03:10:59.400 --> 03:11:02.760

Oliver Weilein: Hello i'm Oliver here again um.

2206

03:11:03.840 --> 03:11:04.410

2208

03:11:11.970 --> 03:11:20.040

Oliver Weilein: You know all the Commissioners who have, in the face of weird threats in the face of the little man in the face of.

2209

03:11:21.330 --> 03:11:29.520

Oliver Weilein: You know, trying to desperately claw their ways out of business as usual and facing all the usual roadblocks that happened.

2210

03:11:31.860 --> 03:11:36.030

Oliver Weilein: I would just like to you know I mean this, I would just like to.

2211

03:11:36.570 --> 03:11:51.990

Oliver Weilein: You know, congratulate you on actually doing it not being intimidated, not being threatened essentially by people literally screaming at you i'm unable to handle criticism um I think that you did the right thing and I just wanted to say that, thank you very much.

2212

03:11:55.350 --> 03:12:01.380

Commissioner Rivera (he|she|they): Thank you very much i'm invite ma T know want to mispronounce your name but God is because.

2221

03:13:09.000 --> 03:13:22.170

Mat? Muhammad: Bullying is part of that machine harassment is part of that machine so not only did y'all stand up to policing by creating this Commission and fighting to see it through, but you you stood up to policing through the harassment as well, that is, harassment.

2222

03:13:23.160 --> 03:13:27.420

Mat? Muhammad: And I just want to shortly briefly give my testimony as to.

2223

03:13:28.140 --> 03:13:38.550

Mat? Muhammad: The similar harassment, that I faced not from people defending the police state in iowa city, but the police state itself, I like to remind everybody that I personally was victimized.

2224

03:13:39.030 --> 03:13:50.250

Mat? Muhammad: By the ui PD I cpd the state patrol they spied on me and targeted me was watching me through surveillance cameras was watching me through tat traffic lights.

2225

03:13:50.700 --> 03:14:00.780

Mat? Muhammad: Was tracking my phone in trapped in cornered me as if I was an animal and arrested me in trumped up charges that have now been dropped on nine felony charges that have now been dropped.

2226

03:14:01.710 --> 03:14:08.790

Mat? Muhammad: And I faced six more unjust misdemeanors, I believe, and so I want to thank everybody here that's fighting for me that's fighting.

2227

03:14:10.170 --> 03:14:20.310

Mat? Muhammad: to write the narrative that people tried to build, which is that activists who do police work against BAE Systems are criminals are.

2228

03:14:20.820 --> 03:14:32.250

Mat? Muhammad: You know misbehave are agitators are up at all of those things that Royce and tried to put on my friend jalen that's not us that's the police and so thank you for everyone that's.

2229

03:14:32.280 --> 03:14:33.270  
Mat? Muhammad: Fighting real fight.

2230  
03:14:36.960 --> 03:14:42.870  
Commissioner Ali (she/her/hers): I see Joe your can Joe go before the J  
en he had his hand up first.

2231  
03:14:44.250 --> 03:14:47.040  
Commissioner Ali (she/her/hers): So whenever you get a chance to unmute  
yourself Joe.

2232  
03:14:56.970 --> 03:14:57.390  
Joe Coulter: Think.

2233  
03:14:58.650 --> 03:14:58.920  
Nicholas Theisen: you're.

2234  
03:14:59.760 --> 03:15:05.940  
Joe Coulter: doing well, but I want all of you to think of each other.

2235  
03:15:07.770 --> 03:15:09.030  
Joe Coulter: To get together.

2236  
03:15:10.110 --> 03:15:12.180  
Joe Coulter: and work together.

2237  
03:15:14.820 --> 03:15:24.180  
Joe Coulter: Fighting amongst yourselves about leadership and other  
things is not productive it doesn't work.

2238  
03:15:25.320 --> 03:15:30.330  
Joe Coulter: Listen to Jesse case he knows how to do these things.

2239  
03:15:32.010 --> 03:15:44.610  
Joe Coulter: I want you to go forward and to come out with real  
accomplished months, and not just be nothing.

2240  
03:15:45.810 --> 03:15:54.540  
Joe Coulter: which you risk with your controversies and contradicting  
each other and your other.

2241  
03:15:55.590 --> 03:15:56.460

Joe Coulter: kinds of.

2242

03:15:57.750 --> 03:16:16.860

Joe Coulter: mannerisms those aren't productive you've got to work together for the city of iowa city and the issues that you have before you please do this by mommy nah he walked me down.

2243

03:16:18.030 --> 03:16:20.460

Joe Coulter: Later, again, I will see you.

2244

03:16:30.060 --> 03:16:36.120

lujayn h: hi everyone, my name is eugene kind of going off what everybody's been saying, I think that.

2245

03:16:36.840 --> 03:16:41.370

lujayn h: all the work he has been putting in especially you know the young folk we feel like we've been going through a lot of.

2246

03:16:41.910 --> 03:16:48.900

lujayn h: roadblocks and fishing, a lot of issues here and there, and not only from the system itself, but from you know I feel like the people who.

2247

03:16:49.530 --> 03:16:57.390

lujayn h: We rely on for support and for guidance, or whatever, but um I was fun to is to know that you're seeing your head you're like supported were behind you all of that.

2248

03:16:57.780 --> 03:17:07.890

lujayn h: I also want to really create a stark difference between accountability and like assassination of character or slander defamation, or whatever you want to call it.

2249

03:17:08.220 --> 03:17:23.670

lujayn h: You know, I think that it's important that we hold the people in our Community, who have power accountable when they are wrong, and I think it's completely wrong to invalidate the people who were you know victimized by by the actions of these people in power, and I think it's kind of.

2250

03:17:25.140 --> 03:17:33.780

lujayn h: backwards and kind of undoes everything that we're doing when we try to intimidate people into not speaking up and we try to invalidate what others have been saying when we try to.

2251

03:17:34.770 --> 03:17:44.670

lujayn h: belittle and demean the work of others, you know we're all like trying to get to this thing goal, but I really, really do want to appreciate and like really emphasize that.

2252

03:17:47.070 --> 03:17:54.120

lujayn h: We really do need to listen to a lot of people that we try to like overlook a lot of the young people in the Community, you know, and I do.

2253

03:17:54.510 --> 03:18:02.400

lujayn h: appreciate and respect and all of that all of the older folks is our guidance, but like this movement, as has been said, multiple times before, was kind of.

2254

03:18:02.820 --> 03:18:12.870

lujayn h: uprooted and started, because if ours work last year, a little bit over a year ago, or whatever, so I feel like we need to pay respect and come back to that and realize that we're all really.

2255

03:18:13.890 --> 03:18:24.660

lujayn h: Hopefully, trying to get to the same point, and yeah I just thought really stark difference between accountability and like defamation of character, I think that we really needed to put that out there, I think we needed to hold.

2256

03:18:26.010 --> 03:18:29.910

lujayn h: People in our Community accountable, but yeah.

2257

03:18:31.080 --> 03:18:42.270

Commissioner Ali (she/her/hers): Children just seen, and I appreciate, I appreciate your public comment and Commissioner Rivera Okay, if I have angie speak before you do.

2258

03:18:43.530 --> 03:18:46.380

Commissioner Ali (she/her/hers): Okay Andy do you want to go ahead and unmute yourself.

2259

03:18:47.370 --> 03:19:02.040

Angelina Rae Jordan: Can you guys hear me yes okay so again I just I want to take a breath and I want to breathe with you guys here i'm still so excited for this tlc i'm still so appreciative of you guys stepping into this vulnerable space.

2260

03:19:03.990 --> 03:19:09.450

Angelina Rae Jordan: And i'm oftentimes confused, but I like to take a minute and that confusion, because it can help give me light.

2261

03:19:11.070 --> 03:19:12.480

Angelina Rae Jordan: So I just I just wanna I just want to.

2262

03:19:14.490 --> 03:19:16.290

Angelina Rae Jordan: have exactly what I say, but I.

2263

03:19:17.880 --> 03:19:26.340

Angelina Rae Jordan: feel like there are pieces that just don't make the space, safe and I think you guys are moving towards a safe space, which is really exciting, I also think that.

2264

03:19:26.850 --> 03:19:34.860

Angelina Rae Jordan: For the work that y'all are wanting to get done, the first part of this meeting was really exciting to see you guys, creating a safe space, I just want to really encourage that.

2265

03:19:35.160 --> 03:19:53.880

Angelina Rae Jordan: and new leadership, I hope that you take lessons and learn because you're still on the same team as those that were in former leadership I just also want to highlight and I know, everybody here knows this from firsthand experience, but other thing, whether it's age division status.

2266

03:19:55.530 --> 03:20:07.560

Angelina Rae Jordan: You know those who speak out more than those who don't you know just those divisions, those are so dangerous that leads us away from collaboration and that's where our powers that's where your powers so.

2267

03:20:08.370 --> 03:20:26.790

Angelina Rae Jordan: The visions are out there disagreement is out there and that's good but for a safe space to exist, you got to put forth a lot of effort to create and bring in those that are farther out from the peripheries, for whatever reason, so I just I just want to again encourage you guys.

2268

03:20:28.200 --> 03:20:38.280

Angelina Rae Jordan: To create the safe space and to protect and maintain it so that includes everyone includes everyone, and like I said before, I don't know exactly what i'm trying to say here but.

2269

03:20:38.880 --> 03:20:56.340

Angelina Rae Jordan: i'm ready on deck i'm waiting there's a lot of us waiting to do a lot of the work, to put it off your shoulders to put it back on our shoulders, so I think it's it is we're ready on deck here in the public we're ready, thank you, thank you angie appreciate it.

2270

03:20:58.380 --> 03:21:12.960

Commissioner Ali (she/her/hers): um Okay, do we since Kevin has something to say there's nobody else from the public, he wants to speak on can we move on to the next agenda item that would be like Commissioner announcements, then.

2271

03:21:14.880 --> 03:21:17.490

Mohamed Traore: feel comfortable doing that I can.

2272

03:21:19.050 --> 03:21:22.380

Mohamed Traore: um first we'll go with Commissioner Rivera see.

2273

03:21:23.430 --> 03:21:27.330

Commissioner Ali (she/her/hers): yeah and it's also there's a correspondence before, Commissioner, and I know.

2274

03:21:27.360 --> 03:21:30.990

Mohamed Traore: For sure yeah correspondence so agenda item number 11.

2275

03:21:32.370 --> 03:21:36.150

Commissioner Ali (she/her/hers): So before that yeah conditioner very do you want to go ahead and chat.

2276

03:21:37.620 --> 03:21:45.150

Commissioner Rivera (he|she|they): I think this is highly just echoing what angie had to say and I appreciate all the comments so thus far Thank you everyone i'm combo.

2277

03:21:45.600 --> 03:21:54.450

Commissioner Rivera (he|she|they): i'd like to start by thanking each of my fellow Commissioners for just continuing to stay engaged in the work of this Commission, despite how hard it has been.

2278

03:21:54.900 --> 03:22:02.430

Commissioner Rivera (he|she|they): i'm also really grateful for the members of the public, for showing up their attention and their contributions that our meetings, thus far.

2279

03:22:02.820 --> 03:22:10.320

Commissioner Rivera (he|she|they): i'm still very, very excited to see what work this Commission will be able to carry out in the next year in some.

2280

03:22:11.010 --> 03:22:19.740

Commissioner Rivera (he|she|they): And I remain dedicated to my position that the at the core of what we do, it has to be informed by the voices of the most marginalized in our Community.

2281

03:22:20.490 --> 03:22:33.210

Commissioner Rivera (he|she|they): And our mission statement we express that we are committed to Community centered truth telling processes and we needed to establish this regular meeting in any other events we host has a safe space.

2282

03:22:33.750 --> 03:22:42.450

Commissioner Rivera (he|she|they): For individuals in our Community, to bring up their concerns without fear that they will be chastised dismissed or operated by anyone on this Commission or any other members of the public.

2283

03:22:43.290 --> 03:22:53.130

Commissioner Rivera (he|she|they): During our special meeting earlier this week and tonight, members of the public express their concerns that this Commission was ignoring the activism and wisdom of older voices in our Community.

2284

03:22:54.000 --> 03:23:00.210

Commissioner Rivera (he|she|they): I hope that they do not take my position on this matter of new leadership as a dismissal of their concerns.

2285

03:23:00.540 --> 03:23:10.290

Commissioner Rivera (he|she|they): My desire for new leadership on on this Commission was again directly related to my commitment to providing a safe space i'm inviting all marginalized voices to be heard.

2286

03:23:10.920 --> 03:23:21.990

Commissioner Rivera (he|she|they): This Commission has plenty of work to do to reconcile itself to the members of to you with members of the public who have already felt ostracized whether young or old.

2287

03:23:22.590 --> 03:23:32.790

Commissioner Rivera (he|she|they): Critical or encouraging hopeful or hurt it's going to be really hard for us, I think, but that's Okay, because I still think that we can get there.

2288

03:23:33.120 --> 03:23:43.050

Commissioner Rivera (he|she|they): And it starts with making sure that you know we we move forward and we continue to work at this and improve and that that's you guys sharpening us as we move forward.

2289

03:23:44.190 --> 03:23:46.770

Commissioner Rivera (he|she|they): So our work continues, thank you and I yield the floor.

2290

03:23:48.480 --> 03:23:51.060

Stefanie Bowers: I have the first correspondence on the screen.

2293

03:24:04.590 --> 03:24:06.540

Commissioner Ali (she/her/hers): yeah I was just gonna say is that.

2294

03:24:09.420 --> 03:24:11.130

Commissioner Ali (she/her/hers): worth the duties so.

2295

03:24:12.660 --> 03:24:14.670

Commissioner Ali (she/her/hers): This looks like it's a letter.

2296

03:24:15.990 --> 03:24:25.710

Mohamed Traore: Losses of angels native people in this region, be acknowledged i'm hopeful, the Commission knowledge knowledge to this issue in some way oh stephanie would you just like us to read it aloud for everyone here or.

2297

03:24:27.060 --> 03:24:37.500

Stefanie Bowers: I mean I don't think you necessarily need to read it aloud I think it's whether or not you want to have any you know discussion in terms of the the correspondence in any follow up.

2298

03:24:37.890 --> 03:24:45.420

Commissioner Ali (she/her/hers): I think we should discuss this Mohammed and I I believe you'd probably agree with me, I think that it is important.

2299

03:24:45.960 --> 03:24:53.820

Commissioner Ali (she/her/hers): That we acknowledge the losses of the native peoples in this region, and I know that that's something Cabo.

2300

03:24:54.540 --> 03:25:05.010

Commissioner Ali (she/her/hers): has been extremely passionate about and like well i'm you know, probably a little bit embarrassed to admit this I don't have that much knowledge, so if Kevin.

2301

03:25:05.850 --> 03:25:20.040

Commissioner Ali (she/her/hers): Has any more knowledge or if someone else on the Commission has more knowledge on this type of correspondence I would love to hear from you and learn more from you just because I don't think that i'm probably the best person to speak on.

2302

03:25:21.630 --> 03:25:25.980

Stefanie Bowers: It and just to further clarify what I meant was whether or not.

2303

03:25:30.240 --> 03:25:31.260

Commissioner Rivera (he|she|they): You muted yourself.

2304

03:25:31.350 --> 03:25:32.640

Commissioner Ali (she/her/hers): you've muted yourself.

2305

03:25:38.610 --> 03:25:51.000

Stefanie Bowers: Oh sorry Okay, so I mean if you want to further discuss this, then it probably needs to be voted on and placed on an agenda for future meeting and there's correspondence, you want to discuss in further detail than then.

2306

03:25:51.000 --> 03:25:58.560

Commissioner Ali (she/her/hers): Actually yeah yeah I think there might be I know Cabo I don't know if this speaks to you if you'd like.

2307

03:25:58.710 --> 03:25:59.250

Commissioner Rivera (he|she|they): I can just.

2308

03:25:59.340 --> 03:26:00.690

Commissioner Rivera (he|she|they): I can just speak in general.

2309

03:26:00.720 --> 03:26:10.020

Mohamed Traore: generalities, I will not continue, can we proceed with the with the established procedure earlier of having the public speak first.

2310

03:26:15.810 --> 03:26:19.320

Commissioner Ali (she/her/hers): It looks like it's amelia has something to say about this.

2311

03:26:20.880 --> 03:26:21.480

Commissioner Ali (she/her/hers): amelia.

03:26:22.320 --> 03:26:30.960

Joe Coulter: they're located down in Kansas right now lance foster knows much about this.

2332  
03:28:25.110 --> 03:28:25.770  
Joe Coulter: and

2333

03:28:27.480 --> 03:28:29.370

Joe Coulter: We are many other nations.

2334

03:28:31.770 --> 03:28:51.030

Joe Coulter: Then, that have been occupant survival and it is important that you recognize the native people and recognize them at the beginning of every session that you have.

Commissioner Rivera (he/she/they): meeting and I plan to make a motion for that, I just wanted to point out that there was a link provided by JESSICA, and you know, in the chat that direct everyone to a really solid.

2343

03:29:29.850 --> 03:29:38.880

Commissioner Rivera (he/she/they): Land acknowledgement that was developed by the native American Council by the University of iowa I do

want to thank the native American council which i'm really helped walk me through developing.

2344

03:29:40.800 --> 03:29:55.230

Commissioner Rivera (he|she|they): A customized land acknowledgement that I thought that we could use for this Commission and that might we might be able to recommend to other commissions and bodies with this city of iowa city, I have prepared a document that i've sent in previously.

2345

03:29:57.120 --> 03:30:16.920

Commissioner Rivera (he|she|they): With the purpose and with with the land acknowledgement itself, and so I will send that again as correspondence to our Chair and vice chair and stephanie and I would like to make a motion for us to add a discussion about lamp acknowledgement during our next meeting as an agenda item.

2346

03:30:18.510 --> 03:30:19.080

Commissioner Navarre-Jackson: i'd like to.

2347

03:30:26.610 --> 03:30:29.370

Commissioner Ali (she/her/hers): Do was that someone just cut off.

2348

03:30:29.820 --> 03:30:37.680

Eleanor Dilkes: Oh i'm sorry this is Eleanor jokes the city attorney if, if I can just make a suggestion you might want it, and this is probably as part of your.

2349

03:30:38.130 --> 03:30:48.120

Eleanor Dilkes: you're thinking about how you're going to conduct yourselves it really isn't necessary to do a roll call vote on putting something on the agenda you might want to just establish kick.

2350

03:30:48.420 --> 03:30:48.810

Commissioner Ali (she/her/hers): I would.

2351

03:30:49.050 --> 03:30:51.330

Eleanor Dilkes: If there are three of you or four of you that.

2352

03:30:52.530 --> 03:30:55.260

Eleanor Dilkes: say you want to put something, then you can do that.

2353

03:30:56.040 --> 03:31:06.630

Commissioner Ali (she/her/hers): So um and going forward, I also wanted to discuss this and hopefully i'm Commissioner tree or a church, or he has like the same idea, as I do.

2354

03:31:06.960 --> 03:31:20.790

Commissioner Ali (she/her/hers): And if there is anything that you want to add to the agenda, I feel like, if you want to send that to Jesse or to send that to Mohammed and I um that's fine i'm thinking um.

2355

03:31:21.480 --> 03:31:30.480

Commissioner Ali (she/her/hers): And we can all talk about this more at the next meeting, I think that Jesse should just be in charge of like the correspondence between the tlc.

2356

03:31:30.840 --> 03:31:49.140

Commissioner Ali (she/her/hers): And we're given him a good amount of money you know, so we might as well put him give him a little bit of work to do you know um, so I think that may be going through Jesse I don't know if it's a good idea to have you send everyone an email, just so that you have everyone's email um.

2357

03:31:50.460 --> 03:31:53.610

Commissioner Ali (she/her/hers): I just think that if we went through you that just might be.

2358

03:31:54.420 --> 03:32:06.900

Commissioner Ali (she/her/hers): kind of like the safest and best way to make sure that everything's getting put on that needs to that we're getting you know you can hold us accountable for the things that maybe we wanted to chat about that you didn't get a chance to.

2359

03:32:09.570 --> 03:32:21.510

Jesse Case: Maybe we're getting stephanie's opinion on this because yeah you know some things might make sense of flow through me and i'm fine with everything flowing through me, but the agenda, I think stephanie.

2360

03:32:22.440 --> 03:32:27.690

Jesse Case: It might be more make more sense to have the chair and stephanie be in charge of the agenda.

2361

03:32:27.870 --> 03:32:42.720

Jesse Case: yeah i'll be glad to play a part in that process if you want me to but it's going to go through three sets of hands to get to the to the agendas if it goes through me, but we can, I think, maybe we can talk offline and.

2362

03:32:42.960 --> 03:32:45.390

Jesse Case: figure out a system to it's gonna work.

2363

03:32:46.110 --> 03:32:58.470

Commissioner Ali (she/her/hers): yeah that might be a good idea I just I want to be able to have a process where everyone feels like they're being heard and the things that they feel like are important to discuss during these meetings are being discussed.

2364

03:33:00.210 --> 03:33:00.510

By.

2365

03:33:02.010 --> 03:33:02.370

yeah.

2366

03:33:06.870 --> 03:33:09.840

Commissioner Ali (she/her/hers): Jimmy mama do you want to go on to the next agenda item or.

2367

03:33:11.040 --> 03:33:12.810

Jesse Case: To discuss the corresponding.

2368

03:33:13.470 --> 03:33:13.830

yeah.

2369

03:33:15.270 --> 03:33:22.560

Mohamed Traore: Sorry, one more piece of correspondence and that i'd like to give amelia the opportunity to continue with her comments from earlier.

2370

03:33:29.160 --> 03:33:42.570

Mohamed Traore: So this item of correspondence is about the hero that we had spoken about about not the monday's meeting, but about two weeks before that, so we had voted on the current.

2371

03:33:44.070 --> 03:33:52.230

Mohamed Traore: Proposals for the murals and, from what I remember it was pretty close to unanimous that we were okay with how they had currently looked.

2372

03:33:52.560 --> 03:34:05.850

Mohamed Traore: But it seems like they're looking for feedback from the Community as well, and if anyone would like to give feedback on this

item, this is, in our current agenda, and you can go to the city privacy website and the CRC page.

2373

03:34:06.360 --> 03:34:18.960

Mohamed Traore: Go to public space one.com slash oracle's dash ic dash survey, and please give your give any of your thoughts that you'd like and post on your social media is if you'd like as well, to see if anyone else that you know would.

2374

03:34:19.230 --> 03:34:20.790

Mohamed Traore: Like to give their input as well.

2375

03:34:21.060 --> 03:34:30.690

Mohamed Traore: Because we want to make sure that we do respect the wishes of the people going to this length of putting arrows up in do truly give them input, so they don't feel like they're just putting something up.

2376

03:34:31.470 --> 03:34:35.910

Mohamed Traore: Just because a few people said yes, but rather that the whole community is truly involved in it.

2377

03:34:36.960 --> 03:34:37.350

Mohamed Traore: and

2378

03:34:37.530 --> 03:34:41.100

Royceann Porter: Everybody can respond to that survey.

2379

03:34:43.140 --> 03:34:45.960

Mohamed Traore: Yes, oh yeah no way I understand okay.

2380

03:34:47.430 --> 03:34:51.300

Mohamed Traore: And with that, I would like to give me the opportunity to speak.

2381

03:34:57.240 --> 03:35:02.970

Emilia Roberts: hi sorry for putting a nickel, I would just like to fully support everything that Commissioner Rivera.

2382

03:35:03.780 --> 03:35:14.730

Emilia Roberts: said, and the acknowledgement of land and everything like that that's something that I have in this past year and learned a lot about and gone really invested in and i'm really, really happy to see that.

2383

03:35:15.390 --> 03:35:24.960

Emilia Roberts: And that was kind of my idea with like the sustainability like Subcommittee on bringing in I think like it's called the great plan society looking into more into really.

2384

03:35:25.830 --> 03:35:35.370

Emilia Roberts: useful in have taught me a lot personally and also just bring people in to kind of teach us about these things are really important, I mean there's a.

2385

03:35:37.350 --> 03:35:48.240

Emilia Roberts: New study done among the other horrible things are happening to our environment here in iowa done showing fertile soil is gone from midwestern farms, among other things, so.

2386

03:35:48.900 --> 03:35:55.920

Emilia Roberts: that's just kind of all, I was saying, if that were to be something I would love to see Commissioner Rivera kind of.

2387

03:35:57.300 --> 03:36:07.650

Emilia Roberts: Bring to attention in the subcommittee for sustainability so in just I think I was city has a huge huge huge huge problem and white washing climate change here.

2388

03:36:08.370 --> 03:36:19.350

Emilia Roberts: This has been something I feel like growing up that was like the number one thing that like activists here we're kind of like doing that was in the light, I mean when Greg I came here over the summer, a few years ago, I think.

2389

03:36:20.010 --> 03:36:24.720

Emilia Roberts: Just a huge problem, so I think that's something that could be useful, but thank you.

2390

03:36:27.330 --> 03:36:28.800

Mohamed Traore: Thank you Maya and.

2391

03:36:29.820 --> 03:36:33.690

Mohamed Traore: Does anyone else have anything else and of correspondence.

2392

03:36:34.740 --> 03:36:49.560

Commissioner Ali (she/her/hers): Just i'm not even and I Eleanor you can tell me if i'm wrong in this, but if the last public comment or has like any resources or anything that the TMC could use.

2393

03:36:50.310 --> 03:37:01.500

Commissioner Ali (she/her/hers): To be more knowledgeable about all of that stuff please send it to us in an email um I, I would like to be more knowledgeable about that stuff, I would like to.

2394

03:37:01.920 --> 03:37:18.690

Commissioner Ali (she/her/hers): um you know, be more aware of what land i'm using and wetland reusing and I think that it's important to be respectful of the people who've been here before us, so if you could send any of that our way we would definitely really appreciate it.

2395

03:37:19.440 --> 03:37:23.910

Mohamed Traore: And as a reminder as well be sure to address the email to spowers.

2396

03:37:24.180 --> 03:37:25.620

Mohamed Traore: To ensure that we follow.

2397

03:37:25.770 --> 03:37:28.290

Mohamed Traore: Open records requirements.

2398

03:37:29.820 --> 03:37:32.160

Mohamed Traore: And no one has anything else and.

2399

03:37:33.180 --> 03:37:41.220

Mohamed Traore: We can move on to the Commission announcements portion and Commissioner modest had her hand up for quite some time, so you can proceed.

2400

03:37:41.700 --> 03:37:46.350

Raneem Hamad: Yes, um, I just wanted to let the public know that.

2401

03:37:47.550 --> 03:37:58.890

Raneem Hamad: From like today onward that we are going as Commissioners are going to work to do our best to make sure that we are not failing our mandate with respect to making sure that this Commission is a space where.

2402

03:38:00.150 --> 03:38:09.240

Raneem Hamad: All participants and victims are heard and are able to be vulnerable and not fear retaliation in any way.

2403

03:38:10.560 --> 03:38:19.650

Raneem Hamad: We will work to uphold this mandate and make sure that not only are we maintaining, are we not making a safe space, but also maintaining the safe space like angie.

2404

03:38:20.130 --> 03:38:26.220

Raneem Hamad: said earlier, and I also wanted my other announcement my other I guess and that's what I wanted to make is that.

2405

03:38:26.820 --> 03:38:37.410

Raneem Hamad: It is not racist well this, this is a announcement to the white people of iowa city or any person, that is not black and I was city, it is not racist to call out black.

2406

03:38:37.770 --> 03:38:51.060

Raneem Hamad: leaders like if someone is a leader and they are not being held accountable and they are doing something that you know is wrong and is not fair and it's not just you can call them out, that is not racist.

2407

03:38:51.990 --> 03:38:56.490

Raneem Hamad: Anyone who is in a power position of power can deserves to be critiqued.

2408

03:38:57.270 --> 03:39:04.860

Raneem Hamad: I don't know why a lot of people think that that's they're afraid to call out black leaders in the Community, if you think the mayor is doing something wrong.

2409

03:39:05.310 --> 03:39:15.000

Raneem Hamad: And you don't agree with it, calling them out that's not racist, if you think i'm doing something wrong as your blood, Commissioner, and you don't agree with it call me out hold me accountable.

2410

03:39:15.540 --> 03:39:26.850

Raneem Hamad: that's what that's how we get to true justice and how that's how we do this collective work, we all have to work to hold each other accountable, but that was that I just that's all I want to say thank you.

2411

03:39:30.570 --> 03:39:33.720

Mohamed Traore: i'm Commissioner Ali before you.

2412

03:39:34.830 --> 03:39:40.800

Mohamed Traore: proceed since the two of us have been speaking a lot more recently, would you be okay with giving Commissioners chance to speak first.

2413

03:39:41.130 --> 03:39:46.470

Commissioner Ali (she/her/hers): yeah Of course I think there was no hairs is probably gonna ECHO on what I have to say, anyway, so.

2414

03:39:50.100 --> 03:40:04.860

Eric Harris: No, no i'm actually something positive so um this past winter in the past, you know few months they've been going back I streets and our neighborhoods because snow and is dirt and all type of stuff.

2415

03:40:06.120 --> 03:40:17.820

Eric Harris: I neighborhoods need to be cleaned up so, especially when all the snow melts is it's going to be sloppy in a mess so every year, the South district, they have a team up to clean up.

2416

03:40:18.690 --> 03:40:28.890

Eric Harris: And that is going to happen on April 25 from 9am till noon it's going to be at the faith Academy, which is on cross park.

2417

03:40:30.030 --> 03:40:43.530

Eric Harris: Is next to the bro eighth street neuro i'm all ages, I welcome i'm just make sure you know, if you bring a kid that they at least four years old and I need an adult with them, obviously, because we don't you know i'm.

2418

03:40:44.490 --> 03:40:51.750

Eric Harris: And everybody knows angie everybody knows about the south district, if you want, if you want more information just give the south district a holler.

2419

03:40:53.220 --> 03:40:57.780

Eric Harris: I think that's something positive that we can know that some things that we need to start focusing on since we.

2420

03:40:58.170 --> 03:41:08.160

Eric Harris: You know, get over a couple speed bumps that we had to go through and it'll teach people to take care of that neighborhood is the south district is a neighborhood that you know, wants to snow melts you're going to see.

2421

03:41:09.360 --> 03:41:12.420

Eric Harris: Beer bottles and all type of stuff in the neighborhood and so.

2422

03:41:13.590 --> 03:41:19.920

Eric Harris: If people want more more information just just either contact me or contact Angela with that are you.

2423

03:41:20.430 --> 03:41:21.690

Commissioner Ali (she/her/hers): Can you repeat.

2424

03:41:22.740 --> 03:41:26.340

Commissioner Ali (she/her/hers): Can you repeat the cleanup time and date, one more time.

2425

03:41:27.270 --> 03:41:31.290

Eric Harris: It is Sunday April, the 25th 9am until know.

2426

03:41:32.580 --> 03:41:36.600

Eric Harris: It is at 1030 cross park that's next to the broadway street mural.

2427

03:41:37.800 --> 03:41:44.880

Eric Harris: And the best place to park over that is in that paperwork closet perfect Thank you.

2428

03:41:50.310 --> 03:41:53.040

Mohamed Traore: Mr Ali if you'd like to go ahead yeah.

2429

03:41:53.760 --> 03:42:00.630

Commissioner Ali (she/her/hers): So this is actually i'm going to kind of piggyback off of what Eric said about the things going on in the south district neighborhood.

2430

03:42:01.080 --> 03:42:19.920

Commissioner Ali (she/her/hers): And I know that Commissioner porter and Commissioner Harris are probably already aware of this, but you know, I just want to put this in the ears of not only Commissioner tree or a but also our facilitator Jesse caves on.

2431

03:42:21.030 --> 03:42:22.050

Commissioner Ali (she/her/hers): The.

2432

03:42:23.100 --> 03:42:31.620

Commissioner Ali (she/her/hers): The gas station that is in the south district, the casey's does have an armed guard.

2433

03:42:32.220 --> 03:42:40.140

Commissioner Ali (she/her/hers): officer they hire outside of the company it's like an arm someone who's there, and he has a gun.

2434

03:42:40.560 --> 03:42:50.010

Commissioner Ali (she/her/hers): And he's sitting at that casey's general store that's right there on the South district right in front of broadway across from subway um.

2435

03:42:50.820 --> 03:43:00.930

Commissioner Ali (she/her/hers): You know that makes me feel really uneasy that's probably not only the gas station that my parents probably visit most frequently as i've lived on the South district my entire life.

2436

03:43:01.740 --> 03:43:19.770

Commissioner Ali (she/her/hers): But you know, Mohammed, a lot of your co workers, probably drive to that casey's because I know i've seen a ton of Amazon drivers in that casey's around the nighttime getting their gas for the night, so that they can be ready to go the next morning.

2437

03:43:21.060 --> 03:43:27.000

Commissioner Ali (she/her/hers): I don't like the idea of having an armed guard there I don't think that that's necessary.

2438

03:43:28.050 --> 03:43:31.770

Commissioner Ali (she/her/hers): To my knowledge there's not a lot that warrants having.

2439

03:43:33.390 --> 03:43:44.160

Commissioner Ali (she/her/hers): Some security guard with a frickin gun at like the casey's general store that's right there, so I just want that to be like on everyone's.

2440

03:43:45.780 --> 03:43:58.350

Commissioner Ali (she/her/hers): Mind just thinking about that I don't really know what there is that we can do about that specific guard or how we can reach out to casey's i'm going to do more research on it, but I don't like that idea.

2441

03:43:58.830 --> 03:44:18.030

Commissioner Ali (she/her/hers): um it doesn't make me feel safer living in that area or doesn't make my parents feel safer it's actually really terrifying because a lot of kids use that casey's to just like use their you know money to get candy and stuff so i'm I feel really bad.

2442

03:44:19.800 --> 03:44:23.940

Commissioner Ali (she/her/hers): Knowing that that's going on in that case is general store on that side of town and.

2443

03:44:24.990 --> 03:44:35.520

Commissioner Ali (she/her/hers): I know that it is specific to that casey's because i've been to other cases around the area at different times and they don't have an armed guard that.

2444

03:44:35.910 --> 03:44:47.160

Commissioner Ali (she/her/hers): stands in there, you know the casey's that's over in coral ville on birds doesn't have an armed guards, so I think that this is something that specifically you know the police.

2445

03:44:47.460 --> 03:44:51.450

Commissioner Ali (she/her/hers): The police thing committee could look at, but just all of us to just think about how.

2446

03:44:52.110 --> 03:44:59.970

Commissioner Ali (she/her/hers): Maybe some of these neighborhoods that we maybe would not face it would not ever like walk around or anything how they're being policed and how those.

2447

03:45:00.420 --> 03:45:15.780

Commissioner Ali (she/her/hers): The people in those communities are being watched because that goes along with you know this this awful history of just being watched and having like them and on your back and stuff like that, and I just think that this.

2448

03:45:16.320 --> 03:45:31.500

Commissioner Ali (she/her/hers): Specific you know person at caseys who has this like feels like he needs a gun out this specific cases, rather than like none of the other ones around here, it just makes me so mad.

2449

03:45:32.580 --> 03:45:36.630

Commissioner Ali (she/her/hers): And yeah I think that that's something that we need to be thinking about and.

2450

03:45:36.990 --> 03:45:47.100

Commissioner Ali (she/her/hers): You know, demanding that high be figure something out because high V has those contracts high visa and des moines ivy's in cedar rapids he is an iowa city, we got to like.

2451

03:45:47.370 --> 03:46:06.300

Commissioner Ali (she/her/hers): Tell these communities, and I know, maybe Jesse might have more experience and talking to like a CEO or the CFO or whatever of high V, but, like you, I don't like the idea of these companies working together and then like they're hiring bards that have lethal force in.

2452

03:46:07.500 --> 03:46:11.040

Commissioner Ali (she/her/hers): On some of their locations, but not all of them, but just some.

2453

03:46:11.220 --> 03:46:16.890

Jesse Case: may want to just as a fact finding mission, which is also or the mission here.

2454

03:46:17.940 --> 03:46:28.380

Jesse Case: You can put together a delegation, then you know approach cases and ask them what's going on, or how you know you may get you do what you want, but it's.

2455

03:46:30.600 --> 03:46:34.890

Jesse Case: Just I know angie Jordan is not as knowledgeable about this.

2456

03:46:36.960 --> 03:46:37.200

Jesse Case: But.

2457

03:46:38.730 --> 03:46:42.720

Jesse Case: They wanted somebody who should ask them why.

2458

03:46:43.260 --> 03:46:53.580

Commissioner Ali (she/her/hers): yeah, of course, and I can reach out to you outside of this meeting and figure out, who I may be need to ask why is this happening at this specific location, but I think that we should be.

2459

03:46:54.180 --> 03:47:06.750

Commissioner Ali (she/her/hers): concerned that one specific cases is getting targeted by like where it is rather than all of the other cases in iowa city and horrible surrounding areas, why is it that casey's.

2460

03:47:08.010 --> 03:47:08.430  
Mohamed Traore: Very.

2461  
03:47:08.580 --> 03:47:09.000  
Yes.

2462  
03:47:10.200 --> 03:47:20.880  
Eric Harris: Yes, so the south, so the south district on the South district has been engaged with this full wow we want and also does he does not only have a.

2463  
03:47:21.150 --> 03:47:22.560  
Eric Harris: gun, he has a dog.

2464  
03:47:23.610 --> 03:47:24.390  
Mohamed Traore: The dog is.

2465  
03:47:24.690 --> 03:47:27.900  
Mohamed Traore: Michelle wie I just want to remind you that you can engage with one another.

2466  
03:47:28.200 --> 03:47:31.890  
Commissioner Ali (she/her/hers): yeah sorry, Commissioner Harris will talk about this outside of.

2467  
03:47:33.300 --> 03:47:34.350  
Commissioner Ali (she/her/hers): Their yeah I just want.

2468  
03:47:35.100 --> 03:47:40.230  
Eric Harris: To piggyback on, I just want to make sure she has the whole thing because they also have a dog that just a gun.

2469  
03:47:40.740 --> 03:47:47.070  
Eric Harris: And, just like she said, is that's the only cases that I know of that has that they're also.

2470  
03:47:47.610 --> 03:47:57.780  
Eric Harris: we're going to approach i'm just going to start getting warm again and last summit in the south district, and this will be one of the first things that I want to talk about when we do.

2471  
03:47:58.290 --> 03:48:11.550

Eric Harris: Our subcommittee things is the gun violence that's in the south district, and not only the gun violence, but the response by law enforcement, the aggressive responses to the gun violence, so is aggressive response.

2472

03:48:12.810 --> 03:48:22.650

Eric Harris: With gun violence and it's also a dog and a cop at their cases all in about two square block area and Oh, this has been.

2473

03:48:22.920 --> 03:48:26.010

Eric Harris: just been an issue that they've been dealing with for years so.

2474

03:48:26.370 --> 03:48:36.720

Eleanor Dilkes: i'm going to interrupt you, this is a good, this is kind of a good I hate to be a wet blanket, but this is what happens when at staff and Eric Commission announcements you start talking.

2475

03:48:37.950 --> 03:48:48.360

Eleanor Dilkes: It becomes a subject of discussion that hasn't been noticed to the public and that's a problem so and then then if if we step in and say you can't do that anymore than some.

2476

03:48:48.360 --> 03:48:48.870

Commissioners.

2477

03:48:49.920 --> 03:48:52.050

Eleanor Dilkes: and allowed to talk and others can't so.

2478

03:48:52.920 --> 03:48:53.280

Eleanor Dilkes: you're really.

2479

03:48:53.940 --> 03:48:54.690

Eleanor Dilkes: stick to them.

2480

03:48:56.160 --> 03:48:56.490

Commissioner Ali (she/her/hers): Where.

2481

03:48:57.000 --> 03:48:59.340

Jesse Case: To put it on the agenda for future meeting.

2482

03:48:59.580 --> 03:49:01.830

Eric Harris: yeah like I do some more research.

2483

03:49:01.890 --> 03:49:05.370

Eric Harris: and get put on the agenda and that's that seems like the right thing to do.

2484

03:49:05.970 --> 03:49:09.030

Jesse Case: Maybe have somebody from the neighborhood association come and speak.

2485

03:49:10.440 --> 03:49:10.890

Jesse Case: To us.

2486

03:49:11.880 --> 03:49:14.580

Eric Harris: yeah meet me or angie so you know.

2487

03:49:14.670 --> 03:49:14.880

hey.

2488

03:49:16.500 --> 03:49:18.240

Mohamed Traore: Mr case that be.

2489

03:49:21.240 --> 03:49:28.080

Jesse Case: For the next agenda guide I don't know how many items you put on the next two genders at some future gender the next agenda.

2490

03:49:31.110 --> 03:49:37.560

Mohamed Traore: We do have a policing Subcommittee, we are creating so we could that we could also look at adding it to the agenda.

2491

03:49:37.680 --> 03:49:42.990

Eric Harris: And where does have to have more discussions about it and see what we want to add on the agenda so i'll get with on.

2492

03:49:45.030 --> 03:49:52.470

Eric Harris: A meal and Mohammed in the next couple of days, and we have more discussions outside of this meeting, and then with make a decision.

2493

03:49:52.890 --> 03:49:58.920

Jesse Case: Maybe a presentation on it, the next meeting, and then you can talk about action actions going forward.

2494

03:49:59.400 --> 03:50:03.150

Mohamed Traore: yeah do we have any other members of the Commission that have any other announcements.

2495

03:50:06.420 --> 03:50:07.020

Mohamed Traore: i'm.

2496

03:50:07.110 --> 03:50:09.270

Mohamed Traore: holy continue on a staff announcements.

2497

03:50:09.330 --> 03:50:14.160

Mohamed Traore: I would just like to thank everyone again for participating I know this meeting has been very long but.

2498

03:50:15.180 --> 03:50:21.090

Mohamed Traore: In the future, with the Faculty not facilitator, we will be working very, very hard to make sure that we kind of.

2499

03:50:22.020 --> 03:50:32.940

Mohamed Traore: bring these meetings down to like just more subject based so that people are more aware of what's going on and it's not really jumping from subject to subject and, now that we also have.

2500

03:50:33.360 --> 03:50:40.440

Mohamed Traore: subcommittee thing that we're doing it, it seems like that should help a lot as well, and also want to thank everyone for bearing with us through.

2501

03:50:41.010 --> 03:50:48.690

Mohamed Traore: The tougher aspect of the meeting, a little earlier and I just want to apologize if anyone felt offended by what had occurred.

2502

03:50:49.140 --> 03:50:58.950

Mohamed Traore: And I want to apologize if anyone's feelings have been hurt by what is gone on as well, that was not my intention, and I hope that wasn't the attention of anyone else on this Commission.

2503

03:50:59.460 --> 03:51:12.930

Mohamed Traore: At the end of the day we just want everyone to feel like they're truly being heard and public feel like they're being respected and I just want to say to you, Commission reporter that I hold no ill will or anything like that against you.

2504

03:51:14.400 --> 03:51:28.020

Mohamed Traore: At the end of the day, like the way I was raised is that everyone you meet is like an extension to family to you and I still see you as basically a mother to me, and everyone on this dimension as family and everyone in this town is family as well.

2505

03:51:28.470 --> 03:51:30.300

Mohamed Traore: And also like to say.

2506

03:51:30.540 --> 03:51:47.400

Mohamed Traore: directly to Commissioner harrington that no, it will against you either, and I believe that you are a great leader in this Community and ensure wise beyond your years and as you're very smart and you can do anything in this life that you ever want to and.

2507

03:51:48.720 --> 03:51:57.030

Mohamed Traore: also want to just make sure that everyone on this Commission knows that going forward if you don't feel like you're being heard, please say so and.

2508

03:51:57.480 --> 03:52:04.770

Mohamed Traore: I will try to do everything I can as well, to make sure that you do feel hurt, because at the end of the day that having a title chair vice chair.

2509

03:52:05.250 --> 03:52:13.020

Mohamed Traore: means nothing because I can't supersede your vote it's a democracy democratic process there's nine of us.

2510

03:52:13.710 --> 03:52:20.310

Mohamed Traore: These votes have to go by the way of the majority, my vote means no more than yours my opinions me no more than yours so.

2511

03:52:20.730 --> 03:52:25.560

Mohamed Traore: let's just be sure to respect each other and respect the public and make sure that we do everything we can to.

2512

03:52:25.890 --> 03:52:39.120

Mohamed Traore: walk away in June 2022 if that's when we end this Commission and give the best set of recommendations for everyone, we can, and thank you for listening, I feel, and is that if we have nothing else i'd like.

2513

03:52:39.120 --> 03:52:39.360

To.

2514

03:52:41.130 --> 03:52:54.930

Jesse Case: Be want to meet again in two weeks or do you need more time because you're having for Commission or subcommittee meetings is that is that all doable in that time period period and I don't know how the group decided to meet your schedule, but i'm just throwing that out there because.

2515

03:52:56.070 --> 03:53:13.770

Commissioner Ali (she/her/hers): there's a possible So for me, I know who is in my committees that i'm going to be working with so for the Budget Committee, I can start a chat between Mohammed how mad Rivera and I the policing Committee, I can start a chat The thing is just.

2516

03:53:15.510 --> 03:53:21.450

Commissioner Ali (she/her/hers): Someone within porter current and Harris, will have to start a chat between the housing.

2517

03:53:22.890 --> 03:53:28.440

Commissioner Ali (she/her/hers): And then I can start a chat between the education policing and budget.

2518

03:53:28.920 --> 03:53:46.920

Commissioner Ali (she/her/hers): All of those have for less Commission members, so we can decide a time, I would say, probably, it would be the best interest of all of these separate committees to meet at least one time before the next meeting into Thursdays so.

2519

03:53:48.270 --> 03:53:51.060

Commissioner Ali (she/her/hers): We can discuss that privately right.

2520

03:53:53.130 --> 03:53:59.880

Commissioner Tony Currin: Are we on time, as I understand that we're still going to keep our regular meeting schedule, when I can expand it out.

2521

03:54:01.230 --> 03:54:14.310

Commissioner Ali (she/her/hers): Unless last year and a committee so let's say Tony we're in the education committee together if we decide that next Wednesday we want to meet it's your obligation to make it to that meeting, but that's not a part.

2522

03:54:14.340 --> 03:54:15.360

Commissioner Ali (she/her/hers): of coal and.

2523

03:54:15.510 --> 03:54:17.160

Mohamed Traore: You want to make sure we all continue with the.

2524

03:54:17.430 --> 03:54:20.820

Mohamed Traore: Just the discussion at this time as this isn't on the agenda.

2525

03:54:21.120 --> 03:54:22.320

Mohamed Traore: But let's just make sure that.

2526

03:54:22.680 --> 03:54:33.750

Mohamed Traore: We get an email chain going on just send your email directly to this Bowers and we can just make sure to clear things up that way yeah one also make sure respect everyone's time that has come in and.

2527

03:54:36.150 --> 03:54:49.830

Royceann Porter: um I think this, this is the last thing I think Tony was talking about from us going from at the very beginning, we discussed two weeks to get started, and then going into once a month, so will we stay.

2528

03:54:51.840 --> 03:54:53.160

Royceann Porter: On the two week course.

2529

03:54:56.370 --> 03:55:00.180

Mohamed Traore: um does anyone on the Commission have any objections to.

2530

03:55:01.050 --> 03:55:04.140

Royceann Porter: it on the agenda, put it on them for the next agenda item that we have.

2531

03:55:04.980 --> 03:55:05.640

Royceann Porter: Tonight all right.

2532

03:55:05.820 --> 03:55:06.060

Mohamed Traore: yeah.

2533

03:55:06.450 --> 03:55:08.040

Mohamed Traore: let's be sure to do that, the next meeting.

2534

03:55:08.610 --> 03:55:15.840

Eleanor Dilkes: But let me just tell you, though, and we do whatever you want tonight, but you can talk about scheduling whatever you want to.

2535

03:55:16.500 --> 03:55:26.010

Commissioner Ali (she/her/hers): I think I think honestly I think after we get that budget in I think that's where most of our like then maybe we can shoot to me for.

2536

03:55:26.820 --> 03:55:39.570

Commissioner Ali (she/her/hers): once a month that's where I feel like the issue comes in, is like we just got to get this budget everyone's and I feel like everyone's opinion is so important in this like especially like you know quarter, I have no idea.

2537

03:55:39.900 --> 03:55:45.780

Commissioner Ali (she/her/hers): about how like housing looks like here, and I know that we're supposed to get some big.

2538

03:55:45.990 --> 03:55:57.120

Commissioner Ali (she/her/hers): \$20 million grant but, like, I have no idea what that looks like who qualifies for that who gets that whatever, so I think that we should still meet bi weekly because there are parts of this that.

2539

03:55:57.300 --> 03:56:04.860

Commissioner Ali (she/her/hers): You know i'm i'm not really sure about, especially as it pertains to like getting all this code relief and stuff like that so.

2540

03:56:07.110 --> 03:56:27.120

Eric Harris: um yeah i'm going to be discussing some about scheduling issue that I have like wow i'm because I know that if we meet again in two weeks, I might be at work yeah so we can talk about that a different time we got a couple weeks, but oh yeah.

2541

03:56:28.860 --> 03:56:33.330

Mohamed Traore: let's just make sure that we try to get that part settled within the next week.

2542

03:56:33.720 --> 03:56:37.770

Mohamed Traore: In case we end this meeting to another day, so we can inform the public.

2543

03:56:38.400 --> 03:56:38.640

yeah.

2544

03:56:40.920 --> 03:56:45.750

Commissioner Ali (she/her/hers): Now we got Commission or after Convention announcements has ever been done, making an announcement staff and.

2545

03:56:47.430 --> 03:56:48.690

Stefanie Bowers: I have nothing, thank you.

2546

03:56:50.460 --> 03:56:53.280

Commissioner Ali (she/her/hers): hey okay wait wait wait wait, I have one more, I have one more I want more.

2547

03:56:54.030 --> 03:57:08.880

Commissioner Ali (she/her/hers): Of the University of iowa police department is looking at a plan currently um as far as and running, you can maybe help me out because I know that I have far has been more involved in this, and I have just because.

2548

03:57:09.480 --> 03:57:19.890

Commissioner Ali (she/her/hers): My friend is running like the study and stuff but they have three different approaches, as it pertains to how they want to run the University of iowa police department.

2549

03:57:20.250 --> 03:57:39.210

Commissioner Ali (she/her/hers): and the one that I agree with and I love the most is the holistic approach which takes the money from the police department and puts it at invest it into other entities that would help students and I can I will send that to stephanie and maybe remain will be able to.

2550

03:57:40.020 --> 03:57:40.890

Raneem Hamad: talk a little bit.

2551

03:57:41.430 --> 03:57:43.770

Commissioner Ali (she/her/hers): You can tell me more information about it.

2552

03:57:44.790 --> 03:57:45.750

Raneem Hamad: So um.

2553

03:57:45.810 --> 03:57:56.670

Eleanor Dilkes: there's a wait hold on a minute, this is what we just talked about you, if you want to talk about the University of iowa police department or plan then put it on your next agenda but it's.

2554

03:57:56.670 --> 03:57:58.290

Raneem Hamad: Not just.

2555

03:57:58.830 --> 03:58:02.610

Commissioner Ali (she/her/hers): An announcement emission announcement it's an open actual like.

2556

03:58:03.960 --> 03:58:05.610

Commissioner Ali (she/her/hers): You can go into and suggest.

2557

03:58:05.640 --> 03:58:08.250

Raneem Hamad: Like boat folks make the announcement real quick.

2558

03:58:08.370 --> 03:58:16.350

Raneem Hamad: um, so there is a survey there they're finally allowing Community feedback for the reimagining campus safety.

2559

03:58:17.700 --> 03:58:21.210

Raneem Hamad: project that the University of iowa has been doing and.

2560

03:58:22.200 --> 03:58:31.230

Raneem Hamad: We if you want to find out more information about the holistic model I have far has been doing a series of instagram posts describing different models.

2561

03:58:31.560 --> 03:58:40.980

Raneem Hamad: That are there and describing why the holistic model is the most beneficial for our Community and most actually going to work towards a more just.

2562

03:58:41.730 --> 03:58:46.590

Raneem Hamad: and safer system for our Community, especially with respect to the fact that the ui PD.

2563

03:58:47.520 --> 03:58:54.060

Raneem Hamad: Almost the majority of their arrests are to iowa city residents and not even University of iowa students.

2564

03:58:54.600 --> 03:59:10.680

Raneem Hamad: So we really hope, I really hope that a lot of people can go on this Community survey response survey and show their support for the holistic safety model but yeah there's more information on I far as instagram page that you can have, with all the details.

2565

03:59:16.560 --> 03:59:20.430

Mohamed Traore: But no one has anything else, and I get a motion to adjourn in a second.

2566

**Draft Ad Hoc Truth and Reconciliation Commission Minutes  
(Electronic) Zoom Platform  
Regular Meeting**

**Commissioners present:** Amel Ali, Daphney Daniel, Wangui Gathua, Eric Harris, Clifton Johnson, Kevin Rivera, Sikowiss, Mohamed Traore.

**Commissioners not present:** Chastity Dillard.

**Staff present:** Stefanie Bowers.

**(Electronic Meeting Pursuant to Iowa Code section 21.8)**

**An electronic meeting was held because a meeting in person was impossible or impractical due to concerns for the health and safety of commission members, staff, and the public presented by COVID-19.**

**Meeting called to order:** 7:07

**Approval of the May 27, 2021 Meeting Minutes:** Motion by Ali, seconded by Rivera. Approved 7-0. Gathua not present for vote.

**Public Comment of Items not on the Agenda:** None.

**Review of (Draft) RFP for Facilitator:** Rivera requested for the RFP to be updated to reflect Latinx/Hispanic and not white/Hispanic. Commissioners requested that if the contract runs less than the anticipated length that the RFP allow for the consideration of severance pay. Currently, the RFP allows for the contract to terminate at any time if 2/3 of the Commission vote that their services are no longer needed. Staff will work with the Purchasing Department to update the RFP. Motion by Rivera to move forward with the RFP with the edit of severance pay consideration, Daniel seconded. Motion passed 8-0.

**Updates from Commissioner Traore on correspondence with City governments on the Excluded Workers Fund:** The survey released by the City is not conducive to seeking input from all community members. Further there is not a lot of collaboration between governments within Johnson County. The Catholic Worker House has on their website tips on how to best fill out/respond to the survey. The Catholic Worker House has inquired if the Ad Hoc Truth and Reconciliation Commission (TRC) would like to be added to their supporters for the Excluded Workers Fund. Motion by Gathua, seconded by Johnson. Motion passed 7-1. Daniel in the negative.

**Budget Subcommittee updates – overview:** As the Commission looks into more line items, they asked staff whether the end of the current fiscal year will influence their budget. Staff replied no. The discussion then switched to Commissioners receiving a stipend for their services. The consensus was that this work should not be done for free. If individual commissioners have any concerns with receiving a stipend, they could opt to donate their stipend to an organization. A news release will be done at the same time the budget proposal is released. The purpose of the news release is to explain why Commissioners should be compensated for their services.

**Community comment:** Joe Coulter, as former Ad Hoc Diversity Committee member and based on his years on the Human Rights Commission, Coulter has never been paid a stipend. Coulter has been reimbursed for travel and any expenditures associated with his service. Coulter reminded the TRC to be mindful of police qualified immunity, the ramifications of the loss of protection for Housing Choice Vouchers here in Iowa City, the public report on the use of force (tear gas) here in Iowa City, the report to preliminary accelerate community policing, and the reports to Council for the changes to the Community Police Review Board.

**TRC Subcommittees:** Healthcare: Ali, Rivera, Gathua, and Johnson. Rivera will serve as lead. Policing: Harris, and Ali. Daniel will not serve on this committee. Johnson, and Gathua will serve on this committee as time allows. Sustainability: Ali, Sikowis, and Traore. Traore will led this subcommittee. Education: Gathua, Johnson, and Dillard. Gathua will led this subcommittee. Housing: Gathua, Ali, Mohamed, and Daniel. Daniel will be lead for this subcommittee.

**Timeline for future meetings (meeting frequency) & returning to meetings in person:** Commissioners decided to continue to meet bimonthly until the budget is completed and approved. After this is completed, they will further discuss switching to an alternative meeting schedule.

**Announcements of Commissioners:** Harris, spoke on the recent Police raid in the South District and noted that he did not want to see any bad encounters and that the MRAP is used as a tool of intimidation. Ali wants a way to amplify the voices of folks who are affected by these practices. Traore, will send the contact information for the Johnson County Board of Supervisors as it relates to the MRAP. He also will send out information on the Diversity Market being sponsored by the South District. Gathua, noted the African community has volunteered to collect their truths. Rivera wished everyone a Happy Pride Month. Daniels wished everyone a Happy Juneteenth, and also noted African American Music Appreciation Month is recognized in June. Sikowis, mentioned the 215 children murdered and buried in unmarked mass graves at Turtle Island.

**Announcements of Staff:** Staff mentioned upcoming Juneteenth events.

Staff present: Stefanie Bowers.

(Electronic Meeting Pursuant to Iowa Code section 21.8)

An electronic meeting was held because a meeting in person was impossible or impractical due to concerns for the health and safety of commission members, staff, and the public presented by COVID-19.

Meeting called to order: 7:11

Public Comment of Items not on the Agenda: None.

**Timeline for Future Meetings:** The Commission decided to continue to meet every other Thursday until a facilitator is hired and settled into the position. Staff gave an update on returning to in-person meetings. The next upcoming meetings are July 8 and July 22.

**Discussion of Land Acknowledgement:** The land acknowledgement has been updated to reflect reparations and also to mention specifically the original inhabitants of Johnson County. The Commission will hold a vote to adopt the acknowledgment once the Human Rights Commission has had an opportunity to review it.

**Budget Subcommittee Update:** A draft operational budget has been prepared that runs through Labor Day. The Commission wishes to wait until the subcommittees have had time to determine their needs and any subsequent funding needed prior to adding those line items to the budget. Some costs that will be reflected in the budget include the purchasing of a Chrome book for the facilitator to use, printing of flyers, boosting for social media, and the hiring of a videographer and researchers. The Commission also discussed potentially paying participants for their testimonies. These payments would not necessarily be in hand funds but could consist of childcare or mileage reimbursements.

The Commission also discussed stipends for Commissioners and whether stipends should be paid out quarterly or just one payout. The monthly stipend could be \$500 to \$1200. A news release will be prepared when the budget is submitted to City Council. Ali moved to include a line item in the budget to pay stipends to Commission members, Gathua seconded. Motion passed 9-0.

**Community Topics for Discussion:** Excluded Workers Fund, Rivera, Harris, and Johnson all attended a discussion at the Catholic Workers House where persons spoke of their struggles prior to COVID-19 and their continual struggles during the last year to present.

South District, Ali would like to see the Commission partner with National Night Out. It is scheduled for August 3. It is an event that brings the community together and also creates more connections with first responders. It will be held at Wetherby Park and may serve as a great opportunity to hold a truth telling session. The education subcommittee will further explore this event and possibility of holding a session at it. The Diversity Markets being held in the South District have been very successful both Traore and Harris have attended the Markets.

Juneteenth, the Commission would like to see the City do a better job in promoting the events for this now federal holiday. The budget subcommittee will add Juneteenth to its agenda to help plan a better event for next year.

Ali mentioned upcoming court dates for some of the demonstrators from last summer and also her support of a persons right to freedom of speech.

**Staff Announcements:** Staff mentioned that they are available if Commission members have any questions about the budget they are putting together.

Board of Adjustment: June 30

**Electronic Meeting**

*(Pursuant to Iowa Code section 21.8)*

An electronic meeting is being held because a meeting in person is impossible or impractical due to concerns for the health and safety of Commission members, staff and the public presented by COVID-19.

MEMBERS PRESENT: Nancy Carlson, Amy Pretorius, Mark Russo

MEMBERS ABSENT: Gene Chrischilles, Bryce Parker

STAFF PRESENT: Sue Dulek, Kirk Lehmann

OTHERS PRESENT:

**CALL TO ORDER:**

The meeting was called to order at 5:15 PM and roll call was taken.

**BOARD OF ADJUSTMENT TRAINING:**

Training for members of the Board of Adjustment on their role and procedures.

Lehmann stated they will first talk a little bit about background to remind everyone what the Board's role is and then will look at sample language, what to do, what not to do, and then some case examples and time for questions. Lehmann noted Carlson did submit a couple topics that she wanted staff to cover so they tried to integrate that into the presentation.

Lehmann explained the Board of Adjustment is mandated by law and is a five-member panel appointed by City Council. It is a quasi-judicial panel, basically acting as a jury of peers for specific situations as enumerated in the Code, including if there are waivers from the Zoning Code. The Chair presides over meetings and staff assists by providing background standards and recommendations to help the Board with their decision and any possible conditions that might make sense. Because the Board is quasi-judicial if there is an appeal of a decision, it goes to court, it never goes before City Council, the Board is an extra layer of scrutiny above staff but below legislative decisions made by Council.

Regarding the different types of cases and how they might play out, Lehmann explained there are special exceptions, which are explicitly enumerated in Code and are two kinds. Some are related to where certain uses are only allowed by special exception and some are related to standards where flexibility is provided if certain criteria are met. There are also two additional case types that are rarer, a variance is something not listed in the Code that they're asking for

flexibility on. Note, the City will likely be updating the Code as it relates to variances because they are strictly determined by State law and the City's Code doesn't exactly match that. Staff will keep the Board updated when that happens. The other rare case is an appeal, if there's a decision that staff has made the applicant can come before the Board to make a decision and again the Board acts as a jury.

Lehmann stated in terms of process, there's an application that staff reviews and informs the public about, they put a sign on the property, send letters to neighboring property owners, and put a notice in the newspaper, and then there's a public hearing and comment period held by the Board. Any comments that come to staff prior to the meeting will be included in the agenda packet, if received after the agenda packet is sent out, he will send them to the Board prior to the meeting and mention them in the staff presentation. Lehmann added another change that might be coming up this summer is staff is looking to expand the radius that they mail notice letters to. Right now it is 300 feet but Council has indicated a desire to expand that to 500 feet, Lehmann will keep the Board posted on that. Lehmann stated in the public hearing, the Board makes a decision which requires three votes to approve, if approved the application moves forward, if it's denied the applicant has the option to appeal to court. The Board does have the power to also approve with conditions, again staff recommends conditions that the Board can add to or subtract from as they see fit based on the factors being considered for that application.

Dulek next went into more detail about the meeting process, all cases follow the same order, especially with special exceptions (appeals may be a little different). With special exceptions, the Chair explains to the public and everybody else what the item is then opens the public hearing. The public hearing is important because that's where the Board is gathering all the information, they do get some information ahead of time in the agenda packet, but the public hearing is where the Board hears from people opposed, people in favor, and what staff thinks. It is also the Board's opportunity to gather that information and ask questions because once the Chair closes the public hearing the Board doesn't have an opportunity to gather more information. Dulek said if during the public hearing the Board feels they need more information before they can make a decision, perhaps from another source or from the applicant, they need to keep the public hearing open and move to defer the application to the next meeting, where they can hear whatever other additional information is brought forward, and then the public hearing is closed. Dulek stressed that is very important, the public hearing must remain open if the Board wants more information. Also, while the public hearing is open that is not a time for the Board to start discussing what they think, or what is stronger or what is weaker or what's missing. The public hearing is a time for the Board to ask questions and gather information.

Dulek stated the normal procedure is to start with the staff report, then sometimes the applicant wants to offer additional information, then anybody who's speaking in favor of the application and finally, anybody opposed to the application. At any time, the Board can ask questions of staff, the applicant, etc., but when all are done and the Board has all their information gathered and questions answered, the public hearing will be closed. After the public hearing is closed, someone other than the Chair moves the application, it doesn't mean the person agrees with the application, they just need a motion so it can be discussed. Motions are always made in the affirmative, so there's a motion to approve the application and a second, and that simply puts it on the table so the Board may begin their deliberation. It may be a simple discussion of agreement with the application, or it may require going through all the standards again, sometimes it's one standard that's holding up the decision. The Board can vote to approve or

approve with conditions. If there are not three votes in favor, the application is denied.

Dulek noted a common question is when it is appropriate to ask a question and the answer is during the public hearing.

Carlson asked what if there is a question about a clarification or if they need more information. Lehmann stated if there's more information needed, or more clarification, the Chair will ask others opinions before they close the public hearing. If board members want more information and want to defer, Lehmann noted they will also need a motion to defer and three people to vote to defer. Dulek added then at the beginning of the next meeting the Chair would just say the public hearing has remained open from the last meeting.

Carlson asked what happens if during the Board discussion there is a question raised of needing more information. Dulek said if anyone is feeling there needs to be more information, that needs to be discussed before the public hearing is closed. Lehmann added at that point the Board member doesn't have to say they have a concern about a specific issue, or a specific criteria, rather that as a Board member they feel like they need some additional information and would like to hear from X, Y & Z.

Russo asked if the public hearing is extended or deferred, are the Board members subject to any additional protocol as they could be waiting months. Dulek answered it may not be a month, the Board could schedule a special meeting as soon as a few days later, but even if it does go until that next month's meeting members of the Board can't talk to each other, or anyone about the case.

Pretorius asked that for a deferral, someone other than herself has to make a motion and a second, but she is allowed to vote as Chair. Dulek confirmed that is correct. Dulek also noted she is at all meetings and will help the Board navigate through the process if it comes up.

Pretorius asked another question about motions and Robert's Rules and as Chair she can be involved in discussion but has limitations regarding motioning, however, does the Chair need to be the last person to comment. Dulek stated it is not required, but it's the Chair's prerogative to do that. For example, the mayor often will wait and speak last, but it is not required, and the Chair can decide to talk whenever they'd like. Pretorius understands the thought process behind that as people actually look to the Chair as an authority figure and she doesn't want her opinion to speak for everybody else in terms of clarifications or additional information. Lehmann said that's probably not an issue when it's not a conversation, it's more about trying to get additional information in the hearing similar to crossing a witness in a court case. It's not as much about sharing your opinion, because your opinion comes out during the discussion.

Lehmann next moved on to sample language and the "cheat sheets" that were included it in the agenda packet to help construct how to say things. He noted it is a little abstract in the examples, but it is important language for the findings of fact and/or adding and changing conditions. For example, if they want to change findings, and disagree with a finding that staff has made in the staff report, they could say "regarding item EXC21-0049 I concur with the findings set forth in the staff report of June 30, 2021 and conclude that the general and specific standards are satisfied with the one exception, I find that the proposed use will be detrimental to neighboring properties because the applicant has not proposed buffering to mitigate." Lehmann

said they define the finding they want to address and then how they would change it so that the Board can adopt the findings with the changes. The findings could then continue with "I recommend the Board adopt the findings for approval with the following changes so it will not be detrimental to neighboring properties, with the condition that the applicant provide buffers". Lehmann said by adding conditions they are stating they disagree and probably are going to vote against a given application because it doesn't meet that criteria unless there is a condition that will fix whatever they felt was missing before.

Dulek added for certain factual findings with each standard, 98% of the time, no one's going to dispute those, it's just usually one issue that a member of the public or a board member is going to question so there's no reason really to go into all the findings and standards, just say by default you are fine with staff's findings except...and call out the one particular standard you have an issue with, why you disagree, and what you propose should be done. For example, it may be to add the condition that they have to put in some buffer and add some trees, or it may have to do with lighting, etc. But they should always default to the staff report for the findings, otherwise they have to make their own findings and agree with them all for the record and quite frankly 95% plus are usually agreed to even when there's a reversal or somebody is unhappy.

Carlson asked if they recommend and support staff findings and approve of the proposal, then it can go ahead and be approved. Dulek replied if there are not any changes proposed, they are just going to say they've heard what staff had to say and heard what the public has had to say and agree with staff as their findings. It is only when the Board disagrees with one of the findings that it has to be noted that you disagree with this particular finding because you don't think that criteria is met.

Lehmann added all it takes is one criteria to be questioned for an application to be denied. For example, they had a case a couple months ago where Chrischilles disagreed with a couple findings and he chose the one that he thought was least supported and stated why he thought it was not met and that got three votes, which meant it was denied.

Lehmann stated during the discussion a Board member should bring up all the concerns they have because some may ring true to others and if three agree, and it's got to be three, then there can be a motion to add a condition or change the finding. Dulek again noted she can help the Board through that process. Lehmann added as they're reviewing the staff report, if they have concerns, just make notes in the margin and pay attention to what that finding was that you have the biggest concerns with and the overarching criteria such as it is going to be detrimental to neighboring properties.

Lehmann noted not only can the Board discuss if the criteria have been met, there's also adding or removing conditions. So when there are concerns, the Board can discuss them after the hearing is closed. The Board can talk about things that they think might make it okay or things that they don't think make it okay. That point is where you start to decide if the conditions that staff have recommended are good or if you think there are some that are missing. If you want to remove some that staff have incorporated, when you're motioning for approval, you would add on with conditions or approve it with no conditions.

Lehmann stated another question was how much control the Board can expect to exert on private property. For example, how does this interact with traffic flow on private drives. He

explained the bottom line is, to be approved by special exception requires both general and specific criteria to be met. For example, if it is health and safety issue and it's required by Code it's fair game to say you don't think that this is a safe use. However, it must be tied to the special exception, if there is a case you would recommend denial of because you think that for example, parking on the other side of the property would look nicer, but there is no health or safety issue, that is not tied to a special exception criteria so it is not valid. Everything has to be tied to the approval criteria that is used for that request, either general or specific criteria.

Lehmann noted there was also a question about the Board knowing boundaries of what they may be able to do. Staff can help navigate some of that but overall, it has to be proportional to the impact and it's got to be related to the special exception, those are the two primary tests.

Carlson asked if Board members can ask questions of staff before the meeting if there is something they don't understand. Dulek said they can ask questions, but staff won't answer them until the meeting where they will answer them to the whole group.

Lehmann added everything must be part of the public record, so usually it's just easier to wait until the public hearing and ask during the hearing. Dulek said to ask before the meeting if they think it will require staff to do some research and are not be able to answer off the top of their heads during the meeting. It is nice to get a head's up so staff can gather the information, but again the question would be announced at the meeting as a question that had been asked, and staff did some research on it and this is what they had found. Dulek also noted it is the same process if a member of the public emails staff and brings up some issue and staff needs to do some research and get some information. It will be disclosed at the public hearing, not directly back to the member of the public.

Pretorius asked when they are talking about the findings of facts and are going to accept the findings except for the findings that it will not be detrimental to neighboring properties, do they need to give more information beyond that it's going to be detrimental. Lehmann said they do need to provide the rationale for the decision because that's what a court would review.

Lehmann next will discuss what to do and what not to do, some of which has already been discussed tonight. The main thing is to avoid conflicts of interest and not to chat about the application before the meeting. Then during the public hearing, it is the Chair who guides the hearing so if things are getting off track in terms of they're not really addressing the approval criteria or they don't like an aspect that has nothing to do with the special exception, it's definitely the Chair's prerogative to ask speakers to please limit their comments to the specific issue at hand or to make sure that it's only new information being presented. The Board's public hearing is for gathering the information. Also using personal opinions about something that doesn't relate to the criteria is a big no no, and also, try to make sure to save the Board discussion for after the public hearing is closed. Don't make decisions based off your feelings on the standard itself, the standard is City Code and must be followed, even if someone doesn't agree with the standard in the Code. If the Board doesn't like a standard, the Board could make recommendations to Council but it's not commonly done, it is Council's prerogative to decide what those standards are.

Lehmann next noted they'd review some sample cases, why they're important, and how they fit into the broader picture.

Dulek stated every once in a while there is an appeal of a board decision to the courts, they haven't had one now in a couple years but oftentimes they'll have one in a couple of years. One example was the special exception to grant a manufacturing plant in an industrial zone where one of the neighbors appealed, stating it was injurious to the use and enjoyment of other properties and would impact property values in the neighborhood, and the Iowa Court of Appeals said as the Board they are allowed to rely on their commonsense and bring their day-to-day experiences to the table. The court is not going to sit in judgment on whether they agree with the appellant, they're looking to see whether the Board should have made the decision they did, based on the evidence and the information that was presented at the public hearing. That case was a good example of both those two important things, to rely on common sense and the court is not going to substitute their own decision, they are just going to see what decision the Board made, and how you got there, and if they find that to be reasonable, even if it might not have been their decision.

Lehmann added that's also where the findings of fact are important because that's where the Board lays out the rationale for how they came to decision.

Dulek stated another case was an appeal by neighbors of the Shelter House, 15 years old ago when it was built, and they needed a special exception to construct transient housing in a commercial district. The Board approved it and folks in disagreement, including some neighboring businesses, turned to the criteria again that it would impair property values. Again, the court said no, there was substantial evidence to support the Board's decision, there was enough evidence brought before the Board during the public hearing that it would not impact evaluation of property. Dulek noted that people can disagree, that happens all the time, but as long as there's enough evidence to support what the Board decided, that is what is important.

Dulek also reiterated what Lehmann touched on and that's ex parte communication, which means discussion with people not at the hearing. So discussions with other Board members before the hearing, discussions with staff before the hearing or with a member of the public or anybody is not allowed. There was a case in Des Moines with a private sewage treatment plant and the question was if interested parties had communicated with the Board before the public hearing. The Court of Appeals said again in this quasi-judicial function it is similar to a jury and all parties involved are entitled to fairness and impartiality and independence, even though the procedures and the evidence are less rigid there can be no difference in our concept between the two, and they went on to say the ex parte communication between members of Board of Adjustment was wrong and the Board's decision was overturned.

Carlson thanked staff for the presentation and noted she has been reading these things over again, but it helps to talk it through.

Russo agreed and noted the more exposure he gets to the protocols and the issues he understands better and that tonight was helpful. He just wants to make sure he doesn't make a wrong decision. Dulek advised to just keep those standards in mind and if the applicant for the special exception has meet those standards. The applicant has the responsibility to meet them it's their burden and it is the Board's decision based on the evidence that was presented.

Lehmann noted even within the Board there might be differences in how they interpret a

standard or how it applies so that's where discussion comes in and maybe some members may disagree but that's okay. They only need a majority decision, not unanimous.

Russo asked if they have an applicant for a special exception and the Board approves it with a condition does that gives them an opening to come back and reapply or how does that work. Lehmann replied usually it means that for them to get other City approvals they need to meet whatever the condition is. Often the conditions include triggers about when something needs to be done, for example prior to building permit approval and those are when staff would check it. Lehmann noted they could theoretically come back; the applicant will usually say at the hearing if they agree with the condition or not. Also staff lets the applicant know in advance what conditions staff will propose and then it's up to the applicant to say if it is a deal breaker.

Dulek added if the applicant tries to come back with the same application it is usually denied, they have had the opportunity to make their case previously. If there are substantial changes then it's a new application.

Russo asked if the Board puts a condition on an approval, then that condition goes back to City staff and they apply that to their interactions with the party. Dulek added it is also recorded so should they sell the property, the buyer will know what that condition is. Lehmann said they have had some cases where they look back at old special exceptions to make sure that conditions are still met. For example, let's say there's landscaping that was required and it has since died as it's been 30 years since it was approved, one of staff's new conditions is probably going to be to replace this landscaping because the buyer has to meet this condition.

#### **CONSIDER THE JUNE 9, 2020 MINUTES:**

Carlson moved to approve the minutes of June 9, 2021. Russo seconded the motion.

A vote was taken and the motion carried 3-0.

#### **BOARD ANNOUNCEMENTS:**

Lehmann wanted to give the Board an update on public meetings and online meetings. The end of online meetings is July 25, that is when they are anticipating the end of the Governor's emergency proclamation. The July 14 meeting will be online and then starting in August meetings will be back in person in Emma Harvat Hall if everyone is comfortable with that location. There should be enough room for everyone to space out because they're only five people. Council is moving to the senior Center for a little bit for more room. Lehmann said they will continue to record meetings and those video recordings will be posted to the City website.

Carlson asked if meetings were always recorded. Lehmann explained they've recorded audio in the past, but now will do visual recordings at the direction of Council for all boards and commissions.

#### **ADJOURNMENT:**

Russo moved to adjourn this meeting, Carlson seconded, a vote was taken and all approved.
